S. Michelle Driedger, BA (Hon) (Winnipeg), MA (Carleton), PhD (McMaster)  MSc & PhD  Michelle.Driedger@umanitoba.ca

Professor
Research Interests: metis health; decolonizing methods; public health and health risk communication; vaccine-hesitancy; doctor-patient conversations; qualitative methods; knowledge transfer in situations characterized by uncertainty; critical social science

Karen Duncan, BSHEc (Saskatchewan), MS, PhD (Ohio State)  MSc & PhD  Karen.Duncan@umanitoba.ca

Associate Professor
Research Interests: family financial and economic security; family/friend caregiving; consumer insolvency; valuation of time; work-family interrelationships

Andrew Hatala, PhD (University of Saskatchewan)  MSc & PhD  Andrew.Hatala@umanitoba.ca

Assistant Professor
Research Interests: indigenous or traditional forms of medicine and healing; youth resilience and well-being; culture and spirituality; qualitative health research; community-based research

Depeng Jiang, MSc, PhD (Southeast University)  MSc & PhD  Depeng.jiang@umanitoba.ca

Associate Professor
Person-centered statistical approach in health science; clinical trial design and intervention evaluation; latent variable analysis and structure equation model (SEM); longitudinal data analysis and multilevel model; Statistical models for behavioral data and computational methods.

Sara Kreindler, BA (Hons) (Manitoba), DPhil (Oxford)  MSc & PhD  Sara.Kreindler@umanitoba.ca

Assistant Professor
Research Interests: health services research; program evaluation; knowledge translation; mental health patient flow (population-capacity-process model); system change (stipulation-stimulation model); arts-based research; social identity dynamics in healthcare organizations

Josée G. Lavoie, BSc, MA (McGill), PhD (London)  MSc & PhD  Josee.Lavoie@umanitoba.ca

Director, Ongomiizwin Research Professor

Research Interests: contracting in health; equity; indigenous health; primary health care; community-based research; health care policy; international comparisons; financing; case study methodology
Lisa Lix, BSCHeC (Saskatchewan), MSc, PhD (Manitoba) MSc & PhD Lisa.Lix@umanitoba.ca
Professor
Research Interests: methods for data quality assessment; chronic disease surveillance methods; risk prediction models; analysis of longitudinal / repeated measures patient-reported outcome (PROMs) data; health services research methodology; robust statistics

Alyson Mahar BSc (Hon.) (Acadia University), MSc (Queen’s University), PhD (Queen’s University) MSc & PhD Alyson.Mahar@umanitoba.ca
Assistant Professor
Research Interests: health equity, cancer epidemiology, cancer care, health services research, epidemiological methods, mental health, military families, veteran health and wellbeing

Deborah McPhail, BA (Manitoba), MA (Toronto), PhD (York) MSc & PhD Deborah.McPhail@umanitoba.ca
Associate Professor
Research Interests: health inequity; critical obesity studies; qualitative and feminist research methods; social theories of health and illness; gender studies / gender and health; critical race theory; colonialism in health and illness; globalization and health; class structures and health inequalities

Javier Mignone, MA (Alberta), PhD (Manitoba) MSc & PhD Javier.Mignone@umanitoba.ca
Professor
Research Interests: social determinants of health; indigenous health; intercultural health; mental health; program evaluation; construct measurement

Nathan C. Nickel, MPH (University of California, Los Angeles), PhD (University of North Carolina) MSc & PhD Nathan.Nickel@umanitoba.ca
Associate Professor
Research Interests: areas of specialty maternal and child health; mental health and addictions; health equity; program/policy evaluation; causal inference; health services; structural and social determinants

Caroline Piotrowski, BA (Hons) (Waterloo), MA (Waterloo), PhD (Penn State), MPH (San Diego State) MSc & PhD Caroline.Piotrowski@umanitoba.ca
Associate Professor
Research Interests: effects of childhood exposure to intimate partner violence; sibling relationships; trauma and resilience posttraumatic growth; medical trauma and family psychosocial wellbeing; trauma-informed care; violence and injury prevention

Kerstin Roger PhD (Toronto) MSc & PhD Kerstin.Roger@umanitoba.ca
Professor
Research Interests: Health and aging; caregiving and family/community interface with healthcare/ nursing home; determinants of health (gender) and chronic health across the lifespan; wellness outside the health care system; qualitative / mixed methods; camerawork and value of visual data in research.
Souradet Shaw, BA, MSc, PhD (Manitoba) MSc & PhD Sourdet.Shaw@umanitoba.ca
Assistant Professor
Sexually transmitted and bloodborne infections; global public health; social epidemiology; public health surveillance; vulnerable populations.

Shahin Shooshtari, BSc (Iran), MSPH (Iran), PhD MSc & PhD Shahin.Shooostari@umanitoba.ca (Manitoba) Professor
Research Interests: longitudinal research; aging; intellectual and developmental disabilities; community health assessment

Mahmoud Torabi, BSc, MSc (National University of Iran), PhD (Carleton) MSc & PhD Mahmoud.Torabi@umanitoba.ca Associate Professor
Research Interests: Biostatistics; cluster detection; longitudinal data analysis; small area estimation; spatial statistics; survival data analysis

Marcelo L. Urquia, MSc, PhD (University of Toronto); MSc & PhD Marcelo.Urquia@umanitoba.ca Research Scientist, MCHP Associate Professor
Research Interests: maternal and child health; perinatal epidemiology; immigration and ethnic diversity; domestic violence; health equity; gender equity; health services research; sociocultural determinants of health and wellbeing; applied population health

Elizabeth Wall-Wieler, BSc, MSc, PhD (Manitoba), MSc & PhD Elizabeth_Wall-Wieler@cpe.umanitoba.ca Assistant Professor
Research Interests: Maternal and Child Health, Child Welfare, Mental Health, Perinatal Epidemiology, Data Curation.
PART TIME FACULTY MEMBERS

*The student's Advisor may be a part-time or adjunct member of CHS subject to requirements of the Faculty of Graduate Studies, and some of these may only be permitted in a Co-Advisory situation with a Full Time CHS Faculty member*

Songul Bozat-Emre, B.Sc. (Turkey), M.Sc. (Turkey), Ph.D. (Manitoba)  
Assistant Professor  

Research Interests: Pharmacoepidemiology, vaccine effectiveness and safety, severe outcomes associated with COVID-19, unintended impacts of COVID-19, harms associated with substance use, and population-based administrative data

Maryanne Crockett, BA (Queen’s), MD (Queen’s), FRCP (Dalhousie (Peds), University of Toronto (Peds ID)), FAAP, MPH (Johns Hopkins), DTM&H (Gorgas)  
Associate Professor  

Research Interests: Pediatric infectious diseases, global health, maternal, newborn and child health (MNCH), immigrant health

Aynslie Hinds, BAH & BSc (University of Winnipeg) MSc, PhD (University of Manitoba)  
Assistant Professor  

Research Interests: population health intervention research, program evaluation and community-based research, mental health, housing and homelessness, residential mobility, adolescence

Esyllt W. Jones, MA (McGill), MA (Manitoba), PhD (Manitoba)  
Professor  

Research Interests: History of infectious disease in the modern world; history of health and healing professions; history of public health and medicare in Canada; history of health inequality and social movements

Ruth Ann Marrie, BSc, MD, MSc, PhD  
Professor  

Research Interests: Multiple sclerosis; clinical epidemiology; comorbidity, pediatric MS; health services research; patient-reported outcomes
Rasheda Rabbani, BSc and MSc (Statistics) MSc & PhD rasheda.rabbani@umanitoba.ca (Bangladesh), PhD (Agricultural Economics) (Japan)
Assistant Professor

Research Interests: Research design; Applied Biostatistics; Longitudinal data analysis; Systematic review, Meta-analysis, Trial sequential analysis, and Network meta-analysis with randomized control trials and observational studies

B.M. Ramesh, BA, MA, PhD (India) PhD Ramesh.banadakoppaManjappa@umanitoba.ca
Assistant Professor

Research Interests: Maternal, newborn and child health, HIV/AIDS, Global public health, program science

Margaret Haworth-Brockman, BSc (Manitoba), MSc (Manitoba) (Manitoba), MPH Senior Program Manager, National Collaborating Centre for Infectious Diseases Margaret.Haworth-Brockman@umanitoba.ca
Assistant Professor

Research Interests: sex- and gender-analyses, intersectionality, women’s health issues and related policies, perinatal care, knowledge translation, public health, infectious diseases

Razvan Romanescu, HBSc (Toronto), M.Math. MSc & PhD Razvan.Romanescu@umanitoba.ca (Waterloo), Ph.D. (Guelph)
Assistant professor

Research Interests: Statistical genetics; genetic epidemiology; methods to analyze -omics data; genetic testing in familial and unrelated samples; infectious disease models; biostatistics; pattern recognition

Kelly Russell, BSc (Alberta), MSc (Alberta), PhD (Calgary) MSc & PhD k russell@chrim.ca Robert Wallace Cameron Chair in Evidence Based Medicine Associate Professor

Research Interests: Sport-related injury; traumatic brain injuries; childhood injury; epidemiology

Deepa Sankaran, MSc (India), MPH (Waterloo), PhD (Manitoba) MSc & PhD Deepa.Sankaran@umanitoba.ca
Assistant Professor

Research Interests: maternal, neonatal and child health and nutrition, public health nutrition, implementation science, global health
Robert J Schrot DMD, MSc, PhD (Manitoba)  
Professor and Clinician Scientist, Research Scientist, 
Children's Hospital Research Institute of Manitoba

Research interests: early childhood caries, early childhood oral health, vitamin D, oral health, Indigenous child health, program evaluation, dental epidemiology

Reynold Washington Dipl NB, MD, MBBS (India). MSc & PhD reynoldgw@gmail.com 
Associate Professor

Research Interests: Infectious Diseases (HIV/AIDS, TB), MNCH, Health Services Training systems, Public Health Surveillance: India

February 1, 2021
