### **JOHN AND KAREN FRIESEN BURSARY**

John (B.Comm.(Hons.)/69) and Karen (B.Ed./76) Friesen offer to provide annually a bursary of \$1000 (U.S.) to The University of Manitoba, beginning in the 1994-95 academic session. The bursary is to be offered to a full-time (minimum 80 percent course-load) undergraduate student, in alternate years, in the Actuarial Program in the I.H. Asper School of Business or in the Faculty of Education.

Selection is to be based on academic achievement (minimum 3.0 grade point average on at least one full year's work) and financial need (as demonstrated on the standard University of Manitoba Bursary application form). Preference will be given to students who graduated from Manitoba high schools outside of the City of Winnipeg.

The selection committee shall be named, in alternate years, by the Dean of the I.H. Asper School of Business or the Dean of the Faculty of Education.

Est. 05/94

Edit 09/2000 - name change of Faculty of Management
