

# Management and Administration

Manage your career development to become a better leader with this ONLINE program.

## The ONLINE program that's like a mini MBA

**Program description:** Increase your competitive advantage and advance your career with the Management and Administration program. Learn to dream big. Explore and formulate new ideas to find fresh options for how to do things in the future, and prepare to implement them in your career. Improve how you work with people and manage your time. Students including working professionals can fit this flexible program into their busy schedules and complete their studies on a part-time basis. "This program is like a mini MBA," says Matthew Jelavic, CEO, CIM/Chartered Managers Canada.

**Skills and Competencies:** Learn to be a better leader, gaining a basic familiarity with related topics like accounting and financial management, Canadian business, communication, Canadian business law, strategic analysis, organizational behaviour and more, while improving your confidence.

**Program Length:** 8 courses, 2.5 to 7 years, part-time

**Delivery:** Online

**Fees:** \$4,970 for required courses plus elective and \$100 non-refundable application fee.

*Pricing subject to change without notice*

**Credentials:** Earn a University of Manitoba Certificate in Management and Administration.

**Certification:** Add the international designation, Certified in Management (CIM) through CIM/Chartered Managers Canada with a simple application, online test, and membership.

**Keep Learning:** Apply this certificate towards a Bachelor of Arts Integrated Studies degree.

**Professional Development:** CPHR Manitoba members can earn professional development hours by completing courses in this program.

of Manitoba

“Management is mostly about dealing with people. The communication, the thought processes all can be taught. An introvert can learn to modify their behavior. I was an introvert and I morphed into an extrovert. You can become better.”

- Kevin Young, MBA, CPHR, Instructor
