Section 1: General Statement

The purpose of this bulletin is to provide information to prospective applicants to the Faculty of Arts at the University of Manitoba. This document outlines categories of admission, requirements and deadlines.

This bulletin is available with, and constitutes part of, the application. It is assumed that all applicants have read and understood it prior to submitting the completed application.

Programs Offered: Bachelor of Arts Integrated Studies (B.A.I.S.)

The Bachelor of Arts Integrated Studies is a 90 credit hour degree program offered by the Faculty of Arts in collaboration with Extended Education. **The program is geared to serve working adults who have completed some post-secondary education.** The degree requires areas of Concentration rather than the traditional Major/Minor requirement, providing a more flexible path for degree completion while also ensuring academic rigor (e.g., appropriate writing and quantitative skills, breadth requirements, and an appropriate percentage of upper level courses).

The degree will formally recognize the education completed by certificate or diploma holders. In addition to a flexible curriculum model (e.g., Concentrations of study rather than the traditional Major/Minor approach) the program will provide flexible course scheduling suitable for working adults. Hence, variable modes of delivery (e.g., blended, online, videoconference, weekend/evening) would be incorporated as needed.

For a detailed description of the Bachelor of Arts Integrated Studies (B.A.I.S.) program please see Section 9: Other Information, A. Program Description.

Applicants seeking the following degrees: BA (General), BA (Advanced), and BA (Honours) should refer to the Applicant Information Bulletin for BA (General):

<http://umanitoba.ca/student/admissions/application/programs/arts-application.html>

Section 2: Eligibility Requirements

The University of Manitoba will require graded coursework to fulfill all admission requirements as outlined in this bulletin. Pass grades will not be considered for meeting any of these requirements unless otherwise stated.

A. Non-Academic Requirements

All applicants must normally have **three (3) years of full-time workplace experience** (i.e. equal to or greater than 30 hours/week) preferably with the same employer. All applicants must submit a resume in order to be considered for admission (see Section 3: Application Process & Deadlines, C. Required Application Documentation).

NOTE: Applicants who do not strictly fall into this definition of workplace experience may request special consideration from the B.A. Integrated Studies Admissions Committee.

Military applicants, please submit your civilian-style resume.

B. Academic Requirements

The following information details the requirements for admission to the Faculty of Arts: B.A. Integrated Studies Degree Program.

NOTE: Applicants will be subject to the Faculty regulations and requirements for continuation in an Arts degree program that are detailed in the University of Manitoba Academic Calendar (<http://umanitoba.ca/calendar>).

A minimum 2.0 grade point average (GPA) on the best 24 credit hours of coursework acceptable for credit (transferable) in Arts is required to receive consideration for admission on the Dean's recommendation.

NOTE: applicants with external post-secondary studies may be required to submit course outlines for coursework completed within the last 10 years to determine eligibility under this category. Outlines are required by the documentation deadline.

Students on active academic or disciplinary suspension at another university or in another Faculty at the University of Manitoba will not be eligible for consideration for admission.

Students 'Required to Withdraw' from a Faculty at the University of Manitoba will not normally be considered for admission to the Faculty of Arts.

When assessing students for eligibility for admission, the Faculty will include:

- a. All courses that have been assigned final grades, including failed courses, regardless of year of completion.

D. Transfer Credit Information

At the University of Manitoba, all course work from a recognized prior post-secondary institution will be considered as part of the application for admission process for all undergraduate degree and diploma programs.

Courses are evaluated for advanced standing or transfer credit on a course-by-course basis and assigned a University of Manitoba equivalent, where applicable. Where a direct equivalent does not exist, students may receive general (unallocated) credit. The regulations regarding transfer credit are program specific and vary considerably depending on the faculty or school of application. The Faculty of Arts will only consider external courses completed within the last ten years for course by course evaluation.

BAIS applicants with coursework exceeding 10 years may be considered for a block of elective credit (no grades assigned), as determined by the Faculty of Arts regulations. The determination of this block of credit is made by the Faculty of Arts and takes place after the acceptance of an offer of admission. Questions concerning credit older than 10 years should be directed to the Faculty of Arts.

Courses deemed acceptable for transfer credit within 10 years will be awarded, subject to program approval, up to the maximum allowed under the program of admission, based on the Faculty or School's transfer credit policy and residency requirements (consult the section of the University's Academic Calendar at: www.umanitoba.ca/calendar for details).

Students may be asked to provide comprehensive and accurate course outlines or syllabi, as issued by their institution of study, for all courses lacking a current evaluation. Course outlines or syllabi should include information on: course objectives, outline of the units studied, textbook(s) used, assignments, and accompanying laboratory information, if applicable, to assist in the transfer credit assessment process.

For information on current course evaluations receiving credit, please visit:

www.umanitoba.ca/admissions/tc

While we appreciate that some institutions do not have course information readily available, many students have been able to provide the information requested by contacting the individual departments or instructors at their prior institutions.

Applicants applying under **Recommendation of the Dean** from an external post-secondary institution should be prepared to provide course syllabi for coursework completed within 10 years to determine their eligibility for admission by the application documentation deadline for the term in which they are applying. Applicants who are unable to provide the requested course information for assessment may render themselves ineligible for consideration.

Applicants seeking a first degree in Arts should be aware that in cases where outlines have not been provided by the below deadlines, unsuccessful course attempts, including F grades, may be assessed as part of

the academic assessment regulations of a student's program of study. Arts "failed attempts" may be awarded as transfer of credit for those courses in which no outline is provided for a failed course.

Applicants who are seeking a second degree in the Faculty of Arts and those who have not provided course syllabi for courses successfully completed (D grade or higher) will not receive any further assessment of transfer of credit beyond the below stipulated deadlines:

Intake Term	Deadline Date
Fall Term	November 1
Winter Term	March 1
Summer Term	July 1

Additional information related to transfer credit may be found at:

<http://umanitoba.ca/admissions/undergraduate/requirements/transfer-credit>

In addition to the above policies, students who have completed one of the following Certificate Programs, with a minimum 2.5 CGPA, will receive transfer credit for course(s) completed in the certificate program subject to Faculty of Arts transfer credit policies:

1. University of Manitoba Certificate in Financial and Management Accounting (FMA) – *(No longer offered)*
2. University of Manitoba Certificate Program Human Resource Management (HRM)
3. *Former* University of Manitoba Certificate in Adult and Continuing Education (CACE)
4. The Certificate in Management and Administration (CIMA) accredited by the National Centre for Management Accreditation through the Canadian Institute of Management (CIM) from any accredited post-secondary institution
5. University of Manitoba Certificate in Applied Management (CAM)
6. University of Manitoba Certificate Program in Public Sector Management (CPSM)

Only successful applicants will be notified of transfer credit results through their Aurora Student account.

Section 4: Selection Process

A. Selection

1. Transfer students

Transfer students can apply for admission online. Each application will be considered on an individual basis by the Admissions Officer after all necessary official documentation has been received by the Admissions Office. Resumes are reviewed by the Faculty of Arts Dean's Office after applications are completed. Students who fail to submit all the required documentation by the documentation deadline date will not be considered.

2. B.A. Integrated Studies Returning Students

Former Faculty of Arts students of the University of Manitoba who have not completed their degree may request reinstatement to the program if it is **within 10 years** and they have **not registered** in another Faculty or at another university/college since their last registration in Arts. Such former students may contact the Faculty directly to request reactivation by filling out the [Permission to Re-Register in Arts](#) form.

All former students who have attended another post-secondary institution/Faculty since their last Arts registration or are seeking reinstatement over 10 years must follow the application process.

B. Notification of Decision

Decisions will be posted to the applicant's portal. Applicants must log into their application portal to view the decision and to accept or decline their offer. If the offer is not accepted by the deadline date indicated in the letter, the offer will lapse. Lapsed offers will be considered a declined response. It is imperative that email accounts remain current and that emails and application portals are regularly checked.

Applications are considered only for the term listed on the application. Consideration for a future term will require the submission of a new application.

Section 5: Reconsideration & Appeals

Individuals who wish to have their applications reconsidered should submit their request to the Admissions Office. Past experience has shown that most inquiries can be satisfied at this level without further reference. Persons wishing reconsideration of the decision shall direct their request to the Admissions Office within ten (10) business days of the posted decision date.

Should the student wish to pursue the reconsideration decision of the Selection Committee further, such an appeal will be made in accordance with the Senate Committee on Admission Appeals Procedures.

http://umanitoba.ca/admin/governance/governing_documents/students/admission_appeals.html

Applicants are advised that appeals of reconsideration decisions by the Senate Admissions Appeal Committee focus on questions of correct adherence to published policies and procedures, and NOT on subjective issues or the relative merits of the application.

Section 6: Counselling of Applicants

The Faculty of Arts and Admissions Office are able to assist applicants who seek counselling regarding admission to the Faculty of Arts. However, it is policy not to instruct applicants as to a specific course of action they should follow, but rather to provide the information needed for applicants to make their own choice with respect to the alternatives available. The following points require special attention:

1. Applicants are encouraged to discuss their plans with all who can usefully advise them, but they should be aware that second and third hand information about admission policies may not be accurate.
2. No official at the university can guarantee the admission of any applicant.
3. All applicants are advised to supplement any personal enquiries with a written request so that an official written response can be made. It is only these

written responses which will be considered as evidence of any advice given (see Section 8: Contact Information).

Section 7: Student Accessibility

The University of Manitoba is committed to providing all students equal access to learning opportunities. If you are a student with a diagnosed disability (permanent, chronic, or temporary) who may require academic accommodations, please contact Student Accessibility Services at 204-474-7423 or by email at student_accessibility@umanitoba.ca to learn more about the confidential supports that are available. <http://umanitoba.ca/student/accessibility/>
