

Canada Emergency Response Benefit (CERB)

PREPARING TO REGISTER with 'MyAccount'

To register for the new Canada Emergency Response Benefit in April (Apr 6 is the target date) you will need a "MyAccount" with the Canada Revenue Agency.

While you wait:

1. If you already have a MyAccount (for income tax etc) check to make sure your information is up-to-date.
2. If you do NOT have a MyAccount and need to register for the first time:
 - Search for 'CRA MyAccount register' or go directly to www.canada.ca/en/revenue-agency/services/e-services/e-services-individuals/account-individuals.html
 - Go through the steps to set up MyAccount
 - They will send you a CRA security code so you can use MyAccount. It normally takes 1 to 2 weeks to mail it to you.
 - If you don't want to wait, call CRA 1-800-959-8281 to get the security code sent to you immediately by email – or over the phone.
 - Stay on the line until you can choose "MyAccount"
 - Then choose "Receive security code by email".
 - When the agent answers be ready with
 - ▶ your SIN #
 - ▶ tax assessment information for the last 2 years which you'll need to answer their security questions. The easiest way is to use the two page summary CRA sent you with totals for each year.
