

Mid-Term Report Topics for Outgoing Exchange Students

ASPER
SCHOOL OF
BUSINESS
Faculty of Management

Please include the following information on your report:

- Name
- Partner School
- Study Term (ie. Fall 2012)
- Term Dates

1. GETTING THERE

- Explain the visa process for this country, what is involved with the application process?
- What type of Health Insurance did you purchase for the trip if any?
- Was there an orientation, language classes etc.
- How did you get to your destination?
- Were there any problems?
- What suggestions do you have about getting to your destination?

2. BUDGET

Please outline the costs incurred by the exchange. Was there a difference between the original budget on your application and the actual costs?

Please include the following information:

Airfare cost
Housing
Food
Insurance
VISA
Other (please specify)

3. ACADEMICS

- What courses did you take? Would you recommend them?
- Is there a registration revision period? When did you register for classes?
- What was involved in the courses? (i.e. tests, assignments, readings, etc.)
- Are there other courses you wish you had taken?
- How is the education system where you are different from Asper?
- How do the professors interact with the students?

3. DAY TO DAY LIVING

- Where are you living? Would you recommend it?
- What other living options are there for exchange students?
- How does a person open a bank account? Get internet services?
- Where do you shop for groceries?
- Where do you shop for other items?
- Do you go out to eat? If so, where?
- What do you do for entertainment?
- How do get around the city?
- Is there anything you really miss from home?

- Is there anything you would advise a student from Asper to bring?

4. TRAVEL

- Did you do any traveling? If so, where? How did you travel?
- What destinations do you recommend?
- What modes of travel do you recommend?

5. OTHER

- Have you experienced any surprises? If so, what were they?
- Did you have any culture shock? If so, how?
- Have you had any language problems?
- Would you recommend the Asper exchange program to other Asper students? Why?
- Is there any other advice you would give to someone from the Asper School who is thinking about attending the same exchange partner?
