2.2 The academic reviews referred to in section 2.1 shall take place at least once each eight (8) years.

2.3 **Main Elements.** The process for each academic program review shall consist of the following main elements:

   (a) the preparation of a Self-Evaluation Report by the unit delivering the program(s) being reviewed;
(b) an external peer assessment of the report and the academic program(s) being reviewed;
(c) an opportunity for the unit delivering the program(s) and the Dean/Director of the unit and/or program in question to respond to the external assessment;
(d) an assessment by the Provost and Vice-President (Academic) respecting the academic review results.

2.4 **Development of procedures.** The procedures used to conduct academic program reviews at all levels shall be developed by the Provost and Vice-President (Academic) and approved by Senate, upon recommendation by the Senate Committee on Academic Review (SCAR).

2.5 **Programs reviewed by Accreditation Bodies.** In cases where academic programs are subject to reviews by external accreditation bodies, such accreditation reviews may be considered as equivalent to reviews undertaken under the aegis of this policy, as determined by the Provost and Vice-President (Academic).

2.6 **Assessment Report.** The Provost and Vice-President (Academic) shall provide an assessment report of each academic review to SCAR.

2.7 **Annual Report to Senate.** SCAR shall report annually to Senate on the progress of all academic reviews.

2.8 **SCAR to Advise.** SCAR shall provide advice and commentary to the Provost and Vice-President (Academic) on the application of this policy and any procedures that are approved pursuant to this policy.
