Certificate in Municipal Administration

Become an effective municipal administrator with this ONLINE program

For administrators in Manitoba municipalities

PROGRAM DESCRIPTION: Whether you work in municipal administration or you would like to, this program provides you with the knowledge and skills to be an effective administrator within a municipality. The program is offered in partnership with the Manitoba Municipal Administrators, representing Chief Administrative Officer (CAOs) of Manitoba municipalities, and recognized as important professional development within their organization, Representatives from the Association of Manitoba Municipalities are also on the program's advisory committee, supporting continued refinement of this program which has been offered for many years.

SKILLS AND COMPETENCIES: Learn about relevant topics including municipal accounting, municipal law, and municipal administration.

PROGRAM LENGTH: Up to 5 years

DELIVERY: Online

FEES: $5,607.^{00} plus $100 non-refundable application fee

Pricing subject to change without notice

CREDENTIAL: Earn a University of Manitoba Certificate in Municipal Administration.

Manitoba Municipal Administrators

Extended Education | University of Manitoba

25/AUG/2026

"The Municipal Administration program arms our members with the ability to do a very difficult task, being Chief Administrative Officers of municipalities. It's a specific skill set that isn't necessarily acquired in any other program.

"We are constantly working with the university to better deliver the program, with feedback from our members. I feel the University of Manitoba's Extended Education program has been wonderful for me to work with both as a student and on a professional level."

Adrienne Bestland, Executive Director
Manitoba Municipal Administrators
