The written English requirement is satisfied by completing three (3) credit hours from the list of approved Written English Courses for Engineering Students listed in the Academic Calendar (see Price Faculty of Engineering, Faculty Academic Regulations).

Students must take either of:
- ENG 2030 Engineering Communication: Strategies for the Profession
- ENG 2040 Engineering Communication: Strategies, Practice, and Design

Students must take one of:
- ECE 3630 Real-time Embedded Systems
- ECE 4530 Signal Processing
- COMP 3430 Operating Systems

Students must take either of:
- ECE 4150 Control Systems
- ECE 4260 Communication Systems

Technical Electives:
- Five (5) technical electives are required to complete the program.
- At most two (2) of these electives may be selected from the list of approved Electrical Engineering courses.
- Technical electives may be taken at anytime, subject to prerequisites.

Additional required elective courses which may be completed in any term.

Complementary Studies Elective
Natural Science Elective
