Note:

The Canadian Indigenous category will ensure that Indigenous students have the opportunity to be admitted to and graduate from the Program. The Bachelor of Midwifery Program is committed to the creation of opportunities for students to learn about Indigenous history and culture. We encourage Indigenous peoples (Status, Non-status, Inuit, Métis), residents of Northern Manitoba to apply to the **Health Careers Access Program** to receive academic and personal supports in their pre-professional courses and beyond.

Other priority groups, such as low-income earners and newcomers are welcome to apply to the general University of Manitoba **Access Program**.
