Manitoba residents starting university this fall - Apply for the Access Program by May 1

The University of Manitoba Access Program provides holistic support to students choosing to begin an academic journey. Students may qualify for Access if there is a demonstrated personal, academic or financial need. Students who live in the north or remote locations are encouraged to apply.

The Access Program includes two paths:

The University of Manitoba Access Program (UMAP) supports students in degree and diploma programs at UM. It is available to all Manitoba residents, with preference given to Indigenous people, residents of Northern Manitoba, low income earners, and newcomers.

The Health Careers Access Program (HCAP) supports Indigenous (Status, Non-Status, Métis, Inuit) students for entry to health-related professions such as Medicine, Dentistry, Dental Hygiene, Pharmacy, Rehabilitation Sciences, Nursing and Midwifery. Students must be residents of Manitoba.
