

## CURRICULUM VITAE

**NAME:** Thomas F. Hack, Ph.D., C.Psych.

**PRESENT TITLE AND AFFILIATION:**

Primary Academic Appointment:

Professor, College of Nursing, Faculty of Health Sciences, University of Manitoba, Winnipeg, Manitoba, Canada, 2010-present.

Concurrent Dual/Joint Appointments:

Senior Scientist, Research Institute in Oncology and Hematology (RIOH) at CancerCare Manitoba, Winnipeg, Canada, 2016-present

Visiting Professor, University of Central Lancashire, UK, 2013-present

Professor, Faculty of Graduate Studies, University of Manitoba, Winnipeg, Manitoba, Canada, 1999–present

Honorary Research Associate, Division of Cancer Experiences Research, Peter MacCallum Cancer Centre, Melbourne, Australia, 2013-present

**HOME ADDRESS:**

380 Centennial Street, Winnipeg, Manitoba, R3N 1P5, Canada

**OFFICE ADDRESS:**

Psychosocial Oncology and Cancer Nursing Research, Asper Clinical Research Institute, Room CR3018, 369 Taché Avenue, Winnipeg, Manitoba R2H 2A5, Canada

**EDUCATION:**

Degree Granting Education:

1994, DOCTORATE OF PHILOSOPHY, Faculty of Graduate Studies, University of Manitoba

1993-1994, Harvard Medical School/McLean Hospital, Belmont MA  
- Pre-doctoral Clinical Psychology intern

1991, MASTER OF ARTS, Faculty of Graduate Studies, University of Manitoba

1988, BACHELOR OF SCIENCE (First Class Honours), Faculty of Arts and Science, University of Calgary

1985, BACHELOR OF COMMERCE (Distinction), Faculty of Commerce,  
University of Saskatchewan

Postgraduate Training:

1994-1995, Toronto Hospital, Toronto, Ontario - Post-doctoral research fellow

1994, Harvard Medical School/McLean Hospital, Belmont, MA  
- Post-doctoral fellow in Clinical Psychology

**PREVIOUS APPOINTMENTS:**

Academic Appointments:

Affiliate Scientist, Manitoba Palliative Care Research Group, 2003-2016

Associate Professor, Faculty of Nursing, University of Manitoba, Winnipeg, Manitoba,  
Canada, 2005-2010.

Assistant Professor, Faculty of Nursing, University of Manitoba, Winnipeg, Manitoba,  
Canada, 2000-2005.

Assistant Professor, Dept. of Clinical Health Psychology, Faculty of Medicine, University of  
Manitoba, Winnipeg, Manitoba, Canada, 1997–2015.

Honourary Professor, University of Central Lancashire, UK, 2011-2013

Affiliate Scientist, Centre for Behavioural Research and Program Evaluation, Faculty of  
Applied Health Sciences, University of Waterloo, Waterloo, Ontario, Canada, 2003–2009.

1996-1998, Assistant Professor, Dept. of Family Medicine, Faculty of Medicine,  
University of Manitoba, Winnipeg, Manitoba, Canada

1995-1998, Assistant Professor, Dept. of Psychology, University of Manitoba,  
Winnipeg, Manitoba, Canada

1993-1994, Clinical Fellow, Harvard Medical School, Cambridge, MA, U.S.

Clinical Appointments:

2000-2013, Clinical Psychologist, Dept. of Patient and Family Support Services, CancerCare  
Manitoba, Winnipeg, Manitoba, Canada

Academic Administrative Appointments:

1996-1998, Behavioural Scientist, Department of Family Medicine, University of Manitoba, Winnipeg, Manitoba

- Responsibilities include establishing a research program for the department; facilitating the research efforts of department faculty, medical residents, and B.Sc. medical students; teaching

#### **HONOURS AND AWARDS:**

2017, Brain Tumour Foundation of Canada Award in Support of Psychosocial Oncology Excellence (Value - \$1,500)

2017, Faculty of Graduate Studies, University of Manitoba, nominated for University of Manitoba Graduate Students' Association Award for Excellence in Graduate Student Mentoring

2016, Researcher-in-Residence, University of Sydney, Australia, April 11-15<sup>th</sup>.

2013-present, Visiting Professor, University of Central Lancashire, UK

2011-present, Honourary Professor, University of Central Lancashire, UK

2012-2016, Research Chair in Psychosocial and Supportive Care Oncology Research, Canadian Breast Cancer Foundation (Prairies/NWT Division) (Value - \$600,000 over 3 years)

2013-2016, Honourary Research Associate, Division of Cancer Experiences Research, Peter MacCallum Cancer Centre, Melbourne, Australia

2014, University of Manitoba Faculty Association Merit Award for Research in 2013 (Value - \$3,000)

2014, Canadian Association of Psychosocial Oncology, Award of Excellence in Research

2013, Accepted into KT Canada network of Canadian experts in knowledge translation.

2009, Certificate of Appreciation for Research Accomplishment, Canadian Cancer Society Research Institute

2008, CancerCare Manitoba, Distinguished Board Service Award

2007, Travel Bursary, Canadian Prostate Cancer Research Initiative (Value - \$1,000)

2006, University of Manitoba Faculty Association Merit Award for Research in 2005 (Value - \$3,000)

2006, Travel Award, University of Manitoba, Faculty of Medicine (Value - \$1,500)

2000-2006, Dorothy J. Lamont Award, Canadian Institutes of Health Research and National Cancer Institute of Canada. This award is given annually to the individual having the highest rank among the NCIC Personnel Awards winners.

2000-2006, Research Scientist Award, National Cancer Institute of Canada and Canadian Institutes of Health Research. Value: Salary support

2004, International Travel Award. Agency, Social Sciences and Humanities Research Council (Value - \$1,760)

2004, Certificate of Achievement for Research Accomplishment, Manitoba Science and Technology

2002, Golden Jubilee Medal, at the occasion of the 50<sup>th</sup> anniversary of the accession of Queen Elizabeth II. Given in recognition of service to the Canadian Cancer

Society. Agency: Governor General of Canada  
 1993, Medical Research Council of Canada Studentship Renewal (Value - \$15,695)  
 1992, Medical Research Council of Canada Studentship Renewal (Value - \$15,695)  
 1992, Manitoba Health Research Council Studentship - declined (Value - \$14,265)  
 1991, Medical Research Council of Canada Studentship (Value - \$15,695)  
 1991, Graduate Fellowship, University of Manitoba - declined (Value - \$10,000)  
 1990, Manitoba Health Research Council Studentship Renewal (Value - \$13,850)  
 1989, Manitoba Health Research Council Studentship (Value - \$12,755)  
 1988, Award for Highest Grade Point Average among Psychology Honours Students,  
 University of Calgary  
 1987, Gulf Centennial Scholarship, University of Calgary (Value - \$1,850)  
 1987, Merit Award, University of Calgary (Value - \$250)  
 1982 & 1984, Undergraduate Award, University of Saskatchewan (Value - Tuition)  
 1981, St. Thomas More College First Year Scholarship, University of Saskatchewan  
 (Value - Tuition)

## RESEARCH:

### Grants and Contracts (Currently Funded):

**Hack, T.F.**, Ruether, J.D., Pitz, M., Degner, L.F. Impact of treatment consultation recordings on cancer patient outcomes: A prospective, parallel, randomized controlled trial. Canadian Institutes of Health Research. April 1, 2013 – March 31, 2018. Total: \$178,590.

**Hack, T.F.** Consultation recording in oncology research grant. St. Boniface Hospital Foundation. October 24, 2016 – October 23, 2017. \$23,250.

**Hack, T.F.** Consultation recording grant. St. Boniface Hospital Foundation. June 1, 2014 – May 31, 2018. \$100,000.

Sinclair, S., **Hack, T.**, Sawatzky, R, Barwich, D., Baxter, S., Chochinov, H., Cory, S., Dudgeon, D., Embleton, L., Forbes, H., Garland, E., Hagen, N., Harlos, M., Heyland, D. Krawczyk, M., Lechelt, L., Leget, C., McClement, S., Puchalski, C., Hail, P., Raffin-Bouchal, S., Russell, L., Selman, L., Singh, P., Sinnarajah, A., Stajduhar, K., Thompson, G., Development and Validation of a Patient-Reported Measure of Compassionate Care. Canadian Institutes of Health Research Project Scheme Grant. July 1, 2016 – June 30, 2020. Total: \$638,356 (4 years).

Butow, P., Andrews, G., Girgis, A., Kelly, B., **Hack, T.**, Clayton, J., Price, M., Beale, P., Viney, R., Kirsten, L. A sustainable and supported clinical pathway for managing anxiety and depression in cancer patients: Developing and evaluating components and testing implementation strategies. Cancer Institute New South Wales Translational Program Grant. April 1, 2015 – March 31, 2020. Total: \$3,643,992. Y1 \$730,264; Yr2 \$717,465; Yr3 \$724,127; Yr 4 \$745,737; Yr 5 \$726,398

Thompson, G., McClement, S., Chochinov, H.M., **Hack, T.F.**, Funk, L., Harlos, M., Labun, N., Pereira, A. Excellence in delivering person-centered intimate care: What makes the difference? Canadian Institutes of Health Research, October 1, 2014 –September 30, 2018. Total: \$519,912.

McLeod, D. (PI), Sullivan, V., Esplen, M.J., Anderson, J., Boucher, S., Fillion, L., Fitch, M., Fitzgerald, B., **Hack, T.**, Howell, D., Loewen, R., Sabo, S., Taylor-Brown, J., Wiebe, V., Wong, J. Improving distress management knowledge and skills for oncology nurses: A Pan-Canadian knowledge translation study. Canadian Institutes of Health Research (CIHR) Partnerships for Health System Improvement (PHSI). July 1, 2013 – March 31, 2018. Total: \$599,865.

McLeod, D., Esplen M.J., **Hack, T.F.**, Howell, D., Fillion, L., Watson, L. Improving patient outcomes: A pan-Canadian knowledge translation strategy to advance oncology professionals' distress management knowledge and skills. Canadian Partnership Against Cancer. January 1, 2014 – December 31, 2017. Total: \$1,875,000.

McClement, S., Chochinov, H.M., **Hack, T.F.**, Lobchuk, M., Thompson, G., Harlos, M. Explanatory models of cancer anorexia-cachexia syndrome: Family members' perspectives. Canadian Institutes of Health Research. April 1, 2014 – March 31, 2018. Total: \$178,529.

#### Grants and Contracts (Previously Funded):

Sinclair, S., Chochinov, H. M., **Hack, T.**, Hagen, N. A., McClement, S., Raffin-Bouchal S., Stajduhar, K. Healthcare providers' understandings and experiences of compassion: Improving the delivery of healthcare services to Albertans from the inside-out. Medical Services Incorporated (MSI) Foundation of Alberta. August 1, 2015 – July 31, 2017. Total: \$98,000.

Schofield, P., Butow, P., **Hack T.F.**, Tattersall, M., Hale, S, Jefford, M. Improving communication outcomes for migrant cancer patients. National Health and Medical Research Council of Australia (Grant #1047416). November 1, 2012 – June 30, 2017. Total: 609,493 (AUD); 624,987 (CAD).

Decker, K., Pitz, M., Czaykowski, P., Singh, H., **Hack, T.**, Turner, D. A population-based prospective intervention to evaluate the effectiveness of cancer patient navigation. Canadian Institutes for Health Research - Partnerships for Health System Improvement for Cancer Control operating grants competition. December 16, 2016 – June 30, 2017. Letter of Intent funded for \$16,727.

Chochinov, H., Pitz, M., Thompson, G., **Hack, T.**, McClement, S. Connecting patients and healthcare providers: Developing and implementing a web-based platform to elicit personhood within the oncology setting. Canadian Institutes of Health Research - Partnerships for Health System Improvement for Cancer Control operating grants competition. December 16, 2016 – June 30, 2017. Letter of Intent funded for \$19,943.

**Hack, T.F.** Oncology research grant. St. Boniface Hospital Foundation. April 22, 2016 – April 21, 2017. \$9,300.

Loiselle, C.G., Bottorff, J.L., **Hack, T.F.**, Carlson, L., Maunsell, E., Howell, D., Oliffe, J., Grunfeld, E. PORT: Psychosocial oncology research training program (PORT): A renewal application. Strategic Training Initiative in Health Research (STIHR) Canadian Institutes of Health Research. April 1, 2009 – March 31, 2017. Total: \$1,950,000.

Hamilton, R., Thomas-MacLean, R., **Hack, T.F.**, Morrison, T., Duggleby, W., Towers, A., Tilley, A., Quinlan, E., Tramonte, L. Addressing loss and fostering hope for New Brunswick cancer survivors with lymphedema: An intervention pilot study. New Brunswick Health Research Foundation Bridge Grant Program. April 1, 2015 – September 30, 2016. Total: \$24,965.

**Hack, T.F.** Research chair in psychosocial and supportive care oncology research, Canadian Breast Cancer Foundation (Prairies/NWT Division), September 1, 2012 – August 31, 2016. Total: \$600,000 over 4 years.

Thomas, R., Hamilton, R., Duggleby, W., **Hack, T.**, Morrison, T., Quinlan, E., Tilley, A., Towers, A., Tramonte, L. Testing an intervention to foster hope for cancer survivors with lymphedema. University of Ottawa Internal Bridge Funding Grant. February 1, 2015 – July 31, 2016, Total: \$9,578.

Thompson, G., Chochinov, H.M., **Hack, T.F.**, McClement, S., Rogers, K., & St. John, P. Developing a question prompt sheet for family caregivers of older adults with dementia in long-term care. Canadian Institutes of Health Research and the Manitoba Health Research Council. July 1, 2011- June 30, 2016. Total: \$152,054

Chochinov, H.M., McClement, S., **Hack, T.F.**, Thompson, G., Harlos, M., Lobchuk, M. Dignity talk: A phase-1 trial of a palliative care intervention for patients and their families. Canadian Institutes of Health Research. October 1, 2012 – September 30, 2015. Total: \$258,504.

Jardine, C., **Hack, T.F.** Consultation recording service implementation, evaluation and audit. CancerCare Manitoba Infrastructure Grant, July 1, 2014 – June 30, 2015. Total: \$20,000.

Sinclair, S., Chochinov, H., McClement, S. E., **Hack, T.**, Raffin Bouchal, S., Hagen, N. Understanding compassion at the end of life: Informing and shaping spiritual care. Canadian Institutes of Health Research. April 1, 2013 – September 30, 2014. Total: \$88,410.

Schofield, P., Butow, P., **Hack T.F.**, Jefford, M., Mileskin, L., Gough, K., Pollard, A., Couper, J., Hocking, A., O'Callaghan, C., Lethborg, C., Snyder, R., Castle, D., Mann, B., Holmes, A., Miller, J., Drummond, K., Seale, G., Dabscheck, A., Szandro, A., Judd, F., Stafford, L., Joubert, L., Kissane, D. ACCRUE: AdvanCing Consultation Recall and UndErstanding: Solving the barriers

and facilitators to intervention implementation. Victorian Comprehensive Cancer Centre. September 1, 2013 – August 31, 2014. Total: \$68,142 (AUD), \$68,133 (CAD).

Jardine, C., **Hack, T.F.** Consultation recording implementation and audit. CancerCare Manitoba Infrastructure Grant, July 1, 2013 – June 30, 2014. Total: \$18,487.

**Hack, T.F.**, Jardine, C. Consultation recording implementation and audit. CancerCare Manitoba Infrastructure Grant, November 23, 2012 – June 30, 2014. Total: \$18,487.

**Hack, T.**, Degner, L., Ruether, D., Weir, L., Latosinsky, S., Grenier, D. Addressing “evidence” and “context” to facilitate the transfer and uptake of consultation recording use in oncology: A knowledge translation implementation study. Canadian Breast Cancer Research Alliance/Canadian Institutes of Health Research. October 1, 2008 – March 31, 2014. Total: \$288,380.

Thomas-MacLean, R., **Hack, T.**, Kwan, W., Miedema, B., Quinlan, K., Tatemichi, S., Tilley, A., Towers, A. Long-term disability after breast cancer: Developing an empirical foundation for education, prevention and rehabilitation. Canadian Institutes of Health Research. April 1, 2009 – March 31, 2014. Total: \$664,660.

Chochinov, H.M., McClement, S., **Hack, T.F.**, Enns, M., Harlos, M., Johnston, W., Davison, S., Dumont, R., Zacharias, J., Ramsey, C., Strang, D. Personhood & dignity at end-of-life within non-cancer populations. Canadian Institutes of Health Research - Meetings, Planning and Dissemination Grant. November 1, 2012 – October 31, 2013. Total: \$22,700.

Chochinov, H., McClement, S., **Hack, T.**, Harlos, M., Hassard, T., Enns, M., Zacharias, J., Ramsey, C., Richman-Eisenstat, J., Strang, D., Johnson, W., Davison, S., Damant, R. Dignity and distress across end-of-life populations. Canadian Institutes of Health Research. April 1, 2009 – March 31, 2013. Total: \$606,000.

Chochinov, H.M., McClement, S., Hassard, T., **Hack, T.F.**, Harlos, M., Thompson, G. The Patient Dignity Question (PDQ): A novel approach to enhancing care for patients near the end-of-life. Canadian Cancer Society Research Institute. July 1, 2010 - June 30, 2013; Total: \$137,000.

Thomas, R., Egan, M., **Hack, T.**, Hamilton, R., Kasperski, J., Kennedy, A., Kwan, W., Lanning, B., Miedema, B., Moffatt, C., Poitras, S., Quinlan, E., Tatemichi, S., Tilley, A., Towers, A. Community-based primary health care and lymphedema: Investigating the problem and potential for care. Canadian Institutes of Health Research: Meetings, Planning and Dissemination Grant. December 1, 2011 – November 30, 2012. Total: \$25,000.

Chochinov, H., Gagnon, P., McClement, S., **Hack, T.**, Hassard, T., Harlos, M., Taylor-Brown, J., Barrington, V., Ellwood, A., Manii, D., Marshall, D., Mayer, C., McLeod, D., Morris, J., Sellick,

S., Slaven, M., Stiles, C., Turnbull, G., Wainwright, W. National patient dignity inventory study. National Cancer Institute of Canada. July 1, 2008 – June 30, 2011. Total: \$446,050.

**Hack, T. F., & Fillion, F.** 12<sup>th</sup> World Congress of Psycho Oncology. Canadian Institutes of Health Research –Dissemination Event Grant. February 1, 2010 – January 31, 2011. Total: \$17,500

**Hack, T. F., & Fillion, F.** 12<sup>th</sup> World Congress of Psycho Oncology. Canadian Institutes of Health Research – Meetings, Planning and Dissemination Grant. October 1, 2009 – September 30, 2010. Total: \$5,000.

McClement, S., Chochinov, H., **Hack, T.**, Harlos, M., Hassard, T., Thompson, G., Hagen, N., Sinclair, S., & Murray, A. Assessing the relevance of the Patient Dignity Inventory (PDI) in identifying distress and influencing clinical care in palliative care. Canadian Institutes of Health Research. September 1, 2009 – August 30, 2010. Total: \$100,000. In addition, Manitoba Health Research Council Regional Partnership Program. Total: \$55,908. Grand Total: \$155,908.

**Hack, T.,** Degner, L., Ruether, D., Weir, L., Latosinsky, S., Grenier, D. Addressing “evidence” and “context” to facilitate the adoption and diffusion of consultation recording use in oncology: A knowledge translation implementation study. Canadian Institutes of Health Research - Knowledge Synthesis and Exchange. March 1, 2008 – February 28, 2010. Total: \$100,000.

**Hack, T.** Psychosocial Oncology Research Infrastructure Grant. St. Boniface Hospital & Research Foundation. January 1, 2009 – December 31, 2009. Total: \$10,000.

**Hack, T.F.,** Degner, L.F., Pickles, T., Ruether, D., Butler, L., Weir, L., Carlson, L. Patient-health professional communication in the context of cancer. Sociobehavioral Cancer Research Network-NCIC; July 1, 2008 to June 30, 2009; Total: \$40,000.

**Hack, T.,** Degner, L., Ruether, D., Weir, L., Latosinsky, S., & Grenier, G. Addressing “evidence” and “context” to facilitate the transfer and uptake of consultation recording use in oncology: A knowledge translation implementation study. Canadian Institutes of Health Research – Knowledge Synthesis and Exchange. October 1, 2008 to March 31, 2009. Supplement. Funds awarded, total: \$23,358.

Loiselle, C.G., Degner, L.F., Butler, L.J., Botorff, J.L., Rosberger, A., Dubé, L., **Hack, T.F.,** Shoveller, J.A., Davison, B.J., Hislop, T.G. Comprehensive research training program in psychosocial oncology. Canadian Institutes of Health Research. September 1, 2003 to March 31, 2009; Total: \$1,800,000.

Thomas-McLean, R., **Hack, T.,** Kwan, W., Mediema, B., Towers, A., Tatemichi, S., Quinlan, E., Tilley, A. Arm morbidity after breast cancer: Building a foundation for education, prevention and rehabilitation. Canadian Institutes of Health Research/Saskatchewan Health Research

Foundation, Regional Partnership Program. September 1, 2007- March 31, 2009; Total: \$260,692.

Chochinov, H.M., Breitbart, W., Gibson, C., **Hack, T.F.**, Harlos, M., Hassard, T., Kristjanson, L., McClement, S. Quality of life for individuals at end of life. National Institute of Health (1 R01 CA102201-01A1). September 1, 2004 to August 31, 2008; Total: \$1,611,147.

**Hack, T.F.**, Degner, L.F., Pickles, T., Ruether, D., Butler, L., Weir, L., Carlson, L. Patient-health professional communication in the context of cancer. Sociobehavioral Cancer Research Network-NCIC; July 1, 2007 to June 30, 2008; Total: \$80,000.

**Hack, T.F.**, Pickles, T., Bultz, B., Ruether, D., Degner, L. Identifying determinants of patient-physician communication outcome from audiotapes of primary treatment consultations in prostate oncology. National Cancer Institute of Canada (CPCRI/NCIC). July 1, 2005 to June 30, 2008; Total: \$62,925.

Thomas-McLean, R., **Hack, T.**, Mediema, B., Towers, A., Kwan, W., Tatemichi, S. Charting the course of arm morbidity in breast cancer: A prospective, longitudinal follow-up. Canadian Institutes of Health Research (MOP 68883). October 1, 2004 to September 30, 2007; Total: \$438,336.

**Hack, T. F.**, Taylor-Brown, J. Communication, collaboration and creativity. Canadian Institutes of Health Research. (CIHR) symposium grant. January, 2007; Total: \$20,000.

**Hack, T.F.**, Degner, L.F., Pickles, T., Ruether, D., Butler, L., Weir, L., Carlson, L. Patient-health professional communication in the context of cancer. Sociobehavioral Cancer Research Network-NCIC; July 1, 2006 to June 30, 2007; Total: \$123,450.

**Hack, T.F.**, Pickles, T., Butler, L., Weir, L., Carlson, L., Ruether, D., Degner, L. F. A survey of oncology professionals' perceived priorities and barriers with respect to the communication needs of cancer patients. National Cancer Institute of Canada. February 1, 2006 to June 30, 2007; Total: \$6,290.

Feldman-Stewart, D., Brundage, M., Siemans, R., Campbell, H., & **Hack, T.F.** Adapting an information booklet on early-stage prostate cancer to the computer environment. National Cancer Institute of Canada; July 1, 2003 to June 30, 2007; Total: \$307,784.

Butler, L., **Hack, T.**, Abidi, R., Watters, C., Degner, L. Neighbourhood: A single point of access to integrated information and psychosocial support for men with prostate cancer. Canadian Institutes of Health Research. Development Funds following successful Letter of Intent for Special Competition, July 1, 2006 – November 1, 2006; Total: \$10,000.

- Hack, T.F.** , Degner, L.F., Pickles, T., Ruether, D., Butler, L., Woodgate, R., Weir, L., Carlson, L. Patient-health professional communication in the context of cancer. Sociobehavioral Cancer Research Network-NCIC; July 1, 2005 to June 30, 2006; Total: \$117,800.
- Hack, T.F.** , Degner, L.F., Bultz, B., Butler, L., Carlson, L., Davison, J., Tishelman, C., Baile, W., Brundage, M., Feldman-Stewart, D., Parker, P., Thorne, S. Patient-health professional communication in the context of cancer. Sociobehavioral Cancer Research Network-NCIC; Jan 1, 2003 to June 30, 2005; Total: \$176,000.
- Hack, T.**, Pickles, T., Bultz, B., Weir, L., Ruether, D., Degner, L., Mackey, J. Identifying determinants of patient satisfaction and treatment compliance from audiotapes of primary treatment consultations in oncology. National Cancer Institute of Canada (CBCRA); July 1, 2002 to June 30, 2005; Total: \$80,705.
- Chochinov, H.M., **Hack, T.**, Kristjanson, L., Harlos, M., McClement, S. Palliative care dignity inventory. National Cancer Institute of Canada; July 1, 2000 to December 30, 2004; Total: \$139,209.
- Chochinov, H., **Hack, T.**, Kristjanson, L., Kuhl, D., McClement, S. Dignity psychotherapy: An intervention for suffering in the terminally ill. American Foundation of Suicide Prevention; July 1, 2001 to December 30, 2004; Total: \$100,000(US).
- Butler, L., Evans, J., Frank, B., Bell, D., Rendon, R., Summers, M., Aldridge, D., Tawse, B., **Hack, T.**, Connell, R. Men, masculinity, and cancer. Social Sciences and Humanities Research Council/Community-University Research Alliances. April 1, 2004 – August 4, 2004. Grant Development Funds; Total: \$20,000.
- Hack, T.F.**, Whelan, T.J., Bultz, B.D., Weir, L., Ashbury, F.D., Pritchard, K.I., Catton, J.R., Magwood, B. D., Wright, J. An audiotape intervention to enhance informed consent to clinical trials in oncology. National Cancer Institute of Canada – CBCRI; July 1, 2001 to June 30, 2003; Total: \$33,488.
- Hack, T.F.**, Pickles, T., Bultz, B.D., Ruether, D.J., Degner, L.F. Providing audiotapes of primary oncology treatment consultations to men with prostate cancer. Canadian Institutes for Health Research, Faculty of Nursing, Univ. of Manitoba, St. Boniface Research Foundation; Oct 1, 2000 to Mar 31, 2004; Total: \$182,125.
- Degner, L.F. (Co-PI), **Hack, T.F. (Co-PI)**, Bultz, B., Butler, L., Carlson, L., Cohen, L., Davison, J., Tishelman, C., Baile, W., Brundage, M., Feldman-Stewart, D., Chalmers, K. Patient-health professional communication in the context of cancer. Sociobehavioral Cancer Research Network-NCIC; January 1, 2000 to December 31, 2002 (3 years); Total: \$180,000/ \$60,000 per annum.

- Degner, L.F. & Chochinov H.M. (Co-PIs), Chalmers, K., Daenick, P., El-Sayed, S., Gregory, D., Gupton, A., **Hack, T.F.**, Katz, A., Kilpatrick, M., Kirk, P., Lobchuk, M., McClement, S., Shumeley, B., Woodgate, R. Satellite Research Centre – Infrastructure Grant. Centre for Behavioural Research and Program Evaluation, NCIC; January 1, 2000 to December 31, 2002; \$45,000/\$15,000 per annum.
- Hack, T.F.**, Whelan, T.J., Bultz, B.D., Weir, L., Ashbury, F.D., Catton, J.R. Use of audiotapes to enhance patients' informed consent and influence participation in clinical trials. Advisory Committee on Cancer Control-NCIC. July 1, 1999 to June 30, 2000; Total: \$7,770.
- Hack, T.F.**, Whelan, T.J., Bultz, B.D., Weir, L., Ashbury, F.D., Catton, J.R. Use of audiotapes to enhance patients' informed consent and influence participation in clinical trials. National Cancer Institute of Canada-SCRN; July 1, 1999 to June 30, 2000; Total: \$5,700.
- Hack, T.F.**, Whelan, T.J., Bultz, B.D., Weir, L., Ashbury, F.D., Catton, J.R. Use of audiotapes to enhance patients' informed consent and influence participation in clinical trials. National Cancer Institute of Canada-SCRN; July 1, 1999 to June 30, 2000; Total: \$5,502.
- Hack, T.F.**, Pickles, T., Bultz, B.D., Ruether, D.J., Weir, L., Katz, A., Degner, and L.F. Providing audiotapes of primary oncology treatment consultations to women with breast cancer: A tri-province randomized controlled trial. National Cancer Institute of Canada – CBCRI; July 1, 1999 to June 30, 2002; Total: \$200,961.
- Bottorff, J., Ratner, P., Buxton, J., McCullum, M., Balneaves, L., **Hack, T.**, Chalmers, K. Perceptions and information needs related to genetic testing for breast cancer risk. Medical Research Council of Canada; April 1, 1999 to March 31, 2000; Total: \$50,000.
- Gupton, A., Chalmers, K., **Hack, T.**, Hildes-Ripstein, E., Katz, A. Intervention study to reduce the rate of smoking relapse in postpartum women. National Cancer Institute of Canada – Centre for Tobacco Research and Intervention; July 1, 1999 to June 30, 2000; Total: \$28,968.
- Hack, T.F.**, Harlos, M., Sisler, J., Chochinov, H. Explicating the role of family physicians in the care of cancer patients. Manitoba Health Research Council; April 1, 1997 to March 31, 2000; Total: \$37,974.
- Chochinov, H.M., **Hack, T.**, Kristjanson, L., Harlos, M. Explicating the construct of dignity in the terminally ill. National Cancer Institute of Canada; 1997-2000; Total: \$86,166.
- Hack, T.F.**, Pickles, T., Bultz, B.D., Ruether, D.J., Weir, L., Davison, J., Katz, A., Degner, L.F. Provision of audiotape of treatment consultation to newly diagnosed breast and prostate patients: A multi-site randomized, controlled trial. National Cancer Institute of Canada – SCRN; July 1, 1996 to June 30, 1997; Total: \$11,675.

Bottorff, J., Ratner, P., Buxton, J., McCullum, M., Balneaves, L., **Hack, T.**, Chalmers, K. The needs of individuals and families ineligible for genetic testing for breast cancer. National Cancer Institute of Canada – SCRN; 1997-1998; Total: \$16,641.

**Hack, T.F.**, Cohen, L., Katz, J., Ritvo, P., Goss, P. Axillary lymph node dissection for breast cancer: Pain, discomfort, quality of life, and patient utility. Canadian Breast Cancer Foundation; 1996-1997; Total: \$32,500.

Degner, L.F., **Hack, T.F.**, Watson, P., Tataryn, D. Relationship between information needs, coping responses, psychological adjustment, tumor size, and disease recurrence in women diagnosed with breast cancer: A three-year follow-up. National Cancer Institute of Canada; 1995-1998; Total: \$345,000.

#### Grants and Contracts (Pending):

Rieger, K., **Hack, T.**, Campbell-Enns, H., Duff, M., & West, C. Mindfulness-based Expressive Arts in the Cancer Journey: The Experiences of Patients. Submitted to the Manitoba Medical Services Foundation. Funds requested: \$24,920 (1 year).

Sinclair, S., **Hack, T.F.**, McClement, S., Raffin-Bouchal S., Kondejewski, J., McCaffrey, G., & Roze des Ordons, A. A Meta-Narrative Review of Compassion Education in Healthcare. Submitted to the GOLD Foundation. Funds requested: \$5,000 USD (1 year).

Decker, K., Pitz, M., Czaykowski, P., **Hack, T.**, Goldenberg, B., Singh, H., Turner, D., de Oliveira, C., Peacock, S., McTaggart-Cowan, H., & Gingerich, J. A population-based prospective intervention to improve cancer patient navigation processes and outcomes. Submitted to the Canadian Institutes for Health Research project grants competition. Funds requested: \$1,250,000 (5 years)

#### Grants and Contracts (Awarded but declined):

McClement, S., Chochinov, H.M., **Hack, T.F.**, Lobchuk, M., Thompson, G., Harlos, M. Charting the course of cancer anorexia-cachexia. Canadian Cancer Society Research Institute. March 1, 2013 – February 28, 2016. Total: \$178,529. **(declined)**

Commissioned by the Joint Medical Affairs Committee of the Canadian Cancer Society and the National Cancer Institute of Canada.
- Degner, L.F., Farber, J.M., & **Hack, T.F.** (August, 1989). Communication between cancer patients and health care professionals: An annotated bibliography. Commissioned by the Joint Medical Affairs Committee of the Canadian Cancer Society and the National Cancer Institute of Canada.

**EDITORIAL AND REVIEW ACTIVITIES:**Editor/Service on Editorial Board(s):

2013-present, Associate Editor, Supportive Care in Cancer

Grant Reviewer:

- 2017 – Rady Faculty of Health Sciences, University of Manitoba - Internal reviewer for CIHR grant application
- 2016 – Rady Faculty of Health Sciences, University of Manitoba - Internal reviewer for CIHR grant application
- 2015 – Canadian Institutes of Health Research – declined invitation to serve as Foundations Scheme reviewer due to conflict, i.e., I was a named program expert on two applications to this competition
- 2015 – Canadian Institutes of Health Research – declined invitation to serve as a peer reviewer for the Spring 2016 Project Scheme competition
- 2015 - Canadian Breast Cancer Foundation, Ontario Chapter – declined invitation to review for Research Review Panel B
- 2015 - Canadian Institutes of Health Research – declined invitation to serve on Fall 2015 Knowledge Synthesis Grant (KRS) Peer Review Committee
- 2015 - Canadian Breast Cancer Foundation, Prairies/NWT Chapter – declined invitation to review for Research Review Panel
- 2014 - Canadian Cancer Society Research Institute, Prevention and Cancer Outcomes Panel for Innovation Grants competition – declined invitation to review
- 2014 - Canadian Breast Cancer Foundation, Ontario Division – declined invitation to review
- 2013 - Canadian Breast Cancer Foundation, Prairies/NWT Chapter – external reviewer
- 2013 - Canadian Cancer Society Research Institute, Prevention and Cancer Outcomes Panel for Innovation Grants competition – declined invitation to review
- 2013 - Netherlands Organisation for Health Research and Development – declined invitation to review
- 2013 - Canadian Cancer Society Research Institute Knowledge to Action Grants Panel – declined invitation to review
- 2012 - Canadian Cancer Society Research Institute – declined invitation to review
- 2012 - Canadian Breast Cancer Foundation, Prairies/NWT Chapter – declined invitation to review
- 2012 - Canadian Institutes of Health Research, Psychosocial, Sociocultural and Behavioural Determinants of Health Peer Review Committee – declined invitation to review
- 2011 - Canadian Institutes of Health Research, Psychosocial, Sociocultural and Behavioural Determinants of Health Peer Review Committee – declined invitation to review
- 2011 - Quebec Breast Cancer Foundation – Grants Review Panel – withdrew following mother’s death

- 2011 - Dutch Cancer Society – declined invitation to review
- 2010 - Canadian Institutes of Health Research, Psychosocial, Sociocultural and Behavioural Determinants of Health Peer Review Committee – declined invitation to review
- 2010 - Dutch Cancer Society – declined invitation to review
- 2009 - Canadian Partnership Against Cancer – Survivorship Care Plan Grants Review Panel
- 2009 - Dutch Cancer Society – declined invitation to review
- 2009 - Canadian Institutes of Health Research – Catalyst Grant in Cancer Survivorship Review Panel - declined invitation to review
- 2009 - Canadian Breast Cancer Research Alliance – Psychosocial/Quality of Life II Grants Review Panel – declined invitation to review
- 2008 - Canadian Breast Cancer Foundation, Prairies/NWT Chapter – declined invitation to review
- 2008 - Cancer Research Society – declined invitation to review
- 2008 - Canadian Institutes of Health Research – Knowledge to Action Grants Panel Committee – declined invitation to review
- 2008 - Canadian Breast Cancer Foundation, Ontario Region – declined invitation to serve on scientific review panel
- 2006-2008, Behavioural/Psychosocial/Cancer Control Research Personnel Awards Panel of the National Cancer Institute of Canada
- 2007 - Canadian Institutes of Health Research, Palliative Care Grants Review Panel - declined invitation to review
- 2006 - Canadian Breast Cancer Foundation, Prairies/NWT Chapter – declined invitation to review
- 2005 - Canadian Breast Cancer Research Alliance – Survivorship/Quality of Life Grants Review Panel
- 2001-05, Canadian Institutes of Health Research, Psychosocial, Sociocultural and Behavioural Determinants of Health Grants Review Panel
- 2004 - Dutch Cancer Society – Grant Review
- 2004 - IDEA Grants Competition - Canadian Prostate Cancer Research Initiative – declined invitation to review
- 2004 - Development and Exploratory (DEX) Grants Competition – Canadian Breast Cancer Research Alliance – declined invitation to review
- 2001-03, Panel K – Psychosocial Grants Review Panel of the National Cancer Institute of Canada
- 2003, Dutch Cancer Society – Grant Review
- 2000 - Canadian Breast Cancer Foundation – Grant Review
- 1999 - International Cancer Technology Transfer Fellowships (ICRETT) – Grant Review
- 1998 - Sociobehavioural Cancer Research Network of NCIC – Grant Review
- 1997 - Alberta Cancer Board - Grant Review
- 1997 - Alberta Breast Cancer Foundation - Grant Review
- 1997 - National Cancer Institute of Canada - Behavioural/Psychosocial Grants Panel: Scientific Officer

### **CONSULTANCIES:**

#### University of Manitoba:

2017, Office of Research Services internal review of Prof. Kate Sibley's CIHR Project Scheme proposal.

2017, Office of Research Services, internal review of Prof. Mohammed Moghadasian's Cancer Research Society grant proposal.

2016, Office of Research Services internal review of Prof. Christina West's CIHR Project Scheme proposal.

2015, Office of Research Services internal review of Prof. Tiina Kauppinen's CIHR operating grant proposal.

2013, Office of Research Services internal review of Prof. Judy Chipperfield's CIHR operating grant proposal.

External:

2014, external reviewer for a tenure application in the College of Nursing at the University of Saskatchewan

2010-2012, Consultant to Dr. Antoinette Schoenthaler, Internal Medicine, NYU School of Medicine, New York, USA. Provided in-person training in the administration, scoring, and data entry of the MIPS, an interactional coding system used in the analysis of patient-professional communication. Also provided booster training and feedback, discussed study progress, and offered guidance in the analysis and interpretation of the data.

**TEACHING:**

**Teaching within University of Manitoba:**

Winter, 2017, College of Nursing, Rady Faculty of Health Sciences, University of Manitoba, Winnipeg

- taught 3-credit graduate course: Advanced Readings in Quantitative Research Methods (NURS 7110) in the PhD nursing program.

Fall, 2015, Faculty of Nursing, University of Manitoba, Winnipeg

- taught 3-credit graduate course: Quantitative Research Methods in Nursing (NURS 7220)

Winter, 2015, Faculty of Nursing, University of Manitoba, Winnipeg

- taught 3-credit graduate course: Advanced Readings in Quantitative Research Methods (NURS 7110) in the PhD nursing program.

Fall, 2014, Faculty of Nursing, University of Manitoba, Winnipeg

- taught 2 classes (September 23<sup>rd</sup> and 30<sup>th</sup>) in 3-credit graduate course: Quantitative Research Methods in Nursing (NURS 7220)

Winter, 2014, Faculty of Nursing, University of Manitoba, Winnipeg

- taught 3-credit graduate course: Quantitative Research Methods in Nursing (NURS 7220)

Summer, 2013, Faculty of Nursing, University of Manitoba, Winnipeg

- taught 3-credit graduate course: Advanced Readings in Quantitative Research Methods (NURS 7110) in the PhD nursing program.

- Fall, 2011, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit undergraduate course: Nursing Research Methods (NURS 3210)
- Fall, 2011, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit graduate course: Quantitative Research Methods in Nursing (NURS 7220)
- Summer, 2011, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit undergraduate course: Nursing Research Methods (NURS 3210)
- Summer, 2011, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit graduate course: Quantitative Research Methods in Nursing (NURS 7220)
- Summer, 2010, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit undergraduate course: Nursing Research Methods (NURS 3210)
- Summer, 2010, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit graduate course: Quantitative Research Methods in Nursing (NURS 7220)
- Winter, 2009, Faculty of Nursing, University of Manitoba, Winnipeg  
- Faculty Advisor, Independent Study (NURS 4210)
- Winter, 2009, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit undergraduate course: Nursing Research Methods (NURS 3210)
- Fall, 2008, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit graduate course: Quantitative Research Methods in Nursing (NURS 7220)
- Summer, 2008, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit undergraduate course: Nursing Research Methods (NURS 3210)
- Winter, 2008, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit undergraduate course: Nursing Research Methods (NURS 3210)
- Fall, 2007, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit graduate course: Quantitative Research Methods in Nursing (NURS 7220)
- Winter, 2007, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit undergraduate course: Nursing Research Methods (NURS 3210)
- Fall, 2006, Faculty of Nursing, University of Manitoba, Winnipeg  
- taught 3-credit graduate course: Quantitative Research Methods in Nursing (NURS 7220)
- 2006, Faculty of Management, University of Manitoba, Winnipeg  
- seminar leader for graduate-level course: Doctoral Seminar in Marketing (118.711)  
Topic was *Coping with cancer: A review of theories of emotion and adjustment*

2005, Faculty of Nursing, University of Manitoba, Winnipeg

- taught 3-credit undergraduate course: Nursing Research Methods (49.321)

2005, Faculty of Nursing, University of Manitoba, Winnipeg

- seminar leader for graduate-level course: Cancer Nursing Research (49.716). Topics were *Qualitative vs. quantitative research: Which is better and when?; Coping and adjustment to breast cancer: What do patients need most?*

2005, Faculty of Nursing, University of Manitoba, Winnipeg

- seminar leader for course in evidence-based nursing practice (49.708). Topic was *Methodological issues in the testing of psychosocial oncology interventions.*

2003, Faculty of Nursing, University of Manitoba, Winnipeg - course leader for Readings in Selected Topics (49.711)

1995-1998, Department of Psychology, University of Manitoba, Winnipeg, Manitoba

- taught undergraduate Personality course
- taught undergraduate Introduction to Psychology course

1992-1993, Department of Psychology, University of Manitoba, Winnipeg, Manitoba

- taught Introduction to Psychology course with fellow graduate students.  
Prepared and delivered lectures on motivation and emotion, health psychology, and organization psychology

1988-1993, Teaching Assistant, Department of Psychology, University of Manitoba.

- Duties included tutoring in relevant psychological concepts, lab demonstrations, marking exams:
  - 17.225 - Introduction to Psychological Research
  - 17.226 - Introduction to Research Methods in Psychology
  - 17.237 - Developmental Psychology from Adolescence to Old Age

#### Direct Supervision of (Post)Graduate Students:

2016, Post-doctoral Fellow: Dr. Kendra Rieger

- o Supported by a Canadian Breast Cancer Foundation (CBCF) Post-doctoral Fellowship (**\$12,000**), with funds from CBCF Research Chair awarded to Dr. Thomas F. Hack.

2015-2016, Co-Thesis Chairperson: Laureen Fingas, College of Nursing, University of Manitoba

2014-present, Dissertation Committee Member: David Busolo, College of Nursing, University of Manitoba

2013-present, Thesis Chairperson: Dr. Mac Thiessen, College of Nursing, University of Manitoba. Interdisciplinary Master's Program. Thesis Topic: TBA

- Supported by a studentship award from the CancerCare Manitoba (in partnership with the Manitoba Health Research Council **(\$17,850)**)
- Also supported by a Canadian Breast Cancer Foundation (CBCF) Graduate Fellowship **(\$20,000)**, with funds from CBCF Research Chair awarded to Dr. Thomas F. Hack.

2013-2015, Post-doctoral Fellow: Dr. Virginia Boquiren

- Supported by a Canadian Breast Cancer Foundation (CBCF) Post-doctoral Fellowship **(\$60,000)**, with funds from CBCF Research Chair awarded to Dr. Thomas F. Hack.

2008-2014, Thesis Committee Member (Thesis Chair from 2011-present): Kendra-Ann Seenandan, Faculty of Nursing, University of Manitoba. Thesis Topic: "Parental disclosure of Hereditary Breast Cancer".

- Supported by a Canadian Breast Cancer Foundation (CBCF) Post-doctoral Fellowship **(\$20,000)**, with funds from CBCF Research Chair awarded to Dr. Thomas F. Hack.

2009, Internal Faculty Advisor for Independent Study (NURS 4210): Christiane Raby, Faculty of Nursing, University of Manitoba, Winnipeg

2007-2011, Thesis Chairperson: Allison Pederson, Faculty of Nursing, University of Manitoba. Thesis Topic: "An Exploration of the Oncology Patient Navigator Role: Perspectives of Younger Women with Breast Cancer"

2007-2010, Thesis Committee Member: Wellam Ko, Faculty of Nursing, University of Manitoba

2006, Thesis Advisor: Simone Jones (NP stream), Faculty of Nursing, University of Manitoba

2005-2007, Thesis Committee Member: Gwen McGhan, Faculty of Nursing, University of Manitoba

2002-2007, Thesis Chairperson: Diana Doyle-Zebrun, Faculty of Nursing, University of Manitoba. Thesis Topic: "Patient Preferences for Information and Participation in Treatment Decision-Making in the Intensive Care Unit"

2005, Clinical Internship Supervisor of 6-month rotation in Psychosocial Oncology: Heather Sheppard

2004, Internal examiner, Dissertation: Karina O'Brien, Faculty of Arts, Department of Psychology, University of Manitoba

2004, Clinical Internship Supervisor of 6-month rotation in Psychosocial Oncology: Donna Torrens

2003, Clinical Internship Supervisor of 6-month rotation in Psychosocial Oncology:  
Grant Burt

2002, Clinical Internship Supervisor of 6-month rotation in Psychosocial Oncology:  
Sharon Clark

2001, Clinical Internship Supervisor of 6-month rotation in Psychosocial Oncology:  
Anna-Lynn Mercado

Direct Supervision of Undergraduate Students:

2017, Manitoba Centre for Nursing and Health Research Summer Research Internship  
Program

- Supervised Ashley Bell for the project "*Citation analysis of researchers from faculties of nursing across Canada*"

**Teaching outside of University of Manitoba:**

2014, University of Sydney, Sydney, Australia, September, 2014

- Taught "*Implementation Master Class: Practical Solutions to Common Challenges*".

2014, Sichuan University, Chengdu, China

- Taught "*Quantitative Research Methods in Health Care*" undergraduate course from June 29<sup>th</sup> – July 12<sup>th</sup>, 2014.

2014, McGill University, Montreal, PQ

- delivered one lecture for graduate-level course in psychosocial oncology research (PORT program). Topic was *Knowledge Translation of Psychosocial Interventions*.

2013, McGill University, Montreal, PQ

- delivered one lecture for graduate-level course in psychosocial oncology research (PORT program). Topic was *Knowledge Translation of Psychosocial Interventions*.

2011, McGill University, Montreal, PQ

- delivered one lecture for graduate-level course in psychosocial oncology research (PORT program). Topic was *Knowledge Translation of Psychosocial Interventions*.

2010, McGill University, Montreal, PQ

- delivered one lecture for graduate-level course in psychosocial oncology research (PORT program). Topic was *Coping with cancer: An adult's perspective*.

2009, McGill University, Montreal, PQ

- delivered two lectures for graduate-level course in psychosocial oncology research (PORT program). Topics were *Methodological issues in the testing of psychosocial oncology interventions*, and *Coping with cancer: An adult's perspective*.

2007, McGill University, Montreal, PQ

- delivered two lectures for graduate-level course in psychosocial oncology research (PORT program). Topics were *Methodological issues in the testing of psychosocial oncology interventions*, and *Coping with cancer: An adult's perspective*.

2006, McGill University, Montreal, PQ

- delivered two lectures for graduate-level course in psychosocial oncology research (PORT program). Topics were *Methodological issues in the testing of psychosocial oncology interventions*, and *Coping with cancer: An adult's perspective*.

2005, McGill University, Montreal, PQ

- delivered two lectures for graduate-level course in psychosocial oncology research (PORT program). Topics were *Methodological issues in the testing of psychosocial oncology interventions*, and *Coping with cancer: An adult's perspective*.

1995, Toronto General Hospital, Toronto, Ontario

- delivered a lecture to health psychology graduate students. Topic: Shared decision-making information needs, and illness adjustment in breast cancer patients

## PRESENTATIONS:

### Invited Plenary /Keynote Address:

**Hack, T.F.** Cancer across the life span: unique features and psychosocial considerations. Presented at the 2<sup>nd</sup> Victorian Psycho-Oncology Conference, Peter McCallum Cancer Centre, Melbourne, Australia, September 5<sup>th</sup>, 2014.

**Hack, T.F.** Consultation recordings help cancer patients: Why doesn't evidence alone change clinical practice? Presented at the annual conference of the British Psychosocial Oncology Society, Preston, United Kingdom, February 28<sup>th</sup>, 2014.

**Hack, T.F.** Challenges of living with lymphedema: Latest research findings. Presented at the Canadian Lymphedema Conference, a joint conference of the Canadian Lymphedema Framework and the Lymphedema Association of Ontario, October 26<sup>th</sup>, 2013

**Hack, T.F.** Consultation recording use in oncology: Why doesn't evidence alone lead to practice change? Presented at the 1<sup>st</sup> Victorian Psycho-Oncology Conference, Peter McCallum Cancer Centre, Melbourne, Australia, June 14<sup>th</sup>, 2013.

**Hack, T.F.** Moving psychosocial evidence into practice: The case for consultation recordings. Invited speaker at the 2<sup>nd</sup> Care about Cancer Conference, Edmonton, AB. June, 2011.

**Hack, T.F.** The contribution of qualitative methods and cognitive science to quality of life research: Clinical application – dignity among the dying. Keynote address presented at the annual meeting of the International Society for Quality of Life Research, Orlando, FL, October 2002.

**Hack, T.F.** Quality of life after breast cancer. Invited panel speaker at symposium entitled “Quality of Life of Cancer Survivors” at the 2<sup>nd</sup> World Conference for Cancer Organizations, Atlanta, GA, May 1999.

Invited Presentations at National or International Conferences/Meetings:

Sinclair, S., **Hack, T.**, Raffin-Bouchal, S., McClement, S., Hagen, N., Sinnarajah, A., Stajduhar, K., Singh, P., & Chochinov, H.M. Compassion is a two-way street: The development of a healthcare provider model of compassion. Presented at the 15<sup>th</sup> World Congress of the European Association for Palliative Care, Madrid, Spain. May 18<sup>th</sup>, 2017.

Sinclair, S., **Hack, T.**, Sawatzky, R., Kondejewski, J., & Russell, L. Charting a course to develop and validate a patient reported compassionate Care measure: Findings from a narrative synthesis literature review and an overview of the COMPASS study. Presented at the 15<sup>th</sup> World Congress of the European Association for Palliative Care, Madrid, Spain. May 18<sup>th</sup>, 2017.

**Hack, T. F.**, Ruether, D., Pitz, M., Thiessen, B., & Degner, L. F. A randomized controlled trial of consultation recording use to enhance psychosocial well-being and coping behaviour in patients with brain tumours. Presented at the 32<sup>nd</sup> annual conference of the Canadian Association of Psychosocial Oncology, Vancouver, BC. May 4<sup>th</sup>, 2017.

Sinclair, S., **Hack, T.**, McClement, S., Raffin-Bouchal, S., Hagen, N., Sinnarajah, A., Stajduhar, K., & Chochinov, H. M. An inside job: Healthcare providers' perspectives on the provision of compassionate care to cancer patients at the end of life. Presented at the 32<sup>nd</sup> annual conference of the Canadian Association of Psychosocial Oncology, Vancouver, BC. May 3<sup>rd</sup>, 2017.

Sinclair, S., **Hack, T.**, Sawatzky, R., Kondejewski, J., Russell, L., McClement, S., Raffin-Bouchal, S., Chochinov, H. M., Cuthbertson, L., Singh, P., & Jaggi, P. Measuring compassion: What we

- know and where we are going: The COMPASS study. Presented at the 32<sup>nd</sup> annual conference of the Canadian Association of Psychosocial Oncology, Vancouver, BC. May 3<sup>rd</sup>, 2017.
- McLeod, D., Esplen, M. J., **Hack, T. F.**, Fillion, L., Wong, J., Debsiens, J. F., Fitch, M. CAPO/CANO invited symposium - Translating clinical practice guidelines for mild-moderate distress: the therapeutic practices for distress management (TPDM) project. Presented at the 32<sup>nd</sup> annual conference of the Canadian Association of Psychosocial Oncology, Vancouver, BC. May 4<sup>th</sup>, 2017.
- Sinclair, S., **Hack, T. F.**, McClement, S., & Raffin-Bouchal, S. Compassionate care: Bridging the gap between theory and practice. Presented at the 21<sup>st</sup> International Conference on Palliative Care, Montreal, PQ. October 19<sup>th</sup>, 2016.
- Hack, T. F.**, McLeod, D., Esplen, M. J., Fillion, L., Howell, D. & Fitch, M. Helping oncology nurses respond to mild-moderate psychosocial distress: Barriers and challenges. Presented at the 31<sup>st</sup> annual conference of the Canadian Association of Psychosocial Oncology, Halifax, NS. May 12<sup>th</sup>, 2016.
- Hack, T. F.**, Ruether, J. D., Weir, L. M., Grenier, D., & Degner, L. F. Promoting consultation recording practice in oncology: Identification of critical implementation factors and determination of patient benefit. Presented at the Best of UCLan Research Showcase. University of Central Lancashire, Preston, UK, November 19<sup>th</sup>, 2015.
- Hack, T. F.** Knowledge Translation. Presented at the "Careers in Cancer Research Development Program" new investigators' joint meeting of the CIHR Institute of Cancer Research and the Canadian Cancer Society Research Institute, Montreal, PQ, November 7<sup>th</sup>, 2015.
- Hack, T.**, Boquiren, V., Thomas, R., Towers, A., & Quinlan, L. The mediating role of perceived disability in the long-term impact of arm morbidity on breast cancer survivors' emotional well-being. Presented at the 29<sup>th</sup> conference of the Multinational Association of Supportive Care in Cancer, Copenhagen, Denmark, June 27<sup>th</sup>, 2015.
- Sinclair, S., **Hack, T.F.**, Chochinov, H.M., McClement, S., Raffin Bouchal S., Hagen, N.A., & Stajduhar K. Obtaining funding and developing research in existential issues: An example of a programme of research on compassion in Canada. Presented at the 14<sup>th</sup> World Congress of the European Association of Palliative Care, Copenhagen. May 8<sup>th</sup>, 2015.
- Hack, T.**, Boquiren, V., Thomas, R., Towers, A., & Quinlan, L. Exploring the relationship between arm morbidity, perceived disability and mood disturbance in breast cancer survivors. Presented at the 16<sup>th</sup> World Congress of Psycho-Oncology, Lisbon, Portugal. October, 2014.

**Hack, T.F.**, & McClement, S., Chochinov, H., & Dufault, B. Assessing distress and well-being in palliative care: How concordant are patients and their family members? Presented at the 20<sup>th</sup> International Congress on Palliative Care, Montreal, QC. September 11<sup>th</sup>, 2014.

Sinclair, S., **Hack, T.**, McClement, S., Raffin Bouchal, S., Chochinov, H.M., & Hagen, N. Advanced cancer patient's understandings and experiences of compassion. Presented at the 20<sup>th</sup> International Congress on Palliative Care, Montreal, QC. September 11<sup>th</sup>, 2014.

**Hack, T.F.**, & McClement, S.E., Chochinov, H., & Dufault, B. Assessing distress and well-being in palliative care: How concordant are patients and their family members? Presented at the 29<sup>th</sup> annual conference of the Canadian Association of Psychosocial Oncology, Winnipeg, MB. May 1<sup>st</sup>, 2014.

Sinclair, S., Chochinov, H., McClement, S. E., **Hack, T.**, Raffin Bouchal, S., & Hagen, N. Advanced cancer patient's understandings and experiences of compassion. Presented at the 29<sup>th</sup> annual conference of the Canadian Association of Psychosocial Oncology, Winnipeg, MB. May 1<sup>st</sup>, 2014.

**Hack, T.F.** Challenges of living with lymphedema: Latest research findings. Presented at the Canadian Lymphedema Conference, a joint conference of the Canadian Lymphedema Framework and the Lymphedema Association of Ontario, Toronto, ON. October 26<sup>th</sup>, 2013.

**Hack, T.F.** Moving psychosocial interventions from evidence to practice: Consultation recordings in oncology. Presented at the "Health Research with Real Impact" international conference of the School of Health, University of Central Lancashire, Preston, UK. May 15<sup>th</sup>, 2013.

**Hack, T.F.**, Bultz, B. D., Fitzgerald, B., Green, E., & McLeod, D. A global framework of patient-centred care in oncology: Fostering national and international collaboration. Presented at the 28<sup>th</sup> annual conference of the Canadian Association of Psychosocial Oncology, Ottawa, ON. April 25<sup>th</sup>, 2013.

**Hack, T.F.**, Crooks, D., Plohman, J., & Kepron, E. Citation analysis of Canadian psychosocial oncology researchers. Presented at the 14<sup>th</sup> World Congress of Psycho-Oncology, Brisbane, Australia. November, 2012.

Thomas, R., **Hack, T.**, Kwan, W., Miedema, B., Quinlan, E., Tatemichi, S., Tilley, A., & Towers, A. An evolving model for understanding the impact of disability after breast cancer. Presented at the 14<sup>th</sup> World Congress of Psycho-Oncology, Brisbane, Australia. November, 2012.

Degner, L.F., Farber, J.M., and **Hack, T.F.** Communication between cancer patients and health care professionals: An annotated bibliography. Presented at the 5<sup>th</sup> Annual Conference of the Canadian Association of Psychosocial Oncology, London, ON, May 1990.

#### Lectureships and Visiting Professorships:

**Hack, T. F.** Lost in (Knowledge) translation: Challenges in moving empirically validated innovations into clinical practice. Workshop delivered to the Sydney Catalyst Research Group, University of Sydney, Australia, April 13<sup>th</sup>, 2016.

**Hack, T.F.** Knowledge translation vs. implementation science: What is the difference and why does it matter? Webinar delivered to the Psycho-Oncology Cooperative Research Group, University of Sydney, Australia, April 14<sup>th</sup>, 2016.

**Hack, T.F.** Concept development: Where to begin and in which direction to go? Workshop delivered to the Sydney Catalyst Research Group, University of Sydney, Australia, April 15<sup>th</sup>, 2016.

**Hack, T.F.** Putting evidence into clinical practice: Common problems and practical solutions. Visiting Professorship lecture delivered at the School of Health, University of Central Lancashire, Preston, England, November 17<sup>th</sup>, 2015.

**Hack, T.F.** Implementation science master class: Practical solutions to common challenges in knowledge translation. Master class delivered to Sydney Catalyst Research Group, University of Sydney, Australia, September 3<sup>rd</sup>, 2014.

**Hack, T.F.** What can we learn from cancer patients' reflections on life as death approaches: analysis of dignity therapy transcripts. Honourary Professorship lecture delivered at the Department of Nursing, University of Central Lancashire, Preston, England, October, 2012.

**Hack, T.F.** Use of consultation recordings in oncology. Visiting Professorship lecture delivered at the Department of Nursing, University of Central Lancashire, Preston, England, June 8<sup>th</sup>, 2011.

**Hack, T.F.** Providing consultation recordings to newly diagnosed cancer patients: Putting evidence into practice. Visiting Professorship lecture delivered at the Department of Nursing, University of Central Lancashire, Preston, England, November 11<sup>th</sup>, 2010.

**Hack, T.F.** Providing consultation recordings to newly diagnosed cancer patients: Putting evidence into practice. Lectureship delivered at the Department of Nursing, Midwifery and Social Work, University of Manchester, England, November 10<sup>th</sup>, 2010.

**Hack, T.F.** Examining and promoting the use of consultation recordings in oncology. Visiting Professorship lecture delivered at Department of Oncology, Faculty of Medicine, McGill University, Montreal, PQ, March 27-29<sup>th</sup>, 2006.

**Hack, T.F.** Enhancing the psychosocial well-being of adults with cancer: A clinician-scientist perspective. Visiting Professorship lecture delivered at Department of Oncology, Faculty of Medicine, McGill University, Montreal, PQ, March 27-29<sup>th</sup>, 2006.

**Hack, T.F.** Should cancer patients be given audiotapes of their primary oncology presentations? Empirical findings and discussion. Presented at the Institute of Health Sciences, Oxford University, England, June 27<sup>th</sup>, 2002.

Speaking Invitations from Other National Institutions/Organizations:

**Hack, T. F.** Consultation recording use in oncology: Why doesn't evidence alone lead to practice change? Presented to the oncology research unit at Laval University, Quebec City, QC, January 21, 2015.

**Hack, T. F.** Working within an oncology context to implement practice change. Presented at the Canadian Partnership Against Cancer meeting: Responding to Distress, the 6<sup>th</sup> Vital Sign: Implementing Guidelines and Algorithms into Routine Practice, Montreal, PQ, June, 2011.

**Hack, T. F.** Providing consultation recordings to newly diagnosed prostate cancer patients: The Calgary experience. Oncology grand rounds presentation. Tom Baker Cancer Centre, Calgary, AB, September 30, 2009.

**Hack, T.F.** The use of consultation recordings in oncology. Presented at Genito-urinary Oncology Rounds, Calgary, AB, May 17, 2007.

**Hack, T.F.** Psychosocial oncology research program. Presented at the 3<sup>rd</sup> Annual New Principal Investigators' Meeting of the Canadian Institutes of Health Research, Jackson's Point, ON, November 12-14, 2004

**Hack, T.F.** Communication between cancer patients and health care professionals. Presented at a provincial meeting of the Canadian Cancer Society, Halifax, NS, November 8, 2001

**Hack, T.F.** Providing audiotapes of primary oncological consultations to cancer patients. Presented at Oncology Grand Rounds, Calgary, AB, January 17, 2001.

**Hack, T.F.** Providing audiotapes of primary oncological consultations to cancer patients. Presented at Genito-urinary Rounds, Vancouver, BC, January 17, 2001.

Other Provincial and Local Presentations:

**Hack, T.F.** Psychosocial Needs of Individuals Living with Lymphedema and their Caregivers: How Do We Cope? Presented at the 5<sup>th</sup> annual Lymphedema Association of Manitoba Symposium, March 11<sup>th</sup>, 2017.

**Hack, T.F.** Invited panel member for the Canadian Breast Cancer Foundation-Prairie/NWT Region "Night of Honour". Winnipeg, MB, April 15<sup>th</sup>, 2014.

**Hack, T.F., McClement, S.E.** Partnerships are key to successful knowledge translation of psychosocial interventions in oncology. Presented at the Manitoba Centre for Nursing and Health Research and Winnipeg Regional Health Authority Research Day, April 11<sup>th</sup>, 2013.

**Hack, T.F.** Psychosocial Oncology and Cancer Nursing Research Group: Overview and highlights. Presented to the Research Enterprise Committee of St. Boniface Hospital, March 20<sup>th</sup>, 2013.

**Hack, T.F.** Challenges of living with lymphedema: Latest research findings. Presented at the Lymphedema Association of Manitoba 1<sup>st</sup> Annual Lymphedema Awareness Day Symposium, University of Manitoba, Winnipeg, MB, March 9<sup>th</sup>, 2013.

- Abstract Reviewer

1998, 10<sup>th</sup> Annual meeting of the European Society of Psychosocial Oncology, Stockholm, Sweden.

- Symposium Chair (Information needs of breast and prostate cancer patients)

#### **PROFESSIONAL PANELS/ACTIVITIES/COMMITTEES:**

##### Current:

2017-present, Invited member of the Canadian Partnership Against Cancer (CPAC) Seamless Patient Experience Advisory Committee

2017, Invited member of the Selections Committee for a Scientist posting, Research Institute in Oncology and Hematology (RIOH), CancerCare Manitoba (CCMB)

2017-2019, College of Nursing, Rady Faculty of Health Sciences, University of Manitoba – Graduate Curriculum Governance and Quality Assurance Committee

2016-present, Invited member of the St. Boniface Hospital Awards Nomination Committee

2016-2018, College of Nursing, Rady Faculty of Health Sciences, University of Manitoba – Promotion and Tenure Committee

2015-present, College of Nursing, Rady Faculty of Health Sciences, University of Manitoba – Human Ethics Research Review Committee

2015-present, Invited member of the International Psycho-Oncology Society (IPOS) Website Committee

2012-present, Invited member of the International Psycho-Oncology Society (IPOS) Research Committee

2012-present, Invited member of the International Psycho-Oncology Society (IPOS) Awards Committee

2007-present, Nominations and Governance Committee, CancerCare Manitoba Board of Directors

Past:

2008-2017, Invited member of the Canadian Association of Psychosocial Oncology (CAPO) Clinical Practice Committee

2017, Invited member (for one candidate) of the College of Nursing, Rady Faculty of Health Sciences, University of Manitoba – College Selections Committee

2012-2017, Invited member of the Research Advisory Network of the Research Working Group of the Canadian Lymphedema Framework

2013-2016, College of Nursing, Faculty of Medicine, University of Manitoba – Promotions Committee

2012-2015, Invited member of the International Psycho-Oncology Society (IPOS) Finance Committee

2015, College of Nursing, Faculty of Health Sciences, University of Manitoba, Invited member of Faculty Selections Committee for Biostatistician Tenure-Track position.

2013-2015, Chair, International Psycho-Oncology Society (IPOS) Website Committee

2015 Reviewed the draft guideline from Cancer Care Ontario's Program in Evidence-based Care on Management of Depression in Patients with Cancer

2014-2015, Canadian Partnership Against Cancer (CPAC), Invited Expert Panel member, A Pan-Canadian Practice Guideline: Screening, Assessment and Care of Psychosocial Distress (Depression, Anxiety) in Adults with Cancer

2014-2015, Canadian Partnership Against Cancer (CPAC), Invited Expert Panel member: A Pan-Canadian Practice Guideline: Screening, Assessment and Care of Cancer-related Fatigue in Adults with Cancer

2013-2015, College of Nursing, Faculty of Health Sciences, University of Manitoba – Tenure and Promotion Criteria Revision Adhoc Committee

2009-2013, International Psycho-Oncology Society (IPOS) Federation, Chair, Internal Task Force on Guidelines, Standards, Training and Accreditation

2012-2013, Faculty of Nursing, University of Manitoba, Researcher in Residence Advisory Committee

2012-2013, Advisory Committee for the Selection of a President and CEO for CancerCare Manitoba

2009-2013, Faculty of Nursing, University of Manitoba, Faculty Selections Committee (Chair, 2010-2013)

2005-2012, Faculty of Nursing, University of Manitoba – Promotions Committee

2011-2012, Canadian Cancer Society Research Institute, Invited member of Research Redesign Working Group - Enhanced Quality of Life for Canadians Living with and Beyond Cancer

2010-2012, Ontario Oncology Nursing E-Mentorship Program, Invited member of the National Advisory Committee

2010 Palliative and End-of-Life Care Education for Canadian Oncology Professionals, a committee of the Canadian Partnership Against Cancer (CPAC) Cancer Journey Action Group, module reviewer for EPEC™-O Canada curriculum

- 2009-2012, Canadian Partnership Against Cancer (CPAC), Invited member of the Cancer Journey Action Group's expert panel developing a pan-canadian cancer survivorship guideline for psychosocial aspects of care in the post-treatment survivorship period
- 2009 Canadian Cancer Society Research Institute, Invited participant for "Towards a Pan-Canadian Cancer Research Strategy: A Key Stakeholder Consultation", Edmonton, June 16<sup>th</sup>
- 2009-2012, Canadian Partnership Against Cancer (CPAC), Invited member of the Cancer Journey Action Group's National Advisory Panel for Survivorship
- 2008 CIHR/CPAC/NCIC, Invited participant for "Identifying Priorities for Cancer Survivorship Research: A Pan-Canadian Invitational Workshop", Vancouver, November 21<sup>st</sup>-22<sup>nd</sup>
- 2008-2010, Canadian Partnership Against Cancer (CPAC), Invited Expert Panel Member for Patient-Family Focused Cancer Care Outcomes: A Core Set of Validated Measures for Canada
- 2008-2009, Canadian Breast Cancer Research Alliance, Invited member of the National Research Framework Working Group
- 2008 Centre for Behavioural Research and Program Evaluation (CCSRI), Invited consultant to the 2009-2014 Strategic Plan
- 2008-2009, Canadian Breast Cancer Research Alliance, Invited Chair, Psychosocial and Quality of Life Grants Competition International Working Group for Development of Terms of Reference
- 2008-2012, Canadian Partnership Against Cancer (CPAC), Invited member to Cancer Journey Action Group's Guidelines and Standards Advisory Panel.
- 2008-2009, Canadian Partnership Against Cancer (CPAC), Invited Expert Panel member, A Pan-Canadian Clinical Practice: Assessment of Psychosocial Health Care Needs of the Adult Cancer Patient
- 2008-2010, Faculty of Nursing, University of Manitoba, Graduate Studies Committee
- 2008-2009, Faculty of Nursing, University of Manitoba, Tenure and Promotion Criteria Review Committee
- 2008, Dean's Award for Teaching Excellence, Faculty of Nursing, University of Manitoba, Selections Committee member
- 2008, University of Manitoba Learning Technologies Centre, Summer Institute on "Designing, Developing and Delivering Augmented, Blended and/or Online Courses", June 2<sup>nd</sup>-7<sup>th</sup>

2008, Canadian Breast Cancer Research Alliance – Invited participant for “Mapping the Future”, a National Breast Cancer Research Summit, Toronto, May 26<sup>th</sup>-27<sup>th</sup>

2008, Canadian Partnership Against Cancer (CPAC), Invited participant for “Screening for Distress” workshop, Calgary, March 6<sup>th</sup>-7<sup>th</sup>

2007, Canadian Partnership Against Cancer (CPAC), Invited participant for “Patient Navigation” workshop, Winnipeg, December

2007, Private Infusion Clinic Working Group, CancerCare Manitoba Board representative, Manitoba Health

2007, Canadian Health Services and Research Foundation, Invited participant for “Listening for Direction III”: A national consultation on health services and policy issues, Toronto, April 5<sup>th</sup>

2006, National Cancer Institute of Canada, Invited participant for strategic planning in survivorship, supportive care, and symptom control, Toronto, September 14<sup>th</sup>

2006, Canadian Breast Cancer Research Alliance, Co-Chair for Strategic Agenda Workshop, Toronto, December 1<sup>st</sup>-2<sup>nd</sup>

2006, St. Boniface General Hospital Research Centre, Appointed by the Executive Director to the Research Generation Committee
