

BECOME A PARTNERS PROGRAM MEMBER

The Partners Program has proven to be a unique and outstanding example of the synergy that is created between the academic community, industry, business and professions. The synergy is a special blend of the research acumen on the part of the Faculty of Architecture and its outreach initiatives into the communities of Manitoba on the one hand, and the knowledge, experience and capabilities of industry and practitioners on the other hand.

YES! I would like to become a member and enjoy the benefits of joining with the Faculty of Architecture.
