APPENDIX A	
1. U OF M Interior Signage Details, August 2, 2016	19

1. Purpose

The pre-qualification application process is the method by which signage provider applicants can be *pre-qualified to provide interior wayfinding and room signage at University of Manitoba (hereinafter referred to as "University")* facilities upon request.

Upon receipt of a complete and accurate application form; submission and subsequent approval of samples, the University shall undertake a process of due diligence to confirm the accuracy of the information submitted, and evaluate each applicants performance and product, to determine if the applicant should be added to the University's list of signage service suppliers ("pre-qualified").

Issuance of this pre-qualification and resulting application in no way constitutes a commitment by the University to award contracts to any firm or to pay any costs incurred by the firm in preparing an application. However, University staff requiring the signage services will be required to solicit quotations from pre-qualified signage providers. The University may conduct a project-specific pre-qualification; if it is deemed to be in the University's best interest to do so.

The successful selected pre-qualified signage providers will be expected to enter into a separate contract/purchase for each signage service requested by the University.

2. Clarification and Enquiries

It is the applicant's responsibility to request clarification of any item that is unclear or uncertain by contacting the following:

Procurement Representative

All inquiries regarding the procurement, process, procedures, or submittals must be submitted in writing via fax or email to the individual listed below (and CC the Technical Representative):

3. Submission Instructions

- The University of Manitoba accepts only electronic submissions of requested proposals, quotations or responses through the Bonfire Submission Portal Service and must be submitted prior to the closing time stated in the Application at: <https://umanitoba.bonfirehub.ca/>.
- The requirements and submission instructions have been provided at the Bonfire Submission Portal Service site <https://umanitoba.bonfirehub.ca/>. Consult the

bidding requirements and submission instructions at the referenced internet portal service site well ahead of the competition closing date and time to allow sufficient opportunity for preparing a response and for uploading submission files (allow at least one hour to upload files).

A completed application is required from each respondent who desires to be pre-qualified.

- Include a completed Attachment A – Authorization.
- Include a completed Attachment B – General Information.
- Include a completed Attachment C – Qualifications and Capabilities.
- Include a completed Attachment D – Subcontracting (if applicable).
- Include a completed Attachment E – Financial Information.
- Include actual samples per Attachment F – Samples
- Include a completed Attachment G – Pricing. All costs, charges and fees (exclusive of taxes) must be included and identified. Labour rates quoted will be held for the term of the pre-qualification once the applicant achieves the pre-qualified status.

Note: Any application that is incomplete may be rejected at the University of Manitoba.

4. Evaluation of Application

It is the responsibility of each applicant to ensure that this application is completed in full, and any additional documentation or samples required as noted herein, are included with the submitted application form.

The University will consider each application individually, and will evaluate each applicant on the same criteria, which may include, but is not limited to:

- Completeness of application
- Qualifications and Capabilities
- Financial capabilities
- Pricing
- Approved Sample

5. Confidentiality

The University is subject to the rules and regulations of the Freedom of Information and Protection of Privacy Act. Any information provided by the applicant pursuant to this application is collected solely for the purpose of pre-qualifying contractors who wish to do business with the University. Personal information supplied within a response is protected by the Freedom of Information and Protection of Privacy Act.

Applicants are encouraged to identify any non-personal information that is confidential and specify what harm could reasonably be expected from its possible disclosure.

Any questions regarding this should be submitted to the University's FIPPA Coordinator's Office:

University of Manitoba Archives & Special Collections

Phone: (204) 474-8339

6. Terms and Conditions of Pre-Qualification

- 6.1. Receipt by the University of a response to this application for pre-qualification in no way constitutes a commitment by the University to award contracts to any applicant, or to pay any costs incurred by any applicant in preparing a response, or otherwise in relation, to this application.
- 6.2. The University reserves the right to refuse any applicant that includes errors, omissions, and/or deviations from the information requested, deviations from the format of the information requested and/or the terms and conditions in the application.
- 6.3. An application, including any accompanying documentation, once submitted by an applicant, becomes the property of the University and will not be returned.
- 6.4. The applicant is obligated to inform the University, in a reasonably timely manner, of any changes to key personnel, ownership, and, financial position, or any other information, which may affect its pre-qualification status. The University considers this an on-going requirement for the entire term of the pre-qualification.
- 6.5. The applicant will provide, by (or before) the closing date, samples per Attachment F – Samples, labelled with the company, applicant name and date and the pre-qualification project name.
- 6.6. The University reserves the right to contact owners, owner's representatives, and/or consultants, on service works that have been identified by the applicant, as well as the references provided by the applicant.
- 6.7. The University, at its discretion, may require an applicant to provide additional information in addition to information requested in the application.
- 6.8. The University may request that the applicant provide clarification where their applicant is unclear.
- 6.9. The University may waive or request amendment where, in the opinion of the University, there is a minor irregularity or omission in the information that is submitted.
- 6.10. The University reserves the right to conduct project-specific competitive tender process, if it is deemed to be in the University's best interest to do so.
- 6.11. The University may conduct a project-specific pre-qualification; if it is deemed to be in the University's best interest to do so.
- 6.12. All firms that achieve pre-qualified status as a result of this application shall retain that status, and provide its pricelist for standard order items for minimum two (2) years, plus one (1) additional year (optional) or otherwise altered during the pre-qualification term at the University's best interest to do so. This is otherwise known as the Agreement term.
- 6.13. The University shall in no event be liable for any claims by the applicant in respect of its decision to pre-qualify or not pre-qualify the applicant. The University shall not be liable for any failure to consider an application or for any delay in considering an application, including (without limitation) any failure of an application to obtain eligibility for a particular competitive bidding process at the University.
- 6.14. The University, in its sole discretion, reserves the right to reject an application, or suspend, revoke or terminate the contractor's pre-qualification status in whole or in part based on the University's determination of one or more of the following:
 - 6.14.1 non-performance, defective or substandard performance of any past contracts or service works with the University;
 - 6.14.2 where an applicant has launch legal action against the University;
 - 6.14.3 failure of an applicant to update information that is required as part of the on-going obligations of an applicant;
 - 6.14.4 provision of false, misleading or incorrect information

Specifications of Requirements

1.0 Service Overview

Applications to this Request for pre-qualification will be used by the University to establish a list of pre-qualified firms to provide signage services and installation as required for interior wayfinding and room signage at the University facilities upon request.

2.0 Scope of Work

- 2.1 The signage pre-qualification is based, in part, on pricing and samples submitted based on the University of Manitoba standard documents attached herein for interior wayfinding and room signage as noted in Appendix A.
- 2.2 Signage orders range in size from a single interior room sign to multiple signs at a time, to fill Faculty requests or to an entire floor or building retrofit.
- 2.3 Signage orders will indicate whether they are to be supply only or supplied and installed by the signage provider. Signage provider can expect to provide signs both ways.
- 2.4 Signage service providers must be able to provide a price list, good for two (2) years from the date of award, indicating unit prices for each type of standard sign, as both a supply only and a supply and install, per Attachment G
- 2.5 Signage service provider is not responsible for repair work caused by the removal of existing signage (example: patching, painting wall surfaces)
- 2.6 Contractors that achieve pre-qualified status as a result of this application shall:
 - *Respond to RFPQ's for standard and atypical order requests by individual Faculties either directly from the Faculty representative or via existing Physical Plant process. Standard process includes receipt of instructions to quote via email from the Physical Plant Project Administrator (P.A.).*
 - For standard signage orders (standard office, classroom or wayfinding), the requests will arrive on a *standard order form, directly from the client to signage provider* indicating text content, quantity and installation or supply only instructions.
 - For atypical signage requests (glass film, atypical sizes or materials) the request will include the requirement for a site visit to discuss the requirements with a Faculty representative as coordinated by the Physical Plant P.A.
 - Provide proofs in PDF format for review by the client for all standard and atypical signage requests. No fabrication or installations shall take place on a PO before client approval of the proof.
 - Upon receipt of PO, provide client with accurate date for signage completion.
 - Provide installation services in a manner that maximizes efficiency and minimize costs to the University. For example, 'bundling' orders for each campus to install several POs in close proximity to each other on the same day, potentially 'cost sharing' the installation charges among PO's. Minimum bundle sizes may be set at the discretion of the University.
 - Provide products and services for facilities at both major campuses: Bannatyne Campus and Fort Garry Campus.
 - Receive instruction from a limited number of points of contact at the University; one (1) P.A. and /or back up at Fort Garry Campus, one (1) coordinator and/or administrator at Bannatyne Campus.

- Warranty their workmanship for the standard two year term.
- provide a Key Account Manager who will be the daily single point of contact for the University. The Key Account Manager is the individual that the University can contact during business hours to resolve any issues and to answer any questions. This person shall be used by the pre-qualified firm for the duration of the **two (2) year** term, if any, resulting from this Pre-qualification and CANNOT be removed or replaced, unless agreed to do so by the University.
- have the ability to provide the necessary equipment, transportation and personnel to deliver parts and materials and perform the services throughout the University as required.
- possess all permits, licenses and professional credentials necessary to supply product (equipment and materials) and perform services as specified under this Application
- be responsible for providing services to the University. Services shall be performed according to minimum industry standards for this type of services.
- All goods and/or services provided shall comply with all applicable provincial and federal regulations.
- be responsible for all damages which occurred to University fixtures while performing services, regardless of whether it's damage to item(s) being repaired, or other item(s) in and around facility where services are being performed.
- provide all personnel, uniforms, tools, equipment, parts, materials, records, etc., necessary to perform the services. All other materials and supplies required to perform these services and not otherwise mentioned, shall be provided by the pre-qualified firm at its expense.
- furnish and require every on-duty personnel to wear a company uniform or a visible photo identification badge identifying personnel by name and company.
- Vehicles should have company name displayed.
- Signage service provider is responsible for their own parking and must abide by the University parking authority regulations, available on the U of M website.
- immediately report to Physical Plant P.A. any accidents and/or loss of equipment, supplies, etc.
- enter and leave through only specified locations in the facility to maintain a high level of security.
- Provide all service work during University business hours unless otherwise requested by the University. If working after hours, signage provider shall ensure that persons other than the signage provider's personnel cannot gain access to rooms, areas, or building under the control of its personnel. At no time shall signage provider violate building and/or room security by propping doors open and leaving them unattended, unless the University has provided its own security door monitor. All entrance and exit doors shall be locked at all times.
- acknowledges that the signage provider is solely responsible for ensuring that the signage provider and any of the provider's officers, employees, or agents in the provision of the Services has appropriate workers' compensation (WCB) coverage, disability, malpractice and comprehensive general liability insurance coverage, and agrees to provide proof of such coverage to the University upon request; and releases the University from any obligation of responsibility to provide such coverage.
