

DEPARTMENT OF FAMILY MEDICINE GRAND ROUNDS

# A-dressing Wound Care: A Multi-Disciplinary Perspective

Thursday, November 26, 2020 @ 7:30 a.m. – 8:30 a.m.

Via Zoom for an interactive session: [Click Here to Access the Link](#)

(Meeting ID: 925 0733 8997 & Passcode: DFM\_s100)

or [Watch a Live Webcast via this link](#)

## Objectives:

- Develop an approach to assessing a wound
- Understand the common etiologies of a wound (venous, arterial, diabetic, pressure)
- Develop a management approach to wound healing with an understanding of when to consider debridement
- Know when to swab a wound and treat with antimicrobial therapy
- Have a basic understanding of the different types of dressings available and their utility
- Utilize a multi-disciplinary approach to wound healing.
