William and Olive Humphrys Scholarship for Actuarial Mathematics

In honour of her parents, William and Olive Humphrys, Barbara Humphreys (B.Arch./41) has established an endowment fund at the University of Manitoba. The Manitoba Scholarship and Bursary Initiative has made a contribution to the fund. The available annual interest from the fund will be used to offer one scholarship, with a minimum value of \$2,500, to an undergraduate student who:

- (1) has completed between 72 and 96 credit hours toward either a Bachelor of Commerce (Honours) or a Bachelor of Science (Honours) program and has declared either Actuarial Mathematics or Statistics - Actuarial Mathematics as his or her major;
- (2) in the next ensuing academic session, is enrolled full-time (minimum 24 credit hours) in the final year of his or her program;
- (3) has achieved a minimum degree grade point average of 3.5.

The selection committee will be named by the Dean of the I.H. Asper School of Business (or designate) and will include the Director of the Warren Centre for Actuarial Studies.

The Board of Governors of the University of Manitoba has the right to modify the terms of this award if, because of changed conditions, it becomes necessary to do so. Such modification shall conform as closely as possible to the expressed intention of the donor in establishing the award.
