The University of Manitoba is strongly committed to equity and diversity within its community, and especially welcomes contributions to its governance systems from women, racialized persons/ persons of colour, Indigenous Peoples, persons with disabilities, persons of all sexual orientations and genders, and others who may contribute to the further diversification of ideas. If you identify as a member of one or more of these groups and are comfortable sharing, please list them here:

The University Discipline Committee is responsible for the hearing of appeals as outlined in the Student Discipline Bylaw and Student Discipline Appeal Procedure and to consider any proposed changes to the Student Discipline Bylaw and Procedures. The parties that appear before the UDC, and the University itself, rely on the UDC to make fair and informed decisions on the matters heard by the committee. Committee members provide an impartial forum for appeals of disciplinary decisions and contribute to the good governance of the University. The UDC may be of interest to you if you have experience on a Local Disciplinary Committee (LDC) or other appeals committee, or on a professional unsuitability committee, or have an interest in learning more about appeal processes.
