Registration Information
For the 2019-2020 Fall/Winter Terms

SECTION 1: Welcome

Welcome to the Faculty of Arts.

Please contact our office, in person, by phone, or by email for advice or assistance concerning academic programs, registration procedures, or any other information you may be attempting to locate.

Academic advisors are available to help you plan your studies to meet the degree requirements and to provide information on the many services available to students at the University of Manitoba.

While we are prepared to provide information and assistance, it is important for you to understand that it is your responsibility to be familiar with university and faculty academic regulations and registration procedures as they are described in the Academic Calendar.

SECTION 2: Faculty of Arts, Student Advising Services Location and Office Hours

Faculty of Arts, Student Advising Services

SECTION 3: Information Applicable to All Students

3.1 Important Information: Student Responsibility

It is every student’s responsibility to be familiar with the regulations, course and graduation requirements of the degree program they have enrolled in. Students are advised to review the appropriate sections in the Academic Calendar carefully when selecting courses to ensure compliance with degree program requirements and ultimately eligibility to graduate. If uncertain of how the regulations and requirements apply to a particular program of study, students should consult with an academic advisor in the Faculty of Arts, Student Advising Services.

3.2 Registration Priorities

Students may consult the Registrar’s website for registration dates and online registration tutorials designed to help with the AURORA Student registration system. Direct Entry students and new transfer students are strongly encouraged to complete the registration tutorials in advance of their registration day.

In person registration is only available to students who wish (and are eligible) to register for courses that are not available through Aurora Student. All other students must register using Aurora Student.

3.3 Maximum Number of Credit Hours during a Term

A student may attempt a maximum of 15 credit hours during a term. If, however, a student has taken at least 24 credit hours in the previous Fall/Winter Terms and obtained a Grade Point Average of at least 2.75 (with no failures) in these terms, that student would be allowed to take 18 credit hours in the next term. If a student wishes to exceed the normal number of credit hours and they meet the criteria above, they may apply for a credit hour overload in-person in the Faculty of Arts, Student Advising Services.

3.4 Distance and Online Education Courses

You may register for a combination of on-campus and independent study courses offered through Distance and On-line Education. Registration is carried out through Aurora Student. The normal maximum of 15 credit hours per term applies.

Distance Education sections are identified in the class schedule on Aurora with sections that begin with a “D” (ex. D01, D02, etc....)
### 3.5 Subject Area Requirement with Examples

By the time you complete 60 credit hours, you should have completed at least six credit hours in each of five different subject fields (or from five different departments).

Students in the B.A. Integrated Studies degree program must complete at least three credit hours in each of five different subject fields.

Here is an example of a student who has registered in six credit hours in each of five different subject fields:

* Not six credit hours from one subject field.

If you have not satisfied the subject field requirement by the time you complete and/or have registered for 60 credit hours, please contact the Faculty of Arts Student Advising Services Office for clarification and assistance.

### 3.6 Voluntary Withdrawals

Students are responsible for initiating withdrawals, and for doing so by the deadline published in the [Academic Schedule](#).

- In order to voluntarily withdraw (VW), it is not sufficient to simply stop going to class or to simply notify your instructor. Students are responsible for ensuring VWs are processed through Aurora. If you experience difficulty while attempting to VW from a course, contact the Faculty of Arts, Student Advising Services.

- The 2019-20 VW deadlines are:
  - Fall Courses: November 18, 2019
  - Fall/Winter Spanned Courses: January 17, 2020
  - Winter Courses: March 18, 2020

Please read section 3.7 regarding a new policy on “Limited Access” to courses and how it relates to VWs.

### 3.7 Repeating Courses / Limited Access

**Effective 2018 Winter Term - Limited Access Policy in Effect**

Limited Access is a registration rule that allows students who have never before completed or voluntarily withdrawn from a course (or its equivalent) the opportunity to register for the course before students who are repeating it or have previously withdrawn from the course in question.

If a student has previously taken a course and received a final grade, or voluntarily withdrawn from the course (VW)*, any future attempt to take that course or its equivalent is considered a repeated course.

*A previous VW is only considered a repeat if you withdrew in Winter 2017 or later.

Effective Winter 2018, Limited Access will prevent a student from registering or wait-listing for a course (or equivalent) being repeated until the "Limited Access Term Expiry Date" has passed.

Limited Access applies for three consecutive terms following the term that the course in question was last completed or voluntarily withdrawn (VW).

During these three terms of Limited Access, a student may register to repeat a course, without permission, only when the Limited Access Term Expiry Date has passed.
Once the three terms of Limited Access has expired, any student wishing to repeat a course will need to request permission to do so from the Faculty of Arts, Student Advising Services.

Students who wish to repeat a course for which they have obtained a grade of "C" or better are required to discuss their choice to do so with an Arts Academic Advisor prior to registration.

- All completed courses will appear on the student's transcript and will be used to calculate the student's attempted hours.
- Repeating a course will not remove the original course or grade from the transcript.
- All courses with "F" grades that are repeated count towards the limit of "F" grades permitted in an Arts degree as outlined in Section 5.10 of the general calendar.

3.8 Academic Standing Rules

All students currently in the Faculty of Arts are subject to the academic standing rules used to assess a student's academic performance. An assessment of a student's academic performance is carried out at the conclusion of the Winter Term and Summer Term if a registration has occurred. For details of the academic assessment rules, see Section 5.10 Maximum Number of “F” Grades Permitted on Courses Acceptable for Credit in Arts, located in the Faculty of Arts entry of the Academic Calendar.

3.9 Attend the Correct Section

It is your responsibility to ensure that you attend the course section you have registered for. Failure to do so may result in a failing grade being recorded, attendance at the incorrect sittings of tests and exams, and host of other difficulties.

3.10 Missing Lectures or Labs (Mandatory Attendance)

All students are expected to attend their lectures and laboratories. If unable to attend class for any reason, contact the instructor to determine what arrangements, if any, can be made regarding missed content, term work, and/or tests. Most instructors require a medical certificate or other documentation that explains the reason for missing classes, assignments, or term tests.

Students who are going to be absent for any extended period of time (more than one week) should notify their instructor and the Faculty of Arts, Student Advising Services to seek advice concerning their status and any action they need to take.

Students who fail to attend class without consulting with their instructor may be subject to the debarment procedures outlined in the Academic Evaluations Regulations (see 3.11 below, Part E, #11 after clicking on the link)

3.11 Course Outlines

It is important for students to familiarize themselves with the details found in the course outline of each course they take. Important information regarding evaluation, deadlines, office hours, and academic integrity are all key components of these documents. Some departments have course outlines available on their website. Consult departmental general offices for further information.

3.12 Academic Evaluations Regulations

Regulations for the Academic Evaluation of Undergraduate Student Course Work for the Faculty of Arts may be found on the Faculty of Arts website.

3.13 Final Examinations

Please refer to the Registrar’s Office website for rules and regulations surrounding final examinations.

3.14 Deferred Final Examinations

Please refer to the Registrar’s Office website for rules and regulations surrounding the deferral of final exams.

3.15 Required Courses and Summer Session

Students are encouraged to register for any required courses in your chosen program during the Fall/Winter Terms as there is no guarantee required courses will be offered during the Summer Session. Optional courses are best taken during Summer Session. The Summer Session timetable is normally released in mid-February.

3.16 Graduation and Convocation

Students are responsible for meeting all degree requirements. If uncertain about whether or not requirements have been fulfilled, please contact the Faculty of Arts, Student Advising Services to meet with an academic advisor.

Graduation occurs three times a year – May, October, and February – while convocation ceremonies are held only twice each year – May and October. All February graduates are invited to attend the May Convocation ceremonies.

Students in the B.A. General, Advanced, Honours and Integrated Studies degree programs who plan to graduate must indicate their intent to graduate using Aurora Student.
Graduation Application Deadline Dates

May Graduation: End of registration revision period for Winter Term
October Graduation: August 1
February Graduation: End of registration revision period for Fall Term

If the deadline to apply for graduation has passed, contact the Faculty of Arts, Student Advising Services for assistance with having a graduation date declared on AURORA.

After indicating your expected date of graduation, The Registrar’s Office will confirm relevant graduation information such as name, address, degree sought and date of graduation. All correspondence is conducted through your university email account. Contact the Convocation Office at 204-474-9420 for more information.

To delete your graduation date you must contact the Faulty of Arts, Student Advising Services.

SECTION 4: Time Away from the Faculty of Arts

4.1 Have you attended any other post-secondary institution or another Faculty at the U of M since your last registration in the Faculty of Arts?

If you answered “No” to the above question, follow these procedures:

Former Faculty of Arts students that have not registered in courses for more than one (but less than 10) calendar year and have not attended any other post-secondary institution or faculty at the University of Manitoba will contact the Faculty of Arts, Student Advising Services in person or complete and submit the Permission to Re-Register form found on the Faculty of Arts website to have their record reactivated.

Former Faculty of Arts students who have not registered in courses for more than 10 years and have not attended any other post-secondary institution or other faculty at the University of Manitoba must re-apply for admission on-line.

Former Faculty of Arts students previously placed on academic suspension may not re-register until they have served their term of suspension. Upon completion of their suspension, students must contact the Faculty of Arts, Student Advising Services in order to have their records updated and activated.

If you answered “Yes” to the above question, follow these procedures:

Students who have registered in another Faculty or School at the University of Manitoba or attended another university or institution since their last registration in the Faculty of Arts must apply through the Admissions Office in accordance with the application deadlines and be re-admitted before they are eligible to register in the Faculty of Arts again.

- This regulation does not apply to Arts students who have taken courses at another university or college on the basis of a Letter of Permission granted by this university.

4.2 Admitted to Arts - but Never Registered

Students previously admitted to the Faculty of Arts that did not register in the Faculty of Arts in the session of admission must re-apply to the Faculty of Arts if they wish to register as a student in the Faculty of Arts.

4.3 Information Applicable to students who find themselves re-applying to the Faculty of Arts

Applications for Fall/Winter Term admission to the Faculty of Arts must be received by June 1. Complete documentation must be submitted by June 15.

Applications for the Winter Term must be received by October 1 (under certain conditions). Complete documentation must be submitted by October 15. Contact the Faculty of Arts Student Advising Services Office for more information.

Assessment of possible transfer credit may not be completed prior to registration.

SECTION 5: Information for Transfer, Visiting, Second Degree, Special and Auditing Students

5.1 Transfer Students (External Institution)

Consult Aurora Student for course offerings and schedule.

If you require assistance in selecting courses that will suit your program, consult an academic advisor in the Faculty of Arts.
5.2 Newly Admitted Second Degree and Special Students

Second Degree Students
Second degree students are those who have completed a first degree and have been newly admitted to the Faculty of Arts seeking a second degree. Second degree students are advised to contact an Arts academic advisor prior to registration to determine transfer credits. Failure to advise the Faculty of transfer credit may result in the admission category being changed to “special.”

Special Students
The Faculty of Arts does not normally admit students to the “Special” category. Students applying as such should apply through General Studies in Extended Education.

5.3 Returning Visiting, Second Degree and Special Students

Returning Visiting Students
Once having been admitted and registered as a Visiting Student in the Faculty of Arts, you are eligible to register in the Faculty of Arts again in subsequent sessions without reapplying through the Admissions Office provided:

- You have not changed your home university since your last registration at the University of Manitoba; and,
- You last registered at the University of Manitoba in the Faculty of Arts; and,
- You have a Letter of Permission from your home university approving your courses.

If you meet all of these requirements, present your Letter of Permission to the Arts General Office before registration. You may then register through Aurora Student for the courses approved on your Letter of Permission.

5.4 Auditing Students

Students wishing to audit courses must obtain written consent from the instructor of the course. This written consent must then be presented to the Faculty of Arts Student Advising Services Office prior to the end of registration revision period.

Section 6: Information Applicable to All Students

6.1 Program Planning

All students are reminded that the Academic Calendar is available on-line. The calendar is available in mid-April of each year and contains information on programs and courses available in all faculties and schools. It will also provide students with overall faculty regulations, departmental program information, and course descriptions as well as university-wide regulations and procedures.

Academic advisors are available in the Faculty of Arts, Student Advising Services throughout the year to help you plan your Bachelor of Arts degree programs. You may also wish to discuss your proposed Major, Minor, Concentration, or Honours field with faculty members in the Faculty of Arts departments.

If you are planning a 90 credit hour B.A. (General) degree program, you may use the Summary Sheet for the General degree located on the Faculty of Arts website as a tool to help you plan your program.

All students, including those pursuing the B.A. General Degree, B.A. Integrated Studies, B.A. Advanced degree, or a B.A.Honours degree are encouraged to consult with an academic advisor in the Faculty of Arts, Student Advising Services.

In selecting your course of studies, remember that it is your responsibility to ensure that you:

- Meet the requirements for the degree;
- Meet the course prerequisites;
- Observe any restrictions with respect to the courses.

6.2 (a) Declaring or Modifying Your Major or Minor in the B.A. General Degree

All students are encouraged to declare their intended Major and Minor subject fields at the earliest point of eligibility. Being attached to, and understanding the requirements of, the Major is one way to ensure students get on track early and stay there.

If you have previously declared a Major and a Minor, Aurora Student will confirm this information and no further action will be necessary.

To confirm your eligibility to declare a particular Major and/or Minor and to obtain information on current Major/Minor departmental requirements, see the departmental sections of the Undergraduate Calendar.

Students in the Faculty of Arts are required to declare both a Major and a Minor field of study at the point in time when they have completed (or have registered for) two thirds of a General degree program (i.e. 60 credit hours). Aurora Student will prompt for the declaration of a Major and Minor and will not permit further registrations until the declaration is made.

While students may not intend to complete a B.A. General degree (e.g. a student plans to transfer to another Faculty or School), the Faculty of Arts still requires a Major and Minor declaration at the point at which 60 credit hours is reached. It should be noted that if a student changes their mind with respect to their Major and/or Minor selection, they will be allowed to change their original selection. In order to enter or modify a Major or Minor, students can go to the “Declarations” tab after logging in to Aurora.
Students in the B.A. General degree may declare a double Major in lieu of a Minor. Students who wish to complete a double Major must complete a form in person in the Faculty of Arts Student Advising Services Office or on-line. A double major program is available in the B.A. Advanced degree program for certain disciplines. Please contact the Arts General office for information.

NOTE:
Not all Majors and Minors are available through Aurora Student. Consult the Faculty of Arts, Student Advising Services for the procedure to declare areas that are not available to Aurora Student (e.g., Minor in Business).

Minor programs offered by other Faculties and Schools that are not listed in the Faculty of Arts chapter of the Academic Calendar may also be available to Arts students. Consult with an academic advisor in the Arts General Office.

Students in an Honours program may choose to complete a Minor and should consult an academic advisor in the Faculty of Arts, Student Advising Services.

If registration difficulties occur with a certain Major/Minor combination, students are to contact the Faculty of Arts, Student Advising Services for assistance.

### 6.2 (b) Declaring your Concentration in the B.A. Integrated Studies Degree

Students in the B.A. Integrated Studies degree program must contact the Faculty of Arts, Student Advising Services at (204) 474-9100 to declare their Concentration. These declarations may also be emailed to arts_inquiry@umanitoba.ca or faxed to (204) 474-6430.

### 6.3 New Advanced Degree Students

Between the time final grades are issued in early June and the start of registration, students who wish to enter the Advanced program are encouraged to review the entrance requirements in the Academic Calendar and if eligible, report to the Faculty of Arts, Student Advising Services in person to apply.

### 6.4 Management or Business Minor/Concentration (B.A. Integrated Studies) Students

Students who wish to declare a Minor in Management must report to the Faculty of Arts, Student Advising Services commencing June 28, 2019. Students are advised to consult the University of Manitoba Academic Calendar for conditions of admission prior to application.

- To qualify for entry to the Management Minor, students must have completed 6 credit hours of Management courses with a grade of ‘C’ or better.
- Registration in the Management Minor has limited space and is available on a first come, first served basis only. Prerequisites, where they exist, must be met.
- Once students have been admitted to the Management Minor, they may register for Management courses commencing on their stated registration date. Such students must provide the Faculty of Arts, Student Advising Services, prior to their registration date, a list of the Management courses in which they wish to register so that the necessary overrides can be entered to permit registration in those particular courses.
- Arts students who have not been admitted to the Management Minor may register for Management courses commencing early August. Students should contact the Faculty of Arts, Student Advising Services at (204) 474-9100 for the specific date.

Arts students who have previously been admitted to the Management Minor/Concentration (B.A. Integrated Studies) program may register for Management courses commencing on their stated registration date. Such students must provide the Faculty of Arts, Student Advising Services a list of the Management courses in which they wish to register prior to their registration date.

### SECTION 7: Challenge for Credit

#### 7.1 Regulations

**Purpose**

The opportunity to challenge a course for credit provides students of the university with a means of obtaining academic credit in university courses without attending classes or laboratories or transferring credit from other institutions. The knowledge and competence underlying the academic credit thus obtained may have arisen either from practical training and experience or from reading and study. Its acquisition may have either antedated or followed registration at the university.

**General**

Only the courses listed in section 7.2 (below) are available for challenge. If you wish to challenge courses for credit, prior to registering you must obtain an “Application to Challenge for Credit” from the Faculty of Arts, Student Advising Services and then obtain written approval from the department offering the course.

The final date to register and pay fees for challenge for credit courses where the final examination is held during the December series is end of the Fall Term revision period.

The final date to register and pay fees for challenge for credit courses where the final examination is held during the April series is the end of the Winter Term revision period.

Since approval of challenge for credit courses requires consent of the department offering the course and of the Faculty, students are advised to begin the process as early as possible.

Tuition fees for students wishing to challenge for credit are one-half the fees normally associated with the course.
If you intend to challenge courses for credit, note the university Senate approved regulations as well as the Faculty regulations governing challenge for credit which are listed below:

**Senate Regulations**

1. Application for challenge for credit in a given course in a given challenge period shall not be accepted by the university unless the applicant has at the time of application been admitted to or is registered in a program of a Faculty or School of the university, the Faculty or School officially counts the course in question as one that may be offered to qualify for the degree associated with the program, and the course is open for challenge in the challenge period.

2. An application for challenge for credit in a given course in a given challenge period shall not be accepted by the university unless it has the approval of the student's dean or director.

3. No student shall be allowed more than one challenge per course.

4. No student may challenge a course while on academic probation/warning or suspension.

**Faculty Regulations**

1. Students may offer at most 30 credit hours on the basis of challenge for credit (including transfers of credit of challenge for credit) to qualify for either the B.A. General, B.A. Advanced, B.A. Honours or B.A. Integrated Studies degrees.

2. Credit in any course beyond the 1000 level obtained by challenge for credit does not fulfill the B.A. Honours degree requirements without the written approval of the Honours department(s) involved.

3. Failed challenges for credit are to count in any B.A. program and so far as student progress is concerned are to count the same way as failed courses not challenged for credit.

4. A student may not register to challenge any given Arts course for credit if the student is concurrently or was previously registered (registered in the sense that the student's history does or will record the registration) in the same, equivalent, or mutually exclusive course (two Arts courses are equivalent or mutually exclusive if either the Academic Calendar prohibits holding credit in both courses, or the courses are deemed equivalent by the department concerned). One exception to this rule is permitted: a student who previously challenged a given Arts course for credit and then duly voluntarily withdrew may again challenge the course or an equivalent.

**Method of Evaluation**

1. All methods of evaluation for challenges for credit must include a written, supervised examination (not a "take-home" examination and not an examination of which the questions are made available prior to the time the examination is written) that lasts at least two hours and that counts for more than 50 per cent of the final grade. (Such an examination is referred to as the final examination for challenge for credit. It may count for as much as 100 per cent of the final grade.)

2. The final examination shall be scheduled in the final examination period in question. The examination may be scheduled and administered by the Registrar, scheduled and administered by the department, or scheduled by the Registrar and administered by the department. If scheduled by the Registrar, the examination must be of two, three or four hours duration at the discretion of the department.

3. In addition to the final examination, additional course work may also be required, either other examinations (e.g. a laboratory examination) or essays or exercises or projects. All such other examinations shall be held in the challenge period in question as scheduled by the department involved and shall be administered by the department involved. Required work other than tests or examinations must be submitted to the department before or during the challenge period in question in accordance with deadlines set by the department involved.

4. Students registered for a challenge for credit may voluntarily withdraw in the usual way and in conformity with the following deadlines: For the December challenge period, the challenge VW deadline is the VW deadline for Fall Term courses. For the April challenge period, the challenge VW deadline(s) are the applicable VW deadline for spanned or Winter Term courses.

5. The final grades reported for challenge for credit students are to be the customary letter grades or procedural grades now in use in Arts, are to be determined in accordance with the same marking standards used for non-challenge students in the same course, are to be reported on final grade mark registers in the usual way, and will show on official transcripts in the usual way except that an accompanying grade mode of "C" for "challenge for credit" will always appear — even if the official transcript shows VW (Voluntary Withdrawal). Moreover, the procedural final grades of "I" (Incomplete) accompanied by a letter grade, "NP" accompanied by a letter grade, and "I" and "NP" accompanied by a letter grade may be used on the final grade registers in the usual way for challenge for credit students. (In connection with incompletes, such may be awarded for courses challenged for credit only if course work in addition to the final examination for challenge for credit was required by the department but not completed in conformity with its schedule/deadlines, the student requests on or before the end of the challenge period in question an incomplete from the department head, and the department head judges that the student has an acceptable excuse.)

**Departmental Approval**

When courses are open for challenge for credit, but require departmental approval of the student's request to challenge, the department may exercise its discretion for any of various reasons not herein delimited.

### 7.2 Available Courses: Challenge for Credit

None of these challenge for credit course sections are available for Aurora Student registration. Students who wish to challenge for credit must report to Faculty of Arts, Student Advising Service to apply and have their registration processed.

**SECTION 8: Information Concerning Electives**

Students seeking electives from different disciplines in order to complement a particular Major or Minor should refer to the Academic Calendar, Faculty of Arts Academic Advisors, and staff and faculty located in the departmental offices.

**SECTION 9: Courses Offered by Other Faculties and Schools Acceptable for Credit in the Faculty of Arts**

All degree credit courses offered by other Faculties or Schools at the University of Manitoba are acceptable for credit in Arts (excluding Pass/Fail courses) subject to the Faculty of Arts overall degree requirements. Such courses taken prior to admission to Arts will be included on transfer and will also be used in determining eligibility for admission.

Students should note that written permission from the Faculty or School offering the course may be required.

**SECTION 10: Class Schedule**

For class schedule information, please refer to the applicable section on the web.

If you have any questions regarding the information found within the class schedule, contact the Faculty of Arts General Office.

**Changes to the Class Schedule**

As the class schedule is assembled a considerable time before the opening of the Fall/Winter Terms, the Faculty reserves the right to make changes without notice, including cancellation and addition of courses and/or sections.

If a course or section you have registered in is subsequently cancelled, there will be a refund of fees (where applicable) and the Arts General Office will make every attempt to contact you. You may then choose a course and/or section to replace the cancelled one.

**SECTION 11: College Membership and Academic Programs**

11.1 St. John’s College

St. John’s College was established in 1866 and later became one of the founding colleges of the University of Manitoba. It offers courses to students from all faculties and schools. These courses are accredited by the University of Manitoba degree granting programs and they are taught by College Fellows. Students who wish to learn in small classes in a community atmosphere, which includes a student residence, are encouraged to apply. For information, contact the College Registrar, at 204-474-8520.

11.2 St. Paul’s College

St. Paul's College is the Catholic College at the University of Manitoba. Since 1970, its academic programs have been integrated with those of the university. Its faculty members belong to the departments of the university; its students may take any academic program offered by the university.
SECTION 12: Approved Teaching Centres

Students who wish to and who are eligible to cross register for courses taught at the following location(s) should contact the relevant centre or the Faculty of Arts, Student Advising Services regarding the courses to be taught and the registration procedures to be followed. Information should be available approximately mid-July.

Approved Teaching Centres:
Prairie Theatre Exchange, 3rd Floor Portage Place
