Program Guide for 2021/2022
Returning Students

Program (Check all that apply)
- Health Sciences
- Health Studies
Concentrations:  
  - Biomedical
  - Health Policy, Planning and Evaluation
  - Health Promotion and Education
  - Family Health

You must complete and return this form before you will be able to register for the 2021-2022 session. Email is the preferred options. Email:
Alisa.Claman@umanitoba.ca
Karen.Holmes@umanitoba.ca

**DEADLINE: JUNE 18, 2021**

To graduate: Students must complete the 120 credit hours outlined in the Undergraduate Calendar to meet degree requirements (program advising info available from the Advisor). All of the components must be passed, with a degree grade point average of at least 2.50.

Note the following information regarding program completion:

- **Core Courses:** HEAL 2600, HNSC 2000, and HEAL 3000. **Hint:** HNSC 2000 is the written requirement for all students.

- **Required Courses:** See program requirement handout from your program. Also available on our website. **Hint:** STAT 1000 is the math requirement for all students.

- **Free Electives:** Your choice – check the Undergraduate Calendar for any prerequisites. Also note that your program may include suggestions in the program requirement hand-out they have prepared.

.........please turn over
COURSES FOR 2021-2022 REGISTRATION
For Returning Students

Please note that we will be using your e-mail address to send reminders and information at key points in the year. Please check regularly.
