

PUMPKIN CARVING STENCILS!

Instructions:

1. Cut a hole in the top of your pumpkin, remove seeds and guts
2. Prepare your stencil to carve
 - Option 1 - Attach the stencil page to your pumpkin using tape or small tacks. Using a tack, poke holes along the outer edge of the drawing. Remove the stencil. Use a marker to trace the areas you poked.
 - Option 2 - Place the stencil on a cutting board and use an exacto knife to cut out the black sections. Attach the stencil page to your pumpkin using tape or small tacks and trace the cut outs with a black marker. Remove the stencil to carve.
 - Option 3 - Attach the stencil page to your pumpkin using tape or small tacks. Keep the stencil on the pumpkin to carve.
3. Cut out the black sections. Shave the pumpkin in the grey sections.
