Section 1: General Statement

The purpose of this bulletin is to provide information to prospective applicants to the School of Agriculture at the University of Manitoba. This document outlines categories of admission, requirements, and deadlines.

This bulletin is available with, and constitutes part of, the application. It is assumed that all applicants have read and understood it prior to submitting the completed application.

Programs Offered: Diploma in Agriculture

Section 2: Eligibility Requirements

A. Academic Requirements

The University of Manitoba will require graded coursework to fulfill all admission requirements as outlined in this bulletin. Pass grades will not be considered for meeting any of these requirements unless otherwise stated.

Students may be eligible for admission to the School of Agriculture, Agriculture Diploma Program in one of the following ways, depending on their previous academic history:

1. Direct Entry Category

Applicants in this category are current high school students or students who have already graduated from high school but have completed fewer than twenty-four (24) credit hours at a recognized university/college. Applicants must meet the Specific Admissions Requirements as listed in the Direct Entry Applicant Information Bulletin.
Applicants who would otherwise fall under the Direct or Advanced Entry Category but who do not meet the academic requirements may apply under the Special Consideration Category.

2. Advanced Entry Category

The Advanced Entry option is for applications who have completed one year or more of studies in another faculty at the University of Manitoba or another recognized post-secondary institution.

Applicants in this category must have fulfilled all eligibility requirements as described below. Applicants must:

- Complete a minimum of 24 credit hours from a recognized university or college
- Achieve a Cumulative Grade Point Average (CGPA) of 2.0 or higher (see Section 4: Selection Process, A. Calculation of the Cumulative Grade Point Average (CGPA)). If the number of eligible candidates exceeds the available spaces, a CGPA higher than the minimum may be required for admission.

3. Special Consideration Category

This category is for students who would fall under either the Direct Entry or Advanced Entry category but whose academic records may not be competitive in the selection process. Such students may apply for special consideration only if they meet the criteria as described below. Meeting the eligibility requirements of this category is not a guarantee of admission. Up to 10% of admission spaces are available to Special Consideration Candidates recommended by the Diploma Selection Committee.

Applicants would be eligible for special consideration if they either:

- Have academic records that are not a true reflection of their academic and intellectual merit because of their exceptional life circumstances (exceptional circumstances include physical, social, educational, economic, medical, geographical, and other obstacles by the applicant), or
- Display skills and attributes in any or all personal, work, or community activities which indicate that they can make a significant contribution to Manitoba’s agri-food industry and/or rural and northern Indigenous communities.

Students who apply for special consideration must submit electronic versions of the following documents as part of the application process:

- A typed personal statement (not to exceed 800 words) which includes the specific reasons why their application merits consideration within the Special Consideration category
- A typed personal resume
- Three letters of recommendation. We are collecting this information in the strictest of confidence and it will not be released to the applicant. This is done to ensure the integrity of the recommendation process.

Those candidates who are applying on the basis of exceptional circumstances must submit supporting documentation to verify their exceptional circumstances (e.g., if a student is applying on the basis of exceptional medical circumstances, the student must submit official supporting documentation from a qualified medical professional).

All candidates will be interviewed by the Selection Committee and may be administered an academic skills test. Criteria used when evaluating Special Consideration applicants include the applicant’s maturity, scholastic ability, agricultural experience, motivation, leadership, and/or demonstrated initiative relevant to an agricultural career.

A holistic review of these characteristics along with all required documentation is used for consideration of applications in the Special Consideration category, with no particular weight to any one requirement. Decisions are necessarily subjective; reasons are neither recorded nor given.

Note – Special Consideration Applications will take place over the summer. Special consideration applicants may not get a formal offer until late July.
4. Special Students

Special students are students wishing to take courses for personal or professional reasons but who do not currently wish to pursue a diploma. Applicants must meet the University’s English language proficiency requirements. Usually some university background (one or more years) or a first degree is required. Permission from the Director of the School of Agriculture is required.

B. English Language Proficiency Requirements

All applicants whose primary language is not English and do not qualify for a waiver under the University of Manitoba’s English language proficiency regulations will be required to demonstrate proficiency in English.

Additional information regarding specific proficiency requirements, waiver information, and test options can be found on the English language proficiency requirements page.

Results for most language tests, including TOEFL, IELTS and CanTEST, expire two years from the test date. Test scores must be valid at the start of classes. Please confirm the validity of your test results.

Section 3: Application Process & Deadlines

A. Application Fees

Canadian/Permanent Residents: $100.00
International applicants: $120.00

Applications are not considered received until the application is submitted and the non-refundable application fee has been paid by the posted deadline.

All correspondence, including decision release information will be sent via email and posted to your application portal. Please ensure your email account remains current and will accept emails from the University of Manitoba (check your filters).

It is important to check your email and application portal regularly and specifically around the deadlines and important dates listed below.

B. Deadlines and Important Dates

<table>
<thead>
<tr>
<th>DATE</th>
<th>DEADLINES AND IMPORTANT DATES</th>
</tr>

<tbody>
<tr>
<td>May 1, 2022</td>
<td>Last date for receipt of application and application fee.</td>
</tr>
<tr>
<td>June 1, 2022</td>
<td>Last date for receipt of final official transcripts for all postsecondary study, and any other documents that may be requested.</td>
</tr>
</tbody>
</table>

C. Required Application Documentation

The following documents will be required to complete your application:

- **Final official transcripts** from any university or college attended (other than University of Manitoba) are required. Student copies or photocopies are not acceptable. Transcripts become the property of University of Manitoba and will not be returned.

- If any courses have been completed through the Advanced Placement (AP) or International Baccalaureate (IB) programs that will be used to qualify for admission, scholarship, or transfer credit the applicant is required to arrange for official results to be provided to the Admissions Office.

- **Proof of Canadian Citizenship, Permanent Resident Status, or Refugee Status** is required if born outside of Canada.

- **Name change documentation** is required if name change has occurred as a result of marriage, divorce or other reason.

- **Proof of proficiency in the use of the English language** (see Section 2: Eligibility Requirements, B. English Language Proficiency Requirements)

Please send all application documentation to the following address:

Admission for Agriculture
University of Manitoba
424 UMSU University Centre
66 Chancellors Circle
Winnipeg, MB R3T 2N2
Electronic transcripts should be submitted to Applicant.Services@umanitoba.ca*

* In the event that you are not able to provide an official transcript (for example, if the issuing office at your university or college is closed due to COVID-19), the University of Manitoba will accept an electronic transcript provided that it has been sent directly from the email of the office responsible for issuing transcripts. Applicants who submit their documents electronically may be requested to provide original, physical copies at a later date.

Section 4: Selection Process

A. Calculation of the Cumulative Grade Point Average (CGPA)

The Cumulative Grade Point Average will be calculated using all recognized post-secondary course work including original grades of repeated courses. It is expected that these courses will be completed by the end of the April examination period. Students needing to complete courses during Summer Session to meet the minimum 24 credit hour requirement will only be considered for admission on a space available basis after all other eligible applicants have been considered.

It is the applicant’s responsibility to inform the Admission Office in writing of any deferred exams or grade changes. All final grades, including grade changes, must be submitted to the Admissions Office by the document deadline in order for them to be included in the final selection process. Grade changes will not be accepted after the documentation deadline date. If a grade is not available by the documentation deadline date, an ‘F’ grade will be used in the final admission determination and calculation.

B. Tie Breaking Procedure for Offers

In the event of a tie, the following procedure will be used:

1. Increase the number of significant figures used in the calculation.

2. Where a tie still exists, the application that was received first will be used to break the tie. All completed applications are time stamped upon submission; in the case of a paper application, these applications will be time stamped after they have been entered into the system by a University of Manitoba Admissions Office staff member.

Section 5: Reconsideration & Appeals

Individuals who wish to have their applications reconsidered should submit their request to the Admissions Office. Past experience has shown that most inquiries can be satisfied at this level without further reference. Persons wishing reconsideration of the decision shall direct their request to the Admissions Office within ten (10) business days of the posted decision date.

Should the student wish to pursue the reconsideration decision further, such an appeal will be made in accordance with the Senate Committee on Admission Appeals Procedures.

Applicants are advised that appeals of reconsideration decisions by the Senate Admissions Appeal Committee focus on questions of correct adherence to published policies and procedures, and NOT on subjective issues or the relative merits of the application.

Section 6: Counselling of Applicants

The School of Agriculture and Admissions Office are able to assist applicants who seek counselling regarding admission to the School of Agriculture. However, it is policy not to instruct applicants as to a specific course
of action they should follow, but rather to provide the information needed for applicants to make their own choice with respect to the alternatives available. The following points require special attention:

1. Applicants are encouraged to discuss their plans with all who can usefully advise them, but they should be aware that second and third hand information about admission policies may not be accurate.

2. No official at the university can guarantee the admission of any applicant. Admission is determined by the Committee on the basis of an annual competition.

3. All applicants are advised to supplement any personal enquiries with a written request so that an official written response can be made. It is only these written responses which will be considered as evidence of any advice given (see Section 8: Contact Information).

---

**Section 7: Student Accessibility**

The University of Manitoba is committed to providing all students equal access to learning opportunities. If you are a student with a diagnosed disability (permanent, chronic, or temporary) who may require academic accommodations, please contact Student Accessibility Services at 204-474-7423 or by email at student_accessibility@umanitoba.ca to learn more about the confidential supports that are available.
