Deferred Examination Student Information

WE AIM TO REPLY TO REQUESTS WITHIN TWO BUSINESS DAYS. ADDITIONAL TIME MAY BE REQUIRED FOR CONSULTATION WITH YOUR COURSE INSTRUCTOR AND DEPARTMENT. A MEETING WITH THE ASSOCIATE DEAN (UNDERGRADUATE) MAY ALSO BE REQUIRED.

- Applications, including all supporting documentation, must be sent electronically within 48 hours of the last missed final examination to: EngDeferred@umanitoba.ca
- Requests will not be considered until all documentation is submitted. Examples of official documentation include: obituary, death certificate, funeral program for compassionate reasons; letter of support on official letterhead for religious reasons, competitions, military requirement, or technology-related matters; or any document that demonstrates your inability to write the exam(s), such as a legal document, etc.
- All documentation is subject to confirmation. Falsification or fabrication of documentation will result in academic suspension and other penalties.
- Currently, medical documentation is not required for most deferred exam requests related to illness/injury. Some exceptional cases will require medical documentation. Students must however, submit a [Self-Declaration for Brief and Temporary Student Absences](#) form.
- Submission of a completed deferred exam application does not guarantee approval of a deferred exam. A student must meet UM policy requirements for a valid deferral reason and have demonstrated satisfactory participation in the course as per the faculty's attendance policy.
- Deferred exam requests are not usually granted in advance of a final exam.
- Students who miss one exam and write another exam on the same day must submit detailed documentation to explain/confirm inability to write one exam and not the other.
- Re-Deferrals (deferring a scheduled deferred exam) are only considered in extremely exceptional circumstances on a case-by-case basis by the Associate Dean (Undergraduate). If approved, a re-deferred exam will be scheduled for the next regular sitting of the final exam for the course in question (could be up to one year from the date of the originally scheduled exam).
- Students who are denied a deferred examination may submit a letter of appeal to the Price Faculty of Engineering Standing and Appeals Committee. Click the link to view the [Engineering appeals process](#).
