To establish an annual paid vacation in order to provide Support Staff Medical/Dental Practitioners and Administrators excluded from bargaining units with a break from their regular duties. This Policy will ensure that the University complies with provincial legislation regarding vacations with pay. In addition to this, the University wishes to have a vacation plan which will assist in the recruitment of new medical/dental practitioners and administrators and the retention of existing staff. This policy is designed to ensure that these procedures and standards are applied in a consistent, fair and equitable manner across the University.

Part II Policy Statement

periods provided by other public sector employers in Manitoba and equitable with vacations provided to unionized support staff within the University community.

2.1 It is the University's expectation that each employee will take this vacation period in the year in which it is provided. When an employee requests vacation time, the supervisor shall grant such time provided the needs of the department are met.
