

Nomination Form for Award of Excellence in Teaching

Name: _____
Instructor: _____

Term: _____
Class: _____

What was it about the instructor that made their teaching effective and describe the instructor's impact on student learning.

What new and different strategies did they use to keep your attention and help you learn?

What about their accessibility, friendliness and helpfulness outside of class set them apart from other professors?

What made their tests and assignments better than normal?

Please describe the instructor's passion and creativity in their teaching (especially regarding online course delivery). Use specific examples to illustrate your observation whenever possible.

How did the instructor inspire student learning during the COVID 19 pandemic?

Was there anything else special about their teaching not captured by the other questions?
