TO BE COMPLETED BY THE APPLICANT UPON APPROVAL

I hereby apply for financial assistance from the emergency loan funds administered by the **Faculty of Graduate Studies**. I declare that all information given on this application is complete and true in every respect; that I shall be a **registered full-time student in a graduate program**; and the financial assistance is essential to enable me to continue my education. Furthermore, I am aware that the use of this loan for any purpose other than those specified in this application without the written permission of the **Awards Staff, Faculty of Graduate Studies** will constitute a violation of this agreement, making the loan immediately due in full and making me ineligible for other support or assistance from the University of Manitoba until the loan is repaid. I am aware that this interest free loan is not to be used to pay for tuition costs. I understand that if payment is not made in full by the promised date, or if further arrangements are not made with the Awards Team, a hold will be placed on my file **and, six months from that date, my outstanding loan may be turned over to a collection agency for recovery**. (A hold placed on a student's file has the effect of cutting off all services from the university; no mark statements, academic transcripts or letters or permissions are issued, no further registrations are accepted, no library services are approved). I hereby consent to full access of my student records. I will notify the **Awards Staff, Faculty of Graduate Studies** of any change in academic status or in my financial status (or that of my spouse or dependants) during the academic period covered by this application.
