The written English requirement is satisfied by completing three (3) credit hours from the list of approved Written English Courses for Engineering Students listed in the Academic Calendar (see Price Faculty of Engineering, Faculty Academic Regulations).

1. Students must take either of:
   - ENG 2030 Engineering Communication: Strategies for the Profession
   - ENG 2040 Engineering Communication: Strategies, Practice, and Design

2. Students must take one of:
   - ECE 3630 Real-time Embedded Systems
   - COMP 3010 Distributed Computing
   - ECE 4530 Parallel Processing

3. Technical Electives:
   - Five (5) technical electives are required to complete the program.
   - At most two (2) of these electives may be selected from the list of approved Electrical Engineering courses.
   - Technical electives may be taken at anytime, subject to prerequisites.

Additional required elective courses which may be completed in any term.
