

APPLIED HEALTH SCIENCES PH.D. INTERNAL PROGRAM APPROVAL FORM

Student Name _____ Student # _____ Admission Date: _____

E-mail: _____ "Home" Unit: _____

All students are required to successfully complete [GRAD 7500](#) Academic Integrity Tutorial (0 credit hours) within their first term of initial registration. Students must also register for [GRAD 7300](#) prior to applying to any ethics boards which are appropriate to the student's research or within the student's first year, whichever comes first.

The course-work requirement will consist of a minimum of twelve credit hours of 7000-level course-work. Of these 12 credit hours: Students will be required to take AHS 7000: Research and Practice in Applied Health Sciences, a lecture/seminar course in which faculty members from the participating academic units take part (3 credits). •Nine credit hours may be chosen from a combination of graduate courses from the participating units or from other faculties outside the participating units that offer graduate courses related to applied health sciences. Courses must be selected by the student in consultation with the advisor. All courses must be recorded on the "AHS Internal Program Approval Form", and submitted to the AHS Program Assistant for approval by the AHS Program Director.

Program of Study (minimum 12 credit hours or 18 credit hours)	Cr. Hrs.	Faculty/Unit	Term /Year
REQUIRED: Total = 3 credit hours			
GRAD 7080 Doctoral Re-registration	0	Graduate Studies	
AHS 7000 Research & Practice in Applied Health Sciences	3	Applied Health Sciences	
AHS 7002 AHS Seminar I (Year 1)	0	Applied Health Sciences	
GRAD 7300 Research Integrity Tutorial	0	Graduate Studies	
GRAD 7500 Academic Integrity Tutorial	0	Graduate Studies	
AHS 7004 AHS Seminar II (Year 2)	0	Applied Health Sciences	
<p>Students who do not have a research-based Master's degree must complete an additional 6 credit hour course in their first two terms of study: AHS 7010 Experiential Research in Applied Health Sciences (thus a minimum of 18 credit hours will be required). This research-intensive course will be tailored specifically to meet the needs of individual students, and will be developed and supervised by the advisor. A Progress Report must be submitted to the Faculty of Graduate Studies at the end of each term that the student is registered in AHS 7010.</p>			
AHS 7010 Introductory Research Project in Applied Health Sciences	6	Applied Health Sciences	
ELECTIVE: Total = 9 credit hours (choose three 3 credit hour courses)			
Course #	3		

Note: Only courses listed on the Program Approval form will be credited to the student's program of study. All courses must be approved by the student, advisor, and Director of the Applied Health Sciences Ph.D. program.
