

Award #15318 (entrance), #25319 (general), #25320 (actuarial)
FOAP # 624360 322000 416000 7000
Award type: bursary

Dackow Family Bursary

The Dackow family has created an endowment fund of \$150,000 at the University of Manitoba. The Manitoba Scholarship and Bursary Initiative has made a contribution to the fund. The available interest from the fund, including any annual and unspent revenue, will be used to support bursaries for students graduating from Wynyard Composite High School, Wynyard, Saskatchewan. One bursary valued at \$3,000 will be offered to an undergraduate student who:

- (1) has graduated from Wynyard Composite High School;
- (2) is enrolled in a minimum of 24 credit hours in University 1 or any direct entry program;
- (3) has achieved a minimum average of 70 percent on those courses considered for admission to the University;
- (4) has demonstrated financial need on the University of Manitoba bursary application form.

The award continues in the amount of \$3,000 in the second, third, and fourth years of study provided that the recipient:

- (1) is enrolled in a minimum of 24 credit hours in any Faculty or School at the University of Manitoba;
- (2) has achieved a minimum cumulative grade point average of 2.5;
- (3) continues to demonstrate financial need on the standard University of Manitoba bursary application form.

The award continues in the amount of \$6,000 in the second, third, and fourth years of study where the recipient:

- (1) is enrolled in a minimum of 24 credit hours in either the B.Comm. (Honours) or the B.Sc. (Honours) program and has declared Actuarial Mathematics as his/her first major;
 - (a) is in the second year of study and has registered for a minimum of 6 credit hours of Actuarial courses at the 2000 level (ACT 2000 – 2999); OR
 - (b) is in the third year of study and has registered for and a minimum of 9 credit hours of Actuarial courses at the 3000 level (ACT 3000 – 3999); OR
 - (c) is in the fourth year of study and has successfully completed 9 credit hours of Actuarial courses at the 3000 level (ACT 3000 – 3999);
- (2) has achieved a minimum cumulative grade point average of 2.5;
- (3) continues to demonstrate financial need on the standard University of Manitoba bursary application form.

The value of the award will be adjusted to \$3,000 if the recipient of a full scholarship withdraws from Actuarial Mathematics in the third or fourth year of study provided that the recipient has met the renewal criteria set out in the second paragraph.

In the event that a recipient does not qualify for continuation of the award, the University may select another qualified student to receive the funds that would have been awarded to the initial recipient.

The selection committee shall be named by the Director of Financial Aid and Awards and shall include a member of the Dackow family.

Established: Senate, October 3, 2007
