

FORMAL CONSENT TO PUBLICIZE THESIS

For the mutual benefit and protection of the Author, it is necessary that the Author provides formal, written consent to publicize by uploading thesis/practicum on the website of the Natural Resources Institute (NRI).

The signed consent ensures that the NRI has the Author's permission to publicize the relevant work.

The signed consent entitles the NRI on behalf of the Author to protect the work against unauthorized use and to authorize dissemination of the work by means of electronic and digital tools (such as website), and legitimate photocopies.

The Natural Resources Institute hereby requests the Author to complete and return this form promptly to the:

Graduate Program Assistant
Natural Resources Institute
University of Manitoba
Winnipeg, MB R3T 2M6

Title of Thesis: _____
