### Part I
#### Reason for Policy

1.1 The University of Manitoba values the contributions of its students, staff and faculty in the community. The University of Manitoba is committed to delivering an exceptional student experience and ensuring our students have a variety of experiential education opportunities including, but not limited to, undergraduate research, community service learning, and international exchanges.

1.2 The reason for this policy is to provide formal recognition of student’s co-curricular activities through a Co-Curricular Record (CCR). The CCR is a formalized university-certified record of University-approved and facilitated activities that support student development in venues that are not for academic credit. The CCR will be available to students in addition to the academic transcript, as a clear statement of involvement in activities that support holistic student development.

### Part II
#### Policy Content

2.1 Apart from a student’s academic learning, experiences in campus programs that are of a developmental nature are considered desirable as part of the university experience, and as such, warrant recognition. This recognition shall take the form of the CCR.
2.2 Areas of recognition that shall be recognized on the CCR shall include: Governance, Leadership, Service-Learning, Foundational Skill Development, Awards and Participation/Volunteerism.

2.3 Student participation in Governance activities recognized on a student’s transcript in accordance with the Policy on Student Recognition for Committee Participation, as approved by Senate in 1979, shall be recognized on the CCR as of September 2010.

2.4 Activities recognized on the Transcript Annex as of June 2010 will be recognized on the CCR as of September 2010.

2.5 Only activities that were previously recognized on the Academic Transcript or Transcript Annex will be noted on the CCR for September 2010.

2.6 All programs that were not on the Transcript Annex or Transcript can only receive recognition starting September 2011, the inaugural year the CCR program applications were reviewed.

2.7 University of Manitoba co-curricular programs may appear on the CCR following application of the relevant department/program and approval of the CCR Review Committee. Departments and/or programs must apply to be recognized on the CCR.

2.8 The Co-Curricular Record Review Committee shall approve applications for recognition and review all programs recognized on the CCR at the end of each term (December, April, and August).
