WELCOME TO THE UNIVERSITY OF MANITOBA

University of Manitoba Graduate Students' Association (UMGSA)
The University of Manitoba campuses are located on original lands of Anishinaabeg, Cree, Oji-Cree, Dakota and Dene peoples, and on the homeland of the Métis Nation. We respect the Treaties that were made on these territories, we acknowledge the harms and mistakes of the past, and we dedicate ourselves to move forward in partnership with Indigenous communities in a spirit of reconciliation and collaboration.
WHAT WE DO IN UMGSA...
The UMGSA, through the Finance Committee, will make funds available to University of Manitoba graduate students wishing to attend or present at conferences who do not have adequate resources to do so. Conferences must advance the student’s course of study. Applications will be accepted throughout the year and processed by the Finance Committee on a monthly basis. HOLIDAY HAMPER PROGRAM

This program is intended to support only graduate students in need of financial assistance. You will get more information about this program via email, please keep an eye on your email in order not to miss it.
The Graduate Students’ Association confers peer-to-peer recognition of fellow graduate students who are not currently recognized by the University of Manitoba Graduate Fellowship or other national awards. The Awards are designed to recognize the important contributions graduate students make to society through scholarship and community involvement. The Awards have been made possible by the generous contribution of Dr. James Burns, a levy applied to all graduate students approved through a GSA referendum, and a contribution made by the Manitoba Scholarship and Bursary Initiative.

The purpose of the award is to recognize individuals who have made, in the estimate of their graduate students, a significant contribution to their teaching profession. Graduate students are encouraged to nominate their thesis advisor, a seminar or course instructor, or a faculty member with whom they have conducted research. The Graduate Students’ Association Awards Committee is interested in selecting individuals who display a dedication to knowledge and sensitivity to their students and the student community.
Department Grants

Department Grants are available to departmental graduate student associations who are represented on a UMGSA Council (Fort Garry and Bannatyne). Department grants are allocated in two disbursements (December and April), and in order to qualify, (1) at least one department representative must attend Council and participate in at least one internal UMGSA Committee; and (2) each councilor (including both co-councilors) must have completed a Consent Culture Workshop in accordance with Article XIII.III.3.f of the Governance and Operations Manual*. Completed applications are due November 1 and April 1.
