TRADITIONAL TERRITORIES — ACKNOWLEDGEMENT —

The University of Manitoba campuses are located on original lands of Anishinaabeg, Cree, Oji-Cree, Dakota, and Dene peoples, and on the homeland of the Métis Nation.

We respect the Treaties that were made on these territories, we acknowledge the harms and mistakes of the past, and we dedicate ourselves to move forward in partnership with Indigenous communities in a spirit of reconciliation and collaboration.

THE STUDENT LIFE TEAM

About Us

Student Life helps students get involved on campus by offering volunteer experiences and opportunities to develop skills that can be used in personal and professional settings. We also help students build community on campus by connecting them to student groups, clubs, and other programs on campus that are recognized on the Co-Curricular Record.
