

# APPLIED BUSINESS ANALYSIS

Learn the tools and techniques of Business Analysis and experience the culture and workplace in Canada in this 12-month full-time Intensive Program Package in Winnipeg, Manitoba, Canada, with a potential work placement.

## Learn Business Analysis, Experience Canada

**PROGRAM DESCRIPTION:** Experience the culture and the workplace in Canada, with career preparation, language support, and a potential work placement, as you learn business analysis. Become a more capable business analyst, better prepared to perform the tasks of business analysis and better prepared to write IIBA certification exams.

**SKILLS AND COMPETENCIES:** Learn to identify business and techniques of business analysis, with the Business Analysis Book of Knowledge (BABOK) as your textbook, and experienced business analysts to guide you. Emerge with valuable technical and soft skills, moving closer to coveted IIBA designation.

**PROGRAM LENGTH:** 12-month full-time Intensive Program Package. UM credentials completed in the first 10 months of study, over three consecutive academic terms. Industry experience or placement completed in the last two months of study. Academic program supports throughout.

**DELIVERY:** In-person

**FEES:** \$17,500 plus \$300 application fee and approximately \$2,000 for health insurance and textbooks. All fees are in Canadian dollars. Fees subject to change.

**CREDENTIALS:** Earn a University of Manitoba Certificate in Business Analysis and a University of Manitoba Letter of Accomplishment in Career Preparation.

**ADDITIONAL CREDENTIAL:** Eligibility for an additional credential from the International Institute of Business Analysis (IIBA). Prepare for certification: Prepare to pass the IIBA certification exams with this comprehensive program.

**KEEP LEARNING:** Apply your Certificate in Business Analysis towards the Bachelor of Arts Integrated Studies degree.

“ Every organization needs a business analyst (BA), and everyone is looking for a good one.”

- Maureen McVey, Certified Business Analysis Professional (CBAP), one of the founders of IIBA, and Program Consultant
