# Gingerbread Barn

## Baking Instructions:

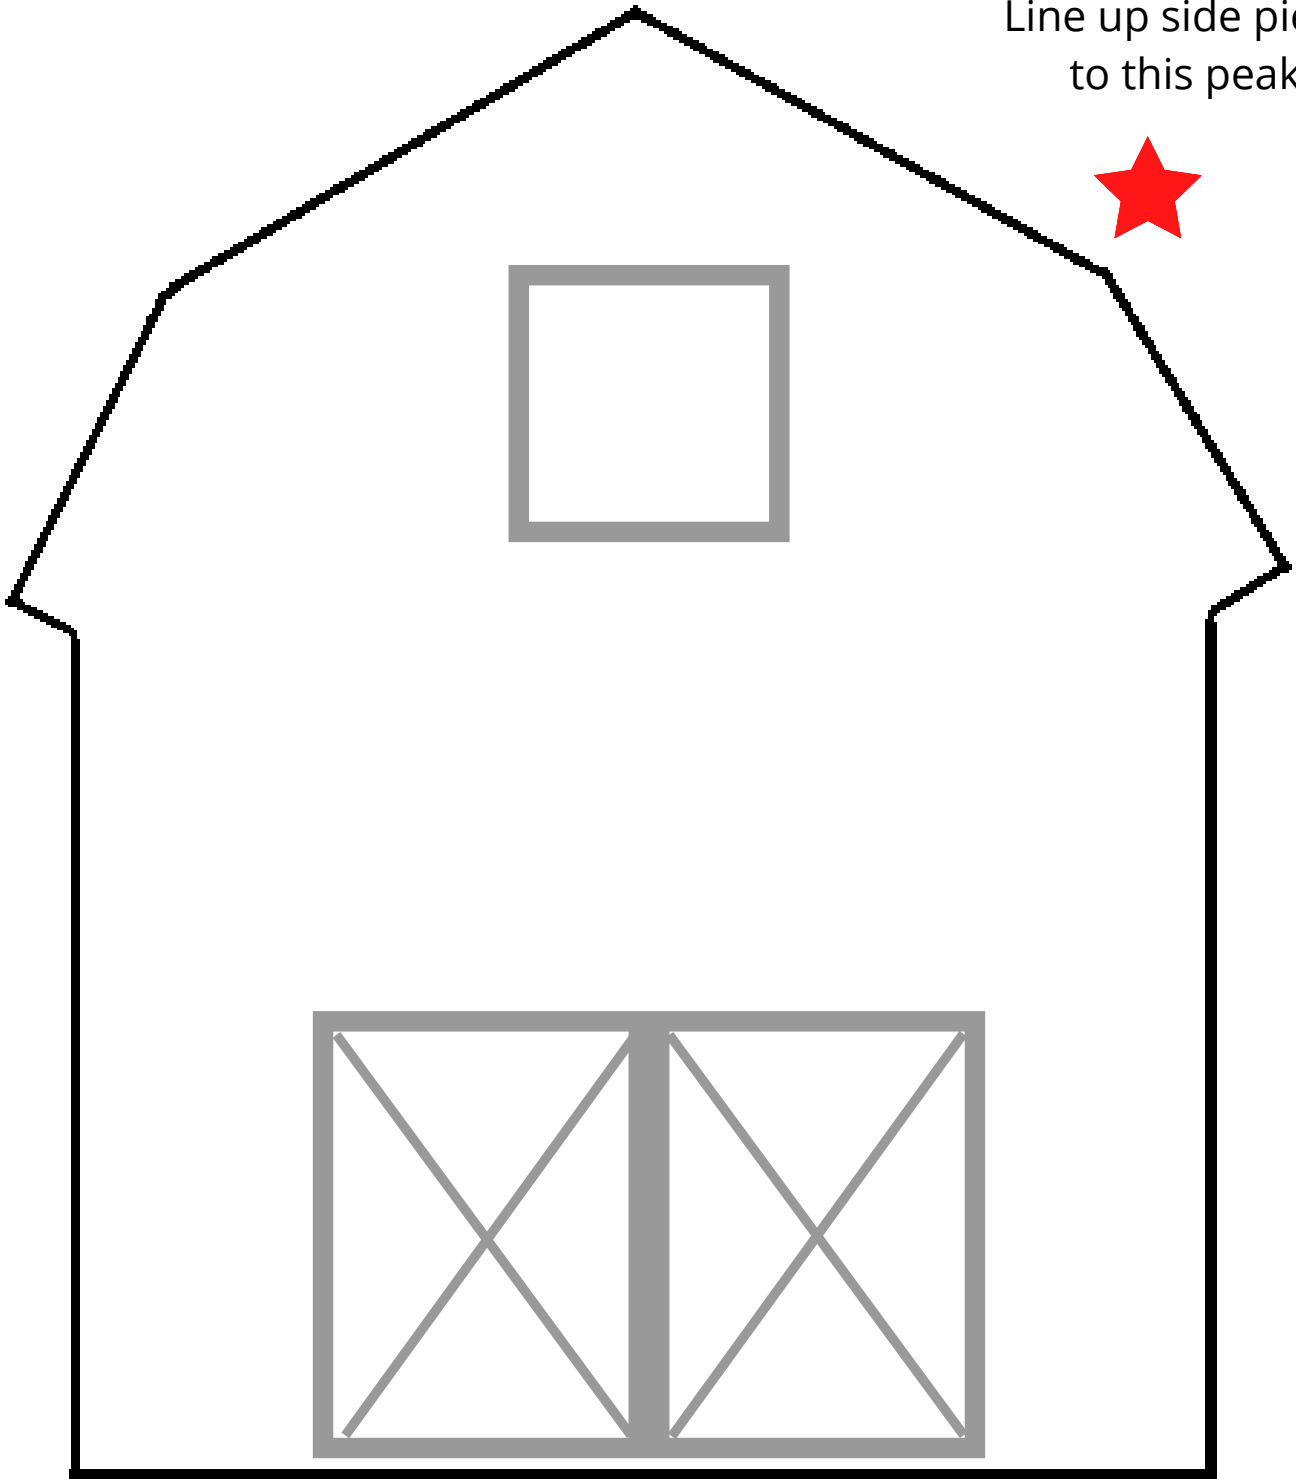

1. Select your preferred size of barn and print PDF.
  - a. For a medium barn, print 2 pages per sheet.
  - b. For many mini brns, print 4 pages per sheet.
2. Cut out the gingerbread stencils along the outer edge.
3. Make your favourite a gingerbread dough recipe. We suggest the following recipes!
  - a. All Recipes
  - b. Food Network
4. After rolling out the dough, lay the stencils on top and carve the dough around the stencils. Lightly indent the barn doors and windows if you want a guide for decorating those.
5. While your gingerbread bakes and cools, make a base by cutting a piece of cardboard to an appropriate size and cover with tin foil
6. Make royal icing.

## Assembly Instructions:

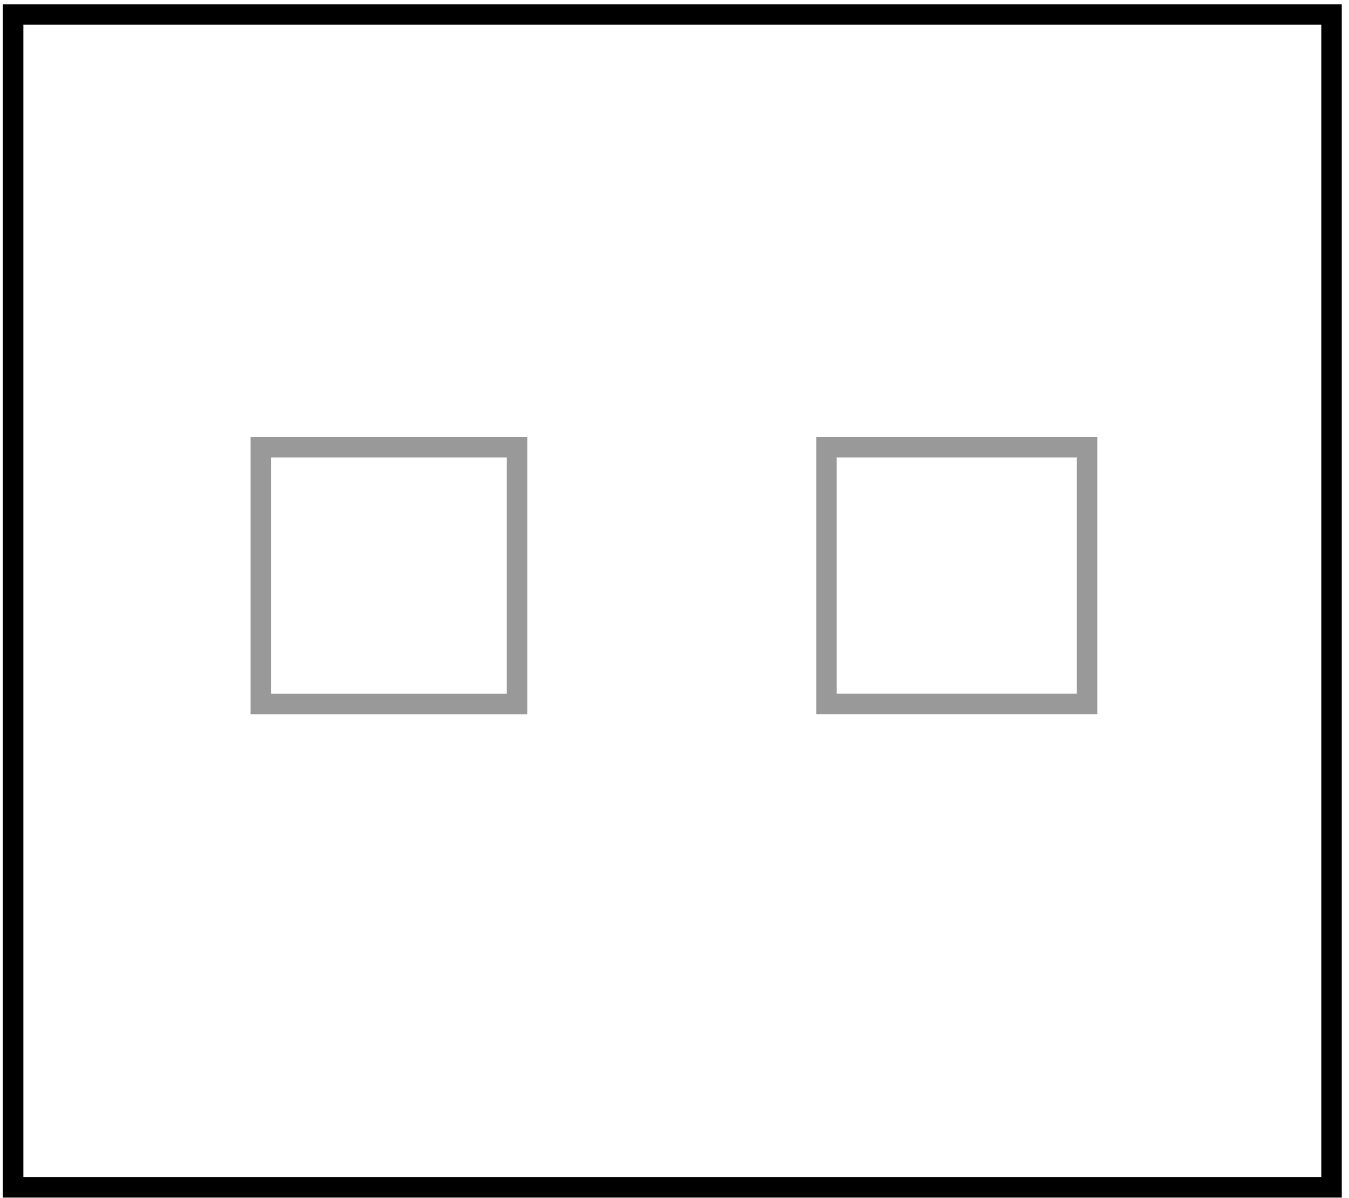

1. Add royal icing to the edge on one of your side pieces, press firmly against the front of the barn aligning the top at the peak with the star. Hold until the icing is solid.
2. Repeat with the other side piece, then the back of the barn, finishing off with the roof pieces.
3. Finish off my gluing the barn to the base you made.
4. Decorate how you wish!
