

CURRICULUM VITAE

MAUREEN I. HEAMAN, RN, PhD

ADDRESS

Office: College of Nursing, Rady Faculty of Health Sciences
Room 357 Helen Glass Centre for Nursing
89 Curry Place
University of Manitoba
Winnipeg, Manitoba, Canada R3T 2N2
Telephone: 204-474-6222
E-mail: Maureen.Heaman@umanitoba.ca

ACADEMIC BACKGROUND

2001 PhD, Individual Interdisciplinary PhD Program, University of Manitoba
1987 Master of Nursing, University of Manitoba
1978 Bachelor of Nursing, University of Manitoba

PROFESSIONAL EXPERIENCE

- 1) April 1, 2009 to present
Position: Professor (tenured), College of Nursing (formerly Faculty of Nursing),
Rady Faculty of Health Sciences, University of Manitoba, Winnipeg,
Manitoba, Canada
July 1, 2007 to March 31, 2009
Position: Associate Professor (tenured), Faculty of Nursing
March 26, 2002 to June 30, 2007
Position: Associate Professor (tenure track), Faculty of Nursing
November 1, 1999 to March 25, 2002
Position: Assistant Professor (tenure track), Faculty of Nursing,
University of Manitoba
Responsibilities: Responsible for teaching courses in the graduate and undergraduate
programs in nursing; supervision of graduate students; research and
scholarly activities; community service.
- 2) January 1, 2006 to December 31, 2008
Position: Associate Dean, Research and Director, Manitoba Centre for Nursing
and Health Research (formerly Manitoba Nursing Research Institute),
Faculty of Nursing, University of Manitoba, Winnipeg, Manitoba
Responsibilities: Responsible for promoting research within the faculty, coordinating
research services and activities, implementing the strategic plan for the
Manitoba Centre for Nursing and Health Research, serving as Research

Liaison Officer for the faculty, and maintaining own program of research and scholarship.

- 3) January 1, 2002 to June 30, 2002
Position: Acting Associate Dean, Graduate Program, Faculty of Nursing
University of Manitoba Winnipeg, Manitoba, Canada
Responsibilities: Responsible for administration of the graduate program in nursing.
- 4) September 1998 to October 1999
Position: Director of Research
Winnipeg Community and Long Term Care Authority (WCA)
Winnipeg, Manitoba, Canada
Responsibilities: Responsible for coordination of research activities, development of an infrastructure to support research, provision of consultation services to those pursuing research projects within the WCA, and establishment of collaborative relationships with stakeholders; served as Co-Director of the Research and Evaluation Unit.
- 5) September 1994 to June 1996; December 1997 to October 1999
Position: Adjunct Professor, Faculty of Nursing
University of Manitoba
Winnipeg, Manitoba, Canada
Responsibilities: Thesis advisement; supervision and evaluation in the graduate course 49.711 Selected Readings; course leader for the graduate course 49.712 Advanced Perinatal Nursing I (fall term, 1994); supervision and evaluation in the undergraduate course 49.421 Independent Study.
- 6) January 1987 to June 1996; July 1997 to September 1998
Position: Clinical Nurse Specialist
Woman and Child Program
St. Boniface General Hospital
Winnipeg, Manitoba, Canada
Responsibilities: Responsible for maintaining and improving the quality of nursing care through clinical practice, consultation, education, research, program planning, and community service. Area of clinical specialization is high-risk pregnancy.
- 7) June 24, 1996 to June 30, 1997
Position: Acting Director,
Manitoba Nursing Research Institute
Assistant Professor, Faculty of Nursing
University of Manitoba
Winnipeg, Manitoba, Canada
Responsibilities: Responsible for the advancement of nursing and health care research, day-to-day administration and management of the Manitoba Nursing Research Institute, teaching in the Graduate Program in Nursing (Course Leader, Advanced Perinatal Nursing I, fall term, 1996), and maintaining own program of research and scholarship. One year secondment to this position.

- 8) May to September 1995
 Position: Acting Director, Maternal Child Nursing
 St. Boniface General Hospital
 Winnipeg, Manitoba, Canada
 Responsibilities: Responsible for the day to day operations of the Maternal Child Nursing Department, including management and coordination of human and financial resources; providing for the unity of quality patient care, education, research, administrative, financial and planning activities within the clinical Department; preparing the Annual Report.
- 9) January 1991 to August 1994
 Position: Assistant Professor, Faculty of Nursing
 University of Manitoba
 Winnipeg, Manitoba, Canada
 Responsibilities: Supervision and evaluation in the graduate course 49.711 Selected Readings; thesis advisement; course co-leader for the graduate courses 49.712 Advanced Perinatal Nursing I and 49.713 Advanced Perinatal Nursing II (1991-1992); supervision and evaluation in the undergraduate course 49.421 Independent Study in Nursing. Nil appointment.
- 10) May 1988
 Position: Lecturer (sessional), School of Nursing
 University of Manitoba
 Winnipeg, Manitoba, Canada
 Responsibilities: Teaching the intersession course 49:321 Nursing Research Methods for the Post-RN Baccalaureate Program in Nursing.
- 11) January 1985 to May 1985
 Position: Research Assistant
 University of Manitoba
 Winnipeg, Manitoba, Canada
 Responsibilities: Research assistant for the project "Nurse-Patient Interaction in Labour", Janet Beaton, RN, PhD, Principal Investigator.
- 12) September 1980 to April 1985
 Position: Lecturer, School of Nursing
 University of Manitoba
 Winnipeg, Manitoba, Canada
 Responsibilities: Lecturing in the courses Prevention of Illness and Disability in Nursing I and II (focusing on prevention theory and maternal-infant-parent health); supervision of students in clinical practice (high-risk antepartum, labour and delivery); student evaluations; seminar advisement; supervision of students in the Elective in Nursing course; participation in faculty meetings and committees.
- 13) January 1980 to June 1980
 Position: Perinatal Nurse Specialist, Fetal Assessment Unit
 Health Sciences Centre
 Winnipeg, Manitoba, Canada

Responsibilities: Assisted with the establishment of the Fetal Assessment Units at St. Boniface General Hospital and Health Sciences Centre; performed fetal assessments utilizing ultrasound and electronic fetal monitoring; assisted with amniocentesis; provided relevant client teaching regarding high-risk pregnancies; collected research data.

14) September 1978 to January 1980

Position: General Duty Registered Nurse, NICU
St. Boniface General Hospital
Winnipeg, Manitoba, Canada

Responsibilities: Nursing care of the high-risk neonate (including care of premature infant, use of mechanical ventilation, attendance at high-risk deliveries to assist with resuscitation of newborn); care of the parents (emotional support, teaching, promotion of bonding); charge nurse.

RESEARCH AND ADJUNCT APPOINTMENTS

2009 – present	Research Scientist, Manitoba Centre for Health Policy (MCHP), University of Manitoba
2009 – present	Research Affiliate, Manitoba Centre for Nursing and Health Research
02/2007 - 06/2016	Associate Professor (nil salaried appointment), Department of Community Health Sciences, Faculty of Medicine, University of Manitoba
07/2004 - 06/2019	Associate Professor (nil salaried appointment), Department of Obstetrics, Gynecology and Reproductive Sciences, Faculty of Medicine, University of Manitoba
2004 - present	Scientist, Children’s Hospital Research Institute of Manitoba (CHRIM), formerly Manitoba Institute of Child Health (MICH), Winnipeg, Manitoba
2002 - 2008	Research Associate, Manitoba Centre for Health Policy (MCHP), University of Manitoba
2002 - 2007	Research Associate, Perinatal Research Centre, University of Alberta
2002 - 2008	Adjunct Associate Professor, Faculty of Nursing, University of Alberta

AWARDS AND SCHOLARSHIPS

Graduate Education

1999	Women’s Health Research Foundation of Canada Graduate Scholarship for 1999/2000
1999	Patricia Smith Christensen Scholarship, awarded by Sigma Theta Tau
1998	Senator Norman M. Paterson Fellowship for Doctoral study, awarded by the Canadian Nurses Foundation
1985, 1986	The University of Manitoba Graduate Fellowship
1985	The Purdue Frederick Fellowship, awarded by NAACOG
1985	The Margaret Elder Hart Graduate Study Award

Undergraduate Education

1978	University Gold Medal in Nursing
------	----------------------------------

1977	Alumni Association Scholarship (for high standing in nursing)
1975, 1977	Florence Pauls Prize in Nursing (for proficiency and promise of professional competence in nursing)
1975, 1976	Isbister Scholarship (for highest standing in nursing)
1975	School of Nursing Special Bursary
1975, 1976, 1977, 1978	Elizabeth and Walter Saward Bursary
1975, 1976, 1977, 1978	Dean's Honour List

Other Awards

2015	Recipient of the 2015 CAPWHN (Canadian Association of Perinatal and Women's Health Nurses) Excellence in Leadership Award "presented to Maureen I. Heaman, RN, PhD who, throughout her nursing career, has demonstrated excellence in leadership in the care of women, newborns and families. This leadership has influenced others towards the highest standards of care, be it through clinical practice, education, research, community service, and/or professional advocacy."
2013	Recipient of a 2012 Merit Award in the Research, Scholarly Work and Creative Activities category, awarded by the Joint University of Manitoba/University of Manitoba Faculty Association Committees on Merit Awards: Life Sciences, Natural Sciences & Engineering (\$3,000)
2012	Recipient of the YMCA-YWCA of Winnipeg's 2012 Women of Distinction Award in the category of Science, Technology and the Environment
2011	Poster Award (First Prize) at the Canadian Association of Perinatal and Women's Health (CAPWHN) 1 st National Conference, Victoria, BC, awarded on October 29, 2011 for the poster, "Development and Testing of the Quality of Prenatal Care Questionnaire," presented by CIHR Institute of Human Development, Child and Youth Health
2010	Best Oral Communication Prize for the presentation, "Factors associated with inadequate prenatal care among inner-city women in Winnipeg, Canada," at the Global Congress of Maternal and Infant Health, Barcelona, Spain, September 22-26, 2010
2008 - 2013	Canadian Institutes of Health Research Mid-Career Research Chair – New Perspectives in Gender, Sex and Health
2008	Canadian Nurses Association Centennial Award. The Centennial Awards "signify a celebration of 100 exceptional registered nurses whose personal contributions have made an outstanding and significant impact on the nursing profession."
2007	University of Manitoba Rh Award for Outstanding Contributions to Scholarship and Research in the Interdisciplinary Category
2003 - 2008	Canadian Institutes of Health Research New Investigator Award
2000	Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN) 2000 Convention "Outstanding Evidence-Based Poster Award" for <i>Perinatal Health Surveillance in Manitoba</i>
1999	Manitoba Association of Registered Nurses "Award for Excellence in Professional Nursing Research"
1997	Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN) 1997 Convention "Outstanding Research Poster Award" for <i>Home versus hospital management of pregnant women with spontaneous preterm premature rupture of membranes (SPROM)</i>
1995	ACOG/Mead Johnson Bristol Myers Squibb "Focus on Patient Education Award" for the submission <i>Community Based Antenatal Home Care Program</i> by Dr. M. Helewa, M. Heaman, and L. Dacombe

- 1993 Canadian Obstetric, Gynecologic and Neonatal Nurses (COGNN) “Award of Excellence” in recognition of outstanding contributions to OGN nursing in Canada through clinical expertise and leadership, promoting the profession of nursing in Canada
- 1992 NAACOG District VI Conference – “Award for Best Paper Presentation”, for *A win-win situation: Community-based care for women with antepartum complications*

CONTRACTS FOR RESEARCH WORK

- 2009 - 2011 Principal Investigator, *Perinatal Services and Outcomes in Manitoba*. Project undertaken under contract by the Manitoba Centre for Health Policy as a deliverable for Manitoba Health. \$250,000 over two years.
- 09/2003 - 08/2004 Co-principal investigator for project, *An interpretive evaluation of the BabyFirst program* with K. Chalmers and R. Woodgate. Winnipeg Regional Health Authority, contract, \$46,137.00.

FUNDED RESEARCH PROJECTS

- 04/2015 – 03/2020 Co-investigator for project, *DEVOTION: Developmental Origins of Chronic Diseases in Children Network*, with J. McGavock & A. Halayko (PIs) and several other co-investigators. Research Manitoba cluster team grant, \$2,500,000 and The Lawson Foundation team grant, \$1,200,000.
- 06/2015 – 05/2016 Co-Principal Investigator with P. Gregory (PI) and co-investigators M. Moffatt, M. Isaac, L. Larocque, L. Moberly, J. Lutz, W. Phillips-Beck, R. Campbell, C. Betker, & K. Mitchell, for project, *Factors associated with inadequate prenatal care among women in Northern Manitoba*. Funded by \$61,470 from the DEVOTION project.
- 07/2014 – 06/2016 Collaborator for project, Manitoba Infant Feeding Database-A capture recapture study, with Dr. Nathan Nickel (PI). Manitoba Health Research Council, \$161,448.
- 09/2014 - 08/2015 Thesis supervisor for project, *Experiences and satisfaction with intrapartum care: A comparison of normal weight and obese women*, with C. Finnbogason (PI), graduate student. Gembe Nursing Research Grant, Health Sciences Centre Foundation, \$5,000.00.
- 07/2014 – 06/2015 Thesis supervisor for project, *Experiences and satisfaction with intrapartum care: A comparison of normal weight and obese women*, with C. Finnbogason (PI), graduate student. Kathleen & Winnifred Ruane Graduate Student Research Grant, \$3,000.00.
- 07/2014 – 06/2015 Thesis co-supervisor for project, *A survey of current practices and factors associated with health care professionals' use of probiotics*, with Y. Londono

- (PI), graduate student. Faculty of Nursing Endowment Fund Graduate Student Research Grant, \$5,000.00.
- 07/2014 – 06/2015 Thesis supervisor for project, *Perception of pregnancy risk among women with gestational diabetes and their partners: The impact of gender*, with S. Lennon (PI), graduate student. Dr. Lesley Degner Graduate Student Research Grant, \$7,097.00.
- 07/2013 – 06/2017 Co-investigator for project, *A trial of labour or a repeat cesarean section? A mixed methods study examining women's preference and providers' counsel*, with C. Kurtz Landy (PI), W. Sword (Co-PI). P. Angle, A. Biringer, J. Blake, S. Boblin, C. Cunningham, H. MacDonald, S. MacDonald, M. Morris, & H. Shannon. Canadian Institutes of Health Research operating grant, \$380,324.
- 07/2013 – 06/2020 Co-investigator for project, *Health and social impacts on the family following fetal/infant death*, with A. Lang (PI), E. Strumpf (Co-PI), J. Bolton, M. Brownell, D. Chateau, M. Doupe, G. Finlayson, S. Huckstep, & J. Sareen. Canadian Institutes of Health Research operating grant, \$401,652. CIHR granted an extension on this grant to 2020.
- 11/2012 – 10/2014 Co-investigator for project, *Integrated Maternal Psychosocial Assessment to Care Trial Pilot (IMPACT-Pilot)*, with Kingston, D. (PI) Austin, M-P., Biringer, A., Chaput, K., Hegadoren, K.M., M., Lasiuk, G.C., MacQueen, G., McDonald, Sheila, McGrath, P., Schopflocher, D., Watts, R. Norlien Foundation, \$124,996.
- 07/2012 – 06/2013 Co-investigator for project, *Barriers and facilitators of psychosocial assessment in pregnant and postpartum women and their healthcare providers*, with D. Kingston (PI), M.P. Austin, A. Biringer, K. Hegadoren, G. Higgenbottom, G. Lasiuk, S. McDonald, W. Sword. Women's and Children's Health Research Institute, Edmonton, Alberta, \$49,998.
- 07/2012 – 06/2013 Principal investigator/thesis supervisor for project, *A case study of implementation of regulated midwifery in Manitoba*, with K. Thiessen, graduate student. MCNHR Research Grant, \$4,000.
- 04/2012 – 03/2017 Principal investigator for project, *Reducing inequities in access to and use of prenatal care in the Winnipeg Health Region through health system improvement*, with L. Tjaden, G. Carson, C. Cook, L. Elliott, P. Gregory, M. Helewa, D. Kingston, M. Kozlowski, S. Mahmud, L. Matheson, M. Moffatt, M. Morris, W. Phillips-Beck, J. Sanderson, M. Sussman, & W. Sword. Canadian Institutes of Health Research, Partnerships for Health System Improvement (PHSI) competition, \$400,000; Manitoba Health Research Council partnership funding, \$79,000; in-kind contributions from Winnipeg Regional Health Authority \$10,000 and Healthy Child Manitoba \$10,000, for a total budget of \$500,000. Granted extension by CIHR for use of remaining funds to March 31, 2017.
- 10/2011 – 09/2013 Co-investigator for project, *Impact of diabetes during pregnancy and breastfeeding on subsequent diabetes in First Nations mothers and children*, with

- G. Shen (PI), H. Dean, P. Gardiner, P. Martens, S. Ludwig, E. Sellers, J. McGavock, M. Morris, L. Shafer, & G. Sevenhuysen. Canadian Institutes of Health Research Secondary analysis of databases grant, \$100,000.00.
- 07/2011 – 06/2012 Co-investigator for project, *Do neighborhood characteristics influence maternal health disparities?* with W. Sword (PI), J. Eyles, & D. Kingston. Canadian Institutes of Health Research Catalyst Grant: Maternal Health, \$39,907.00.
- 06/2011 – 05/2012 Co-investigator for project, *Diabetes in pregnancy: Knowledge translation research to improve infant outcomes*, with S. Taback (PI), M. Helewa, S. Ludwig, M. Morris, V. Woo, & C. Oleschuk. Manitoba Institute of Child Health operating grant, \$39,255.00.
- 06/2011 – 05/2012 Thesis supervisor for project, *Factors related to women's experiences and satisfaction with prenatal care* with P. Gregory (PI), graduate student. Kathleen & Winnifred Ruane Graduate Student Research Grant for Nurses, \$3,000.00.
- 06/2011 – 05/2012 Principal investigator/thesis supervisor for project, *Factors related to women's experiences and satisfaction with prenatal care* with P. Gregory, graduate student. Manitoba Centre for Nursing and Health Research Grant, \$4,000.00.
- 07/2010 – 12/2011 Principal investigator for project, *Pathways between pre- and post-natal maternal psychological distress and childhood anxiety*, with D. Kingston & M. Brownell. Manitoba Institute of Child Health operating grant, \$30,000.00.
- 10/2009 – 07/2011 Thesis supervisor for project, *Demographic and psychosocial correlates of illicit drug use in pregnancy: A mixed methods study*, with Lisa Merrill (PI), graduate student. Kathleen & Winnifred Ruane Graduate Student Research Grant for Nurses, \$3,000.00.
- 10/2009 – 06/2011 Principal investigator/thesis supervisor for project, *Advanced maternal age and risk perception* with H. Bayrampour, graduate student. Manitoba Institute of Child Health small grant, \$3,520.00.
- 07/2009 – 06/2011 Nominated Principal Investigator for project, *Predictors and Outcomes of Prenatal Care: Vital Information for Future Service Planning*, with P. Martens (Co-PI), M. Brownell, M. Helewa, & M. Chartier. Canadian Institutes of Health Research Operating Grant: Maternal and Child Health in partnership with Public Health Agency of Canada – Health Surveillance and Epidemiology Division (Funding reference number MCH - 97591), \$100,000.
- 10/2007 – 09/2011 Co-Principal Investigator for project, *Quality of prenatal care questionnaire: Instrument development and testing*, with W. Sword (Nominated PI), N. Akhtar-Danesh, M. Helewa, E. Hutton, P. Janssen, S. Tough, D. Young, & D. Kingston. Canadian Institutes of Health Research Operating Grant (application number 172610), \$129,062 per year for 4 years.

- 09/2007 – 08/2009 Co-investigator for project, *The World Health Organization Global Survey for Maternal and Perinatal Outcomes in Canada*, with S. Lee & A. Armson (Co-PIs), V. Allen, E. Bujold, C. Frick, S. Liu, A. Ohlsson, P. Von Dadelszen, J. Andruschak, J. Crane, J. Moutquin, J. Pasquier, M. Walker, R. Attenborough, O. DaSilva, P. Janssen, P. Murphy, R. Patt, J. Bottomley, A. Dumont, M. Klein, B. O'Brien, R. Sauve. Canadian Institutes of Health Research research grant, \$250,000 per year for 2 years. Funded by the Institute of Human Development, Child and Youth Health RFA on “Survey of Mode of Delivery and Maternal and Perinatal Outcomes.”
- 10/2006 - 09/2009 Principal investigator for project, *Factors associated with inadequate prenatal care among inner-city women in Winnipeg*, with L. Elliott, M. Helewa, M. Moffat, & W. Sword. Canadian Institutes of Health Research Operating Grant (application number 159467), \$135,574 per year for 3 years.
- 04/2006 - 08/2007 Co-investigator for project, *International comparisons of the perinatal health and care of migrant women*, with A. Gagnon (PI), R. Small, D. Stewart, & M. Zencovich. Canadian Institutes of Health Research International Opportunities Program – Collaborative Research Project Grants, \$100,000 for 1 year.
- 07/2005 – 06/2008 Co-investigator for project, *Community characteristics and birth outcomes among Canadian aboriginal women*, with Z.C. Luo (PI), W. Fraser, P. Martens, J. Smylie. Canadian Institutes of Health Research, An Opportunity for New Researchers in Aboriginal Health competition, \$73,130 per year for 3 years.
- 01/2005 - 12/2005 Principal investigator/thesis supervisor for project, *Effects of a parent education program on maternal self-efficacy and perceptions of their child’s self-management of a life-threatening food allergy* with S. Fogg, graduate student. Manitoba Institute of Child Health, small grant \$5,000.00.
- 01/2005 - 03/2006 Thesis supervisor for project, *The influence of adolescent mothers’ breastfeeding confidence and attitudes on breastfeeding initiation and duration*, with M. Mossman, graduate student. Health Sciences Centre Foundation, Nursing Research fund, operating grant \$4,945.00.
- 07/2004 - 06/2005 Co-investigator and PhD committee member for project, *Activity levels for women at risk for preterm birth (PTB): A survey of Canadian care providers*, with A. Sprague, B. O’Brien, C. Newburn-Cook, and C. Nimrod. Alberta Heritage Foundation for Medical Research, operating grant, \$45,227.00.
- 07/2002 - 06/2004 Principal investigator for project, *Prenatal care utilization in Manitoba: Determinants and associations with preterm birth*, with C. Newburn-Cook, L. Elliott, C. Green and M. Helewa. Manitoba Health Research Council, operating grant, \$48,300.00.
- 05/2002 - 09/2003 Co-Principal Investigator with A. Gupton for project, *Psychometric testing of the Perception of Pregnancy Risk Questionnaire*. University of Manitoba Research Grants Program, operating grant, \$7,495.00.

- 07/2001 - 06/2003 Co-Principal Investigator with C. Newburn-Cook for project, *Direct medical costs of low birth weight infants from birth to seven years of age in two Canadian provinces*. Alberta Heritage Foundation for Medical Research, operating grant, \$100,000.00.
- 2000 - 2002 Co-Investigator with J. Wylie and A. Jolly for research project, *Winnipeg Injection Drug User Study: Integrating Social Network and Genetic Data for Program Planning and Delivery*. Funded on a contract basis by Hepatitis C Division, Health Promotion and Programs Branch, Health Canada for \$100,000.00.
- 1999 - 2001 Co-Principal Investigator with A. Gupton (PhD Advisor) for dissertation research project, *Risk factors for spontaneous preterm birth among aboriginal and non-aboriginal women in Manitoba*. Recipient of operating grant from Children's Hospital Foundation for \$37,666.00, and small research grant for \$3,641.00.
- 1998 - 2000 Co-principal investigator with A. Gupton, RN, PhD, University of Manitoba, and F. Wight Moffatt, RN, MSN, Dalhousie University, *Stressors, perceptions and anxiety of nulliparous women after 37 weeks gestation*. Recipient of research grant from Manitoba Association of Registered Nurses for \$2,500.00.
- 1996 - 1998 Co-principal investigator with A. Gupton, RN, PhD, *Perception of risk of women with complicated and uncomplicated pregnancies*. Recipient of research grant from Health Sciences Centre Foundation for \$5,184.00.
- 1993 - 1995 Co-principal investigator with A. Gupton, RN, PhD, *Bedrest from the high risk pregnant woman's perspective*. Recipient of research grant from Manitoba Association of Registered Nurses for \$3,071.00.
- 1992 - 1996 Research consultant and co-investigator, *Effects of a research based breastfeeding protocol on breastfeeding duration among women delivering at St. Boniface General Hospital*. Principal investigator: Terri Ashcroft, RN, MN. Recipient of research grant from COGNN for \$1000.00 and from Manitoba Association of Registered Nurses for \$2,200.
- 1988 - 1990 Principal Investigator, *A Comparison of childbirth expectations in high risk and low risk pregnant women*. Co-investigators J. Beaton, RN, PhD, A. Gupton, RN, MN, and J. Sloan, MSc. Recipient of research grant from Manitoba Association of Registered Nurses for \$2,569.88.
- 1986 - 1987 Thesis, *Life stress, social support, and mood disturbance in hospitalized and non-hospitalized women with pregnancy induced hypertension*. Recipient of Manitoba Health Research Council Studentship for \$11,450.00.

OTHER FUNDED PROJECTS/TRAINING GRANTS/SALARY AWARDS/TRAVEL AWARDS

- 2014 Principal investigator with Suzanne Lennon (graduate student), Kellie Thiessen, Dr. Hamideh Bayrampour, & Lisa Demczuk for a MCNHR Systematic Review Award for the review entitled *Gender differences in adults' perception of health related risk: A systematic review*, \$5,000.
- 2014 Principal investigator with Suzanne Lennon (graduate student), Yenly Londono (graduate student), Dr. Hamideh Bayrampour, & Dr. Dawn Kingston for a MCNHR Systematic Review Award for the review entitled *Effective prenatal care interventions on the timing of PNC initiation, number of PNC visits as well as maternal and child outcomes*, \$10,000.
- 08/2011 – 07/2012 Co-applicant with Dr. Ruth Dean, Department of Foreign Affairs and International Trade Canada, Canadian Commonwealth Scholarships Program, \$10,000, to provide support and mentorship for Evelyne Rotich, doctoral student, University of Cape Town, South Africa.
- 01/2011 – 12/2011 Co-applicant with Dr. Dawn Kingston (PI) and Dr. Wendy Sword, Canadian Institutes of Health Research Meetings, Planning and Dissemination (MPD) Grant: Planning Grants, \$12,963.00 to support the workshop, *Evaluating the feasibility of routine psychosocial assessment in pregnant and postpartum women*, held in Winnipeg in September 2011.
- 01/2010 – 03/2010 Principal applicant, Canadian Institutes of Health Research Meetings, Planning and Dissemination (MPD) Grant, \$15,000.00 to support the Knowledge Translation workshop: *Prenatal care for inner-city women in Winnipeg: Barriers, facilitators and future directions*, held in Winnipeg, MB on May 6, 2010.
- 2009 Travel support of \$1,500.00 from the Manitoba Institute of Child Health for presentation of one paper and two posters at the EUROPEI 2009 European Congress in Warsaw, Poland in August 2009.
- 07/2008 – 06/2013 Canadian Institutes of Health Research Mid-Career Research Chair – New Perspectives in Gender, Sex and Health: *Disparities in women's prenatal health, access to prenatal care, and pregnancy outcomes*. \$750,000.00.
- 2008 Travel support of \$1,155.00 from the Manitoba Institute of Child Health for presentation of abstracts at the Society for Pediatric and Perinatal Epidemiologic Research (SPER) 21st Annual Meeting, Chicago, IL on June 23-24, 2008.
- 2006 Principal applicant, Canadian Institutes of Health Research Institute of Health Services and Policy Research – Research Community Development Funding Program; \$7,000 to support the workshop, *Timely access to quality prenatal care for Canadian women: Implementing a research agenda in prenatal care*, held in Winnipeg on October 12-13, 2006.

- 2005 Principal applicant, Canadian Institutes of Health Research Institute of Human Development, Child and Youth Health Workshop Funding Program; \$9,554 to support the workshop, *Developing a Canadian research agenda in prenatal care*, held in Winnipeg on September 8-9, 2005.
- 07/2003 -06/2008 Canadian Institutes of Health Research New Investigator Award, salary support of \$50,000 per annum for five years.
- 2003 - 2009 Co-applicant and mentor for the CIHR Training Program Grant, *CIHR Strategic Training Program in Maternal-Fetal-Newborn Health*; \$300,000 per annum for 6 years; Principal applicant and program coordinator, Dr. David Olson, University of Alberta Perinatal Research Centre.
- 2002 - 2007 Co-applicant and mentor for the CIHR Training Program Grant, *Strategic Training Initiative in Research in Reproductive Health Sciences*, \$300,000 per annum for 5 years, Principal applicant and program coordinator, Dr. William Fraser, University of Montreal.
- 2002 Faculty of Nursing Endowment Fund competition, \$2,940.00 awarded to M. Heaman, J. Beaton, A. Gupton, & S. Kluka on behalf of the Woman Child & Family Research Group to fund Visiting Scholar, Dr. Ellen Hodnett, Professor, University of Toronto Faculty of Nursing
- 2001 Institute Support Grant of \$10,000.00 awarded by CIHR Institute of Human Development and Child and Youth Health to J. Medves, K. Benzies, B. Davies, M. Heaman for a Maternal Child Nurse Researchers Forum to be held on November 30, 2001.
- 2001 Travel support of \$1,500.00 from Children's Hospital Foundation for presentation of abstracts at the Society for Pediatric and Perinatal Epidemiologic Research (SPER) Annual Meeting and the Society of Obstetricians and Gynaecologists of Canada Annual Clinical Meeting in June 2001.
- 2000 Faculty of Nursing Endowment Fund Competition, \$3,913.00 awarded to M. Heaman, L. Secco, A Gupton on behalf of the Maternal Child Research Interest Group to fund Visiting Scholar, Dr. Ora Strickland, Professor, Nell Hodgson Woodruff School of Nursing at Emory University, Atlanta, GA

SUPERVISION OF GRADUATE STUDENTS AND POST DOCTORAL FELLOWS

Postdoctoral Fellows

- 12/2009 – 12/2011 Supervisor, Dawn Kingston, RN, PhD. Obtained PhD from McMaster University; Dissertation topic, *Prenatal maternal stress and preterm birth*.

International Students

2012 Supervisor, Everlyne Rotich, BScN, MScN (Midwifery), Lecturer, Moi University, Eldoret, Kenya and Doctoral student, University of Cape Town, South Africa, for a 6-month visit to the University of Manitoba through the Canadian Commonwealth Scholarship Program, funded by the Canadian Bureau for International Education (\$10,000).

Doctoral Students

2012 – present Supervisor, PhD committee, Suzanne Lennon, PhD in Nursing Program, University of Manitoba. Thesis topic: *Gender differences in perception of pregnancy risk among women with gestational diabetes and their male partners: A mixed methods study*. Recipient of: U. of M. Child Health Graduate Studentship in Nursing, \$8,000, 2013/2014; MHRC/MICH Studentship Award, \$17,850 per annum for two years, 07/2013-06/2015; Graduate student traineeship from Dr. Heaman's CIHR Chair in Gender and Health, \$20,000 per annum for one year, 2012/13; Women's Health Research Foundation of Canada Graduate Scholarship, \$3000, 2013/14; Irene E. Nordwich Foundation Award for Incoming PhD students, \$5000, 2012/13; Health Sciences Centre Education Trust Fund, bursary of \$3000, 2012/13; Health Sciences Centre Nursing Education Award, \$250, 2012/13; Manitoba Institute of Child Health travel grant, \$1000, and Faculty of Graduate Studies, travel grant, \$750, October 2012; Johnson & Johnson Inc. Student Poster Award, 2nd prize, \$100, CAPWHN 2nd National Conference, October 2012. Received certificate of attendance for the Joanna Briggs Institute Comprehensive Systematic Review Training Programme, December 2013.

09/2012 – 10/2016 Co-supervisor, PhD committee, Yenly Londono, PhD Program in Applied Health Sciences, University of Manitoba. Thesis topic, *A Survey of Factors Associated with Health Care Professionals' Use of Probiotics in Preterm Infants*. Recipient of: University of Manitoba Graduate Fellowship; the Child Health Graduate Studentship in Nursing, \$8,000, 2013/14. Received certificate of attendance for the Joanna Briggs Institute Comprehensive Systematic Review Training Programme, December 2013.

2009 – 2014 Supervisor, PhD committee, Kellie Thiessen, PhD Program in Applied Health Sciences, University of Manitoba. Thesis topic, *A case study of the implementation of regulated midwifery in Manitoba*. Recipient of: CIHR Institute Community Support Travel Award with the Institute of Gender and Health, 2014; affiliate studentship from the Western Regional Training Centre for Health Services Research, \$5,000, 2010/11; graduate student traineeship from Dr. Heaman's CIHR operating grant, *Predictors and Outcomes of Prenatal Care: Vital Information for Future Service Planning*, \$17,850 per annum for one year, 2009/2010; Applied Health Sciences Graduate Student Travel Award, \$1000, April 2012.

2008 – 2013 Supervisor, PhD committee, Patricia Gregory, PhD Program in Applied Health Sciences, University of Manitoba. Thesis topic, *Factors related to women's experiences and satisfaction with prenatal care*. Recipient of: Foundation for Registered Nurses of Manitoba Inc. Scholarship of \$3,000, 2008/09 and 2011/12; B0ronze award, Manitoba Centre for Nursing and Health Research Graduate

Student Research Poster Competition, April 5, 2011; Second prize, Applied Health Sciences PhD Program Research Day Poster competition, April 1, 2011; Faculty of Graduate Studies Special Award for the Fall 2011 and Winter 2012 Session, \$5,000.

- 2007 – 2011 Supervisor, PhD Committee, Hamideh Bayrampour, PhD Program in Applied Health Sciences, University of Manitoba. Thesis topic, *Risk perception and advanced maternal age*. Recipient of a CIHR Studentship from the Strategic Training Program in Maternal, Fetal and Newborn Health, \$11,500 per annum for one year, and a University of Manitoba Graduate Fellowship, \$16,000, in 2008; a MHRC RPP/CIHR Fellowship, \$45,000 and a top up award from the Strategic Training Program in Maternal, Fetal and Newborn Health, \$5000 in 2009. Recipient of a CIHR graduate student traineeship from Dr. Heaman's CIHR Chair in Gender and Health award, \$17,850 per annum for two years, 2010 and 2011. Applied Health Sciences Ph.D. Research Assistantship Award in 2009, \$500. Poster Prize, 5th Annual Child Health Research Day Symposium, Winnipeg, November 12, 2009, \$50. The Best Poster Prize, 9th Annual Conference of Canadian Association of Midwives, Winnipeg, November 5, 2009, \$400. The Student Poster Prize, Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN) Canada 20th National Conference, Winnipeg, October 17, 2009, \$625. Bronze Award winner, MCNHR Graduate Student Research Poster Competition, May 18, 2010. Gold award, Manitoba Centre for Nursing and Health Research Graduate Student Research Poster Competition, April 5, 2011, \$400. Applied Health Sciences Graduate Student Travel Award, October 2011, \$750.
- 2003 - 2007 Member, PhD committee, Randy Fransoo, Department of Community Health Science, Faculty of Medicine, University of Manitoba. Thesis topic, *How health status at birth and through childhood affects children's performance in school*. Recipient of Dissertation award from Manitoba Health Research Council, 2007, \$4,750; Evelyn Shapiro award for Health Services Research, 2007, \$5,000; RBC foundation Graduate student stipend, 2006, \$15,000.
- 2003 - 2006 Member, PhD Supervisory committee, Ann Sprague, Faculty of Nursing, University of Alberta. Thesis topic, *Activity levels for women at risk for preterm birth: A survey of Canadian care providers*. Recipient of Genevieve Gray PhD Medal in Nursing for doctoral student with the highest academic standing who is conducting clinically-based research.

Masters Students

- 2013 Supervisor, Kendra Rieger, Master of Nursing Program, University of Manitoba for her MCNHR Graduate Student Research Award (summer project).
- 2013 – 2015 Internal member, Thesis committee, Leah Crockett, MSc program, Department of Community Health Sciences, Faculty of Medicine, University of Manitoba. Thesis topic, *Long term followup of late preterm births*.
- 2012 – 2015 Advisor, Lauren Fingas, Master of Nursing Program, University of Manitoba.

- 2011 – 2012 Advisor, Suzanne Lennon, Master of Nursing Program, University of Manitoba. Recipient of a graduate student traineeship from Dr. Heaman’s CIHR operating grant, *Predictors and Outcomes of Prenatal Care: Vital Information for Future Service Planning*, \$17,850 per annum for one year, 2011/12. This student was admitted on a “fast track” basis to the PhD in Nursing program in September 2012 after completing one year of the MN program. Recipient of Edith Parker Scholarship, awarded to a student who displays excellence in the field of Maternal Child nursing, 08/2012; Silver award, MCNHR Graduate Student Research Poster competition, May 2012.
- 2011 – 2014 External member, Thesis committee, Rebecca Wood, Master’s Program, Department of Family Social Science, Faculty of Human Ecology, University of Manitoba. Thesis topic: *Choosing the Birth Centre: Exploring women’s experiences of birthplace decision-making*.
- 09/2010 – 05/2016 Chair, Thesis committee, Christine Finnbogason, Master of Nursing Program, University of Manitoba. Thesis topic: *Experiences and satisfaction with intrapartum care: A comparison of normal weight and obese weight women*. Recipient of the Graduate Nursing Students Association Scholarship, Major Steam for 2012/13.
- 2010 – 2013 Internal member, Thesis committee, Margaret Haworth-Brockman, Master of Science Program, Department of Community Health Sciences, Faculty of Medicine, University of Manitoba. Thesis topic, *Gender, deprivation and health in Winnipeg*.
- 2008 – 2011 Chair, Thesis committee, Jennifer Shnitka, Master of Nursing Program, University of Manitoba. Thesis topic, *Factors related to adequate and inadequate use of prenatal care among adolescents in inner-city Winnipeg: A mixed methods study*. Recipient of a CIHR graduate student traineeship from Dr. Heaman’s CIHR Chair in Gender and Health award, \$17,850 per annum for 2 years, 2008/09 – 2010/11. Recipient of the Margaret Elder Hart Graduate Study Award, \$1,725, in 2008/09. Silver Award winner, MCNHR Graduate Student Research Poster Competition, May 18, 2010.
- 2007 – 2011 Chair, Thesis committee, Lisa Merrill, Master of Nursing Program, University of Manitoba. Thesis topic, *Demographic and psychosocial correlates of illicit drug use during pregnancy*. Recipient of a CIHR graduate student traineeship from Dr. Heaman’s CIHR operating grant, *Factors associated with inadequate prenatal care among inner-city women in Winnipeg*, \$17,850 per annum for 2 years, 2007/08- 2009/10; an affiliate studentship from the Western Regional Training Centre for Health Services Research, \$5,000, in 2008/09 with renewal in 2009/10; the Margaret Elder Hart Graduate Study Award, \$1,725, 2008/09, and the Child Health Graduate Studentship, \$8,000. Awarded first place in the CIHR-IHSPR CAHSPR 2009 Student Poster competition for her poster, “Characteristics and pregnancy outcomes of Canadian women who used illicit drugs prior to pregnancy,” prize of \$1,000.
- 2005 Internal Member, Practicum committee, Laura Ferguson, Master of Nursing Program, University of Manitoba. Practicum topic, *Development*,

implementation, and evaluation of a miscarriage educational intervention for emergency room nurses.

- 2004 - 2005 External member, Thesis committee, Patrician Sulaiman, Department of Community Health Sciences. Thesis topic, *Social network analysis of Winnipeg injection drug users.*
- 2003 - 2006 Chair, Thesis committee, Marion Mossman, Master of Nursing Program, University of Manitoba. Thesis topic, *The influence of adolescent mothers' breastfeeding confidence and attitudes on breastfeeding initiation and duration.* Recipient of Health Sciences Centre Foundation Nursing Research Fund operating grant, \$4,945.
- 2003 - 2006 Internal Member, Thesis committee, Tracy Scott, Master of Nursing Program, University of Manitoba. Thesis topic, *The relationship of workplace empowerment and organizational commitment among First Nations and Inuit Health Branch nurses.*
- 2003 - 2006 Chair, Thesis committee, Susan Fogg, Master of Nursing Program, University of Manitoba. Thesis topic, *Effects of a parent education program on maternal self-efficacy and perceptions of their child's self-management of a life-threatening food allergy.* Recipient of Child Health Graduate Studentship in Nursing for 2004-05, \$8,000, and Manitoba Institute of Child Health small grant, \$5,000.
- 2002 - 2004 Internal Member, Thesis committee, Suzanne Wowchuk, Master of Nursing Program, University of Manitoba. Thesis topic, *Critical nurse behaviors in the care of dying elderly residents in the personal care home.*
- 2001 - 2003 Internal Member, Thesis committee, Carolyn-Hill Carroll, Master of Nursing Program, University of Manitoba. Thesis topic, *On becoming fathers: Information and support needs of expectant and new fathers.*
- 2000 - 2002 Chair, Practicum committee, Angela Robinson, Master of Nursing Program, University of Manitoba. Practicum topic, *Smoking in pregnancy: Intervention to promote cessation.*
- 2000 - 2003 Chair, Thesis committee, Zorina Chang, E Master of Nursing Program, University of Manitoba. Thesis topic, *Epidural analgesia during labour and delivery: An examination of the effects on the initiation of effective breastfeeding.* Recipient of AWHONN Canada Johnson & Johnson Research Grant, \$2,000.00, October 2001, and Health Sciences Centre Nursing Research Grant \$1,823.01, November 2001.
- 1995 - 1997 Internal Member, Thesis committee, Barbara Petrowski, Master of Nursing Program, University of Manitoba. Thesis topic, *A descriptive correlational study to investigate factors that influence transition to motherhood in first-time mothers.*

- 1994 - 1995 Internal Member, Thesis committee, Terri Ashcroft, Master of Nursing Program, University of Manitoba. Thesis topic, *Antecedents of uncertainty in women experiencing complications of pregnancy.*
- 1992 - 1994 Internal Member, Thesis committee, Alison Bertram Farough, Master of Nursing Program, University of Manitoba. Thesis topic, *Stress, coping and helpfulness of staff interventions as perceived by fathers of infants in the Neonatal Intensive Care Unit.*

1999 - present	Member, Faculty of Nursing Council
2000 - 2005	Member, Woman, Child and Family Research Group; Chair, Healthy Child Development Research Cluster
2000	Member, Organizing Committee for Visiting Scholar, Dr. Ora Strickland
1988 - 1997	Member, Childbirth Expectations Collaborative Nursing Research Group
1985 - 1986	Member, Graduate Studies Committee (Graduate student representative)
1982 - 1984	Member, Faculty Tenure Committee
1981 - 1983	Member, Nominating Committee
	Member, Student Promotions and Awards Committee
1981 - 1982	Ad Hoc Committee on Nursing of Children

Manitoba Centre for Nursing and Health Research (MCNHR) and Manitoba Nursing Research Institute (MNRI) Committees

2015	Member, MCNHR Research Review committee, PhD applications for Graduate Student Research Grant for Nurses
2013	Chair, MCNHR Research Review Committee
2006 – 2008	Ex officio member, MNRI Advisory Board

1996 - 1997 Ex officio member, MNRI Advisory Board, Development Committee, and Public Relations Committee
 1996 - 1997 Chair, Advisory Planning Committee, MNRI Outcomes Research Conference
 1994 - 1996 Member, MNRI Fundraising Committee

Children’s Hospital Research Institute of Manitoba (CHRIM) -formerly Manitoba Institute of Child Health (MICH)

2015, 2016 Member, Child Health Research Day Organizing Committee

Department of Obstetrics, Gynecology and Reproductive Sciences

2015 Judge, 2nd Annual Resident Research Day presentations, May 8, 2015
 2009 – present Member, Research Committee

Sigma Theta Tau International Honor Society of Nursing

2008 - 2009 Invited international member, Research & Scholarship Task Force

Canadian Institute for Health Information

2011 – 2013 Expert advisory group member, CIHI report, *Giving Birth for Women from Rural Canada*.

Canadian Institutes of Health Research (CIHR)

2015 Invited participant, Preterm Birth Workshop, CIHR Institute of Human Development, Child and Youth Health (IHDCYH), September 2-3, 2015, Toronto, Ontario.
 2012 Invited Moderator, CIHR Institute of Human Development, Child and Youth Health (IHDCYH) Strategic Planning Consultation, June 14, 2012, Winnipeg, Manitoba.
 2011 Invited participant, CIHR Institute of Gender and Health (IGH)-hosted Chairs, Teams and Centres Meeting, Oct. 4-5, 2011, Ottawa, Ontario.
 2011 Invited participant, Workshop on Monitoring Maternal, Fetal, and Neonatal Mortality and Serious Morbidity in India, co-hosted by CIHR Institute of Human Development, Child and Youth Health (IHDCYH) and the ICICI Centre for Child Health and Nutrition, March 15-17, 2011, New Delhi, India.
 2010 Invited participant, Institute of Human Development, Child and Youth Health (IHDCYH), in partnership with the Canadian Child & Youth Health Coalition (CCYHC), workshop entitled “A Health Services Research Agenda: Building Capacity within the Maternal, Child, & Youth Sector,” February 17-18, 2010, Toronto, Ontario.
 2009 Invited participant, CIHR Institute of Gender and Health workshop for researchers entitled, “Moving beyond the binary: Advancing methods and measures in gender, sex and health research,” January 29-30, 2009, Ottawa, Ontario
 2009 Member, planning group, and invited participant, Institute of Human Development, Child and Youth Health (IHDCYH) Maternal Health Consensus Workshop, June 10-11, 2009, Montreal, Quebec.
 2006 Invited participant, Institute of Human Development, Child and Youth Health (IHDCYH) and the World Health Organization (WHO) two-day workshop to

	discuss the WHO Global Survey of Maternal and Perinatal Health, April 5-6, 2006, Montreal, Quebec.
2005 - 2008	Member, Institute Advisory Board, Institute of Human Development, Child and Youth Health (IHDCYH)
2007 – 2009	Member, Program Advisory Committee, CIHR Strategic Training Program in Maternal-Fetal-Newborn (MFN) Health
2005 – 2007	Member, Student Selection Committee, CIHR Strategic Training Initiative in Reproductive Health Sciences (STIRRHS)
2004 - 2006	Member, Curriculum Committee, CIHR Strategic Training Program in Maternal-Fetal-Newborn (MFN) Health
2003 - 2009	Mentor, CIHR Strategic Training Program in Maternal-Fetal-Newborn (MFN) Health
2002 - 2007	Mentor, CIHR Strategic Training Initiative in Reproductive Health Sciences (STIRRHS)

Public Health Agency of Canada

1997 - 2012	Member, Maternal Health Study Group (formerly Maternal Morbidity and Mortality Study Group) of the Canadian Perinatal Surveillance System
1997 – 2009	Member, Maternity Experiences Study Group of the Canadian Perinatal Surveillance System
1995 - 2001	Member, Canadian Perinatal Surveillance System Steering Committee, Bureau of Reproductive and Child Health, Health Canada (representative of COGNN and CNA)

Manitoba Health Research Council

2006	Invited participant, “Creating our future: A strategic planning summit for health research in Manitoba”, May 29-31, 2006, Fort Garry Hotel, Winnipeg
------	------------------------------------------------------------------------------------------------------------------------------------------------------

Manitoba Health

2015 – present	Member, Infant Mortality Working Group
2011 – 2015	Member, Congenital Anomalies Advisory Committee, Epidemiology and Surveillance
2011	Invited participant, Maternal and Child Healthcare Services (MACHS) Consultation. December 7, 2011.
2009 – 2010	Member, Maternal and Child Health Services Task Force (MACHS) Information Repository Work Group
2006 - 2012	Member, Health Information Privacy Committee (appointed to 3 year term as representative of College of Registered Nurses of Manitoba, 2006/07-2008/09; re-appointed for a second 3 year term 2009/10-2011/12)
2004 - 2005	Member, Ministerial Working Group on Maternal/Newborn Services
1996 - 2002	Co-leader, Perinatal Project Team, Manitoba Health Collaborative Epidemiology Unit
1999	Member, Advisory Committee for Enhanced STD Surveillance in Canadian Street Youth Study

1996 - 1997	Member, Planning Committee, and Chair, Abstract Selection Subcommittee, for the Perinatal Research Symposium, Manitoba Health Collaborative Epidemiology Unit
1996 - 1997	Member, Community Nurse Resource Centre Evaluation Team
1996 - 1997	Member, Research Advisory Committee, SmartHealth and the Manitoba Health Information Network
1995 - 1998	Member, Antenatal Home Care Program Central Coordinating Committee
1995 - 1996	Member, Project Team, Services for High-Risk Antenatal Rural and Northern Women
1992 - 1995	Member, Public Health Service Delivery Analysis Steering Committee
1989 - 1995	Co-Chair, Steering Committee for Antepartum Home Care Program Expansion

Manitoba Centre for Health Policy

2009 – 2012	Principal Investigator for the Manitoba Health Deliverable entitled, “Perinatal Services and Outcomes in Manitoba”
2009 – 2010	Member, Working Group for the “Evaluation of the Manitoba Healthy Baby Program”
1999 - 2000	Member, Advisory Group for Child Health Project
1999 - 2000	Member, Advisory Group for Influenza Project

Manitoba Institute of Child Health

2012 – present	Member, Advisory Board, DREAM (Diabetes Research Envisioned and Accomplished in Manitoba) Theme, and member, Developmental Origins of Health and Disease (DOHaD) Steering Committee, a sub-theme of DREAM
2006	Invited participant, strategic planning retreat

AWHONN Association of Women's Health, Obstetric, and Neonatal Nurses (formerly NAACOG The Organization for Obstetric, Gynecologic, and Neonatal Nurses)

1999, 2000, 2002	Member, National Committee on Research (annual appointment by President Elect, AWHONN)
1998 - 2004	Member, AWHONN Canada Committee on Research
1998	Corresponding member, National Committee on Research
1993, 1994	Member, Executive Committee and Executive Board
1993, 1994	Chair, National Committee on Membership
1994, 1995	Member, Planning Committee for AWHONN/Mosby Perinatal Home Care Conferences (Baltimore, MD, December 1994; New Orleans, December 1995)
1992	Member, Home Health Care Focus Group
1991 - 1993	Member, Tenth National Meeting Program Committee (Reno, Nevada, June 1993)
1990, 1991	Chair, National Committee on Education (Washington, D.C.) (annual appointment by President-Elect, NAACOG)
1990	Member, Executive Board
1989	Member, National Committee on Membership
1988 - 1990	Executive Committee and Advisory Board, District VI
1987, 1988, 1989	Member, National Committee on Education (Washington, D.C.) (annual appointment by President-Elect, NAACOG)

1986	Member, National Nominating Committee (Washington, D.C.) (appointed by President-Elect, NAACOG)
1986	Member, Ad Hoc Committee to develop a statement on nurse-midwifery for the Manitoba-Saskatchewan Section
1984 - 1986	Chair, Program Committee, NAACOG District VI Fall Conference (Winnipeg, Manitoba September 1986)
1984, 1985	Chair, Workshop Planning Committee, Manitoba-Saskatchewan Section Spring Workshop
1981, 1983	Chair, Program Committee, Manitoba-Saskatchewan Section Spring Workshop
1982	Member, Program Committee, Manitoba-Saskatchewan Section Spring Workshop

Canadian Obstetric, Gynecologic and Neonatal Nurses (COGNN) - a special interest group of AWHONN (subsequently became AWHONN Canada)

1997	Corresponding Member, COGNN Research Committee
1993 - 1994	Member, COGNN Fifth National Conference Program Committee
1991	Chair, Ad hoc committee to revise the COGNN Bylaws
1989 - 1990	Member, COGNN Advisory Council
1989 - 1990	Member, Program Committee and Chair, Abstract Selection Subcommittee, COGNN First National Conference (Winnipeg, Manitoba, April 1990)

The Society of Obstetricians and Gynaecologists of Canada (SOGC)

2010 – 2013	Member, Society of Investigators of Ob/Gyn in Canada
2006 - 2009	Member, Ethics Committee
2002 - 2006	Member, Society of Investigators in Obstetrics and Gynaecology Committee
2000 - 2003	Chair, RN Advisory Committee
1997 - 2003	Member, Membership Committee
1998 - 1999	Member, SOGC Task Force on Women's Health 2000 and Beyond

College of Registered Nurses of Manitoba (formerly Manitoba Association of Registered Nurses)

1996 - 1997	Member, Nursing Expert Group, Health Information Network
1996 - 1997	Member, Standing Committee on Nursing Research
1996	Member, MNRI/MARN Research Utilization Project Steering Committee
1986, 1988, 1992, 1998	Voting Delegate, Central Region, MARN Annual Meeting

Winnipeg Regional Health Authority

2010 – 2011	Member, The WRHA/Women's Health Clinic Birth Centre Evaluation Working Group
2000 - 2001	Member, Healthy Beginnings II Strategic Planning Committee
1999 - 2000	Member/Consultant, Public Health Regional Services Quality Team

Winnipeg Community and Long Term Care Authority

1999	Member, Community Health Services Steering Committee
1999	Member, Implementation and Evaluation Committee for Companion Care

1999	Member, Seniors Health Resource Team Community Implementation Committee
1999	Chair, Influenza Immunization and Illness Monitoring Research Group
1998 - 1999	Chair, Influenza Immunization Strategy Evaluation Committee
1998 - 1999	Member, Steering Committee for the Community Health Assessment for the Winnipeg Region
1998 - 1999	Chair, Personal Health Information Committee

St. Boniface General Hospital

1998 - 1999	Member, Research Ethics Conference Planning Committee
1996 - 1998	Member, Research Working Group of the Health Care Ethics Steering Committee
1996	Member, Obstetrical Audit Committee
1995 - 1998	Member, Perinatal Loss Committee
1995	Chair, Maternal Child Health 1996/97 Operating Plan Team
1995	Co-Chair, Maternal Child Health Conference Planning Committee
1987, 1988, 1990, 1992, 1994, 1996	Member, Maternal Child Health Conference Planning Committee
1994	Member, Inpatient Implementation Advisory Group, Work Restructuring Project
1993	Leader, Unit Systems Task Force, Work Restructuring Project
1993	Coordinator, Staff Mix Project, Maternal/Child Department
1987 - 1996	Member, Obs/Gyne Perinatal Medical/Nursing Liaison Committee
1991 - 1992	Coordinator, Perinatal Nursing Fellowship
1991 - 1992	Member, Fellowship Planning Committee
1991 - 1992	Chair, Stepdown Unit Planning Committee
1989 - 1995	Co-chair, Steering Committee for Antepartum Home Care Program Expansion
1987 - 1993	Member, Nursing Research Development Group
1990	Member, Working Committee, Management of Pregnant Women with Diabetes
1989 - 1990	Chair, Ad Hoc Committee to plan Same Day Admission Program for Cesarean Birth
1989 - 1991	Member, Integrated Family Centered Care Committee
