A. Eligibility Requirements

To be eligible for consideration for admission to the Faculty of Social Work Northern ACCESS Site, applicants must meet the following eligibility requirements:

1. Are at least 21 years old by the application deadline.

2. Are a resident of Northern Manitoba. Northern Manitoba is defined as north of the 53rd parallel. Applicants will be required to provide proof of address.

4. Have participated in a reading and writing comprehension test. (This assessment consists of vocabulary and reading comprehension sections of CAAT-C through the Assessment Center at the YWCA).

5. Demonstrate suitability for the Social Work profession based on the assessment of an autobiography and an interview that indicates:
   a. Northern experience
   b. Interest in the profession
   c. Volunteer or lived experience related to the practice of Social Work
   d. Being active in community

All applicants are advised that this is a competitive program with limited spaces and that applicants meeting minimum eligibility requirements cannot be assured admission.

B. English Language Proficiency Requirements

All applicants whose primary language is not English and do not qualify for a waiver under the University of Manitoba’s English language proficiency regulations will be required to demonstrate proficiency in English.

Additional information regarding specific proficiency requirements, waiver information, and test options can be found on the English language proficiency requirements page.

**C. Required Admission Documentation**

All BSW applicants offered admission are required to:

• Provide a completed **Criminal Record (CR)** check obtained through the local police service. (May not be older than three months prior to the date of offer).

• Provide a completed **Child Abuse Registry (CAR) (for residents of Manitoba) or a Vulnerable Sector check (for residents of provinces where there is no Child Abuse Registry)**. (May not be older than three months prior to the date of offer).

A positive response on the CR check, the CAR or Vulnerable Sector check, or the declaration regarding previous criminal convictions, does not necessarily eliminate applicants; however, it shall require that the applicant participate in a personal interview with the Director. The Faculty reserves the right, based on it’s findings, to declare an applicant ineligible for admission.

**Section 4: Selection Process**

**A. Selection**

Applicants who are determined as meeting the eligibility criteria (see Section 2: Eligibility Requirements) are compiled and applicants are selected.

The selection process in the Northern ACCESS Social Work Program site involves taking a complete view of each applicant’s circumstances. All student requirements are considered including academic, financial, and personal needs. The Northern ACCESS Social Work Program was created to correct barriers to education by social, geographical, and economic disparities.

The program gives special consideration to those who self-declared as belonging to traditionally disadvantaged groups including Indigenous Peoples (First Nations, Status, Non-Status, Inuit, Metis), persons with low-income, persons with accessibility needs, 2SLGBTQIA+ persons, immigrants and refugees to Canada, and persons who because of their race of color, are a racialized minority in Canada.

In mid-May all completed applications of the ACCESS program are screened by a committee. Applicants who have been recommended by the committee are invited to the Thompson site for interviews.

Each applicant is interviewed by a panel that consists of faculty members, a current student, and a community representative.

The panel uses a screening tool to evaluate each applicant.

The panel recommends those most suited for the program to the Director.

**B. Notification of Decision**

Successful applicants are notified of Selection Committee’s decision by the date indicated in Section 3: Application Process & Deadlines, A. Deadlines and Important Dates.

To proceed with admission, all newly admitted students must complete a University of Manitoba online application. Once the offer of admission has been granted by the faculty, the application link will be given to the student. The student must submit and pay for the application by the deadline date. Students are typically given a deadline of two weeks from the offer date.

Final official decisions from the University of Manitoba will be posted to the applicant’s portal. Applicants
must log into their application portal to view the
decision and to accept or decline their offer. If the
offer is not accepted by the deadline date indicated in
the letter, the offer will lapse. Lapsed offers will be
considered a declined response. It is imperative that
email accounts remain current and that emails and
application portals are regularly checked.

Applicants offered admission will have ten (10)
business days to respond and indicate their
acceptance.

Section 5: Reconsideration & Appeals

Individuals who wish to have their applications
reconsidered should submit their request in writing to
the Chair of the Selection Committee. Past experience
has shown that most inquiries can be satisfied at this
level without further reference. Persons wishing
reconsideration of the decision of the Selection
Committee shall direct their request to the Chair
within ten (10) business days of the posted decision
date (see Section 8: Contact Information).

Should the student wish to pursue the reconsideration
decision further, such an appeal will be made in
accordance with the Senate Committee on Admission
Appeals Procedures.

Applicants are advised that appeals of reconsideration
decisions by the Chair of the Selection Committee and
the Senate Admissions Appeal Committee focus on
questions of correct adherence to published policies
and procedures outlined in this document, and NOT
on subjective issues or the relative merits of the
application.

Section 6: Counselling of Applicants

The Faculty of Social Work and Admissions Office are
able to assist applicants who seek counselling
regarding admission to the Faculty of Social Work.

However, it is policy not to instruct applicants as to a
specific course of action they should follow, but rather
to provide the information needed for applicants to
make their own choice with respect to the alternatives
available. The following points require special
attention:

1. Applicants are encouraged to discuss their plans
   with all who can usefully advise them, but they
   should be aware that second and third hand
   information about admission policies may not be
   accurate.

2. No official at the university can guarantee the
   admission of any applicant. Admission is
determined by the Committee on the basis of an
   annual competition.

3. All applicants are advised to supplement any
   personal enquiries with a written request so that
   an official written response can be made. It is only
   these written responses which will be considered
   as evidence of any advice given (see Section 8:
   Contact Information).

Section 7: Student Accessibility

The University of Manitoba is committed to providing
all students equal access to learning opportunities. If
you are a student with a diagnosed disability
(permanent, chronic, or temporary) who may require
academic accommodations, please contact Student
Accessibility Services at 204-474-7423 or by email at
student_accessibility@umanitoba.ca to learn more
about the confidential supports that are available.

### Section 9: Other Information

The purpose of the NSWP is to carry out the mission and vision of the Faculty of Social Work by providing an accessible BSW degree education in the Northern Manitoba. This ACCESS program is designed for mature students who, without the supports of the program, would be unable to successfully complete a university degree, lack of academic qualifications, geographic and cultural barriers. Students admitted into the Northern ACCESS Social Work Program site are accepted directly into a four year, B.S.W. program.

The BSW program intends to provide students with knowledge and skills necessary for professional preparation for generalist practice in a variety of social work fields. The BSW program is the only program in Manitoba accredited by the Canadian Association for Social Work Education, and graduates are eligible for acceptance into schools of graduate studies.

The BSW degree is accepted as a professional degree by the Manitoba College of Social Workers and by the Canadian Association of Social Workers. Holders of this degree are eligible to apply for membership to these organizations.
