1. Source of Tuition Fee information is the U15 TA Fee Survey, with the exception of Memorial which is from its Web site. All Continuing Fees information has been acquired from each institution's Web site.
2. Graduate fees represent those for standard Arts and Science programs. Where a range is given fees vary by program.
3. Continuing fees have been calculated to reflect what a student would pay for an additional year of study in order to make fees comparable across institutions.
4. One calendar year is equal to three semesters.
5. The Masters fee represented is the fee that non-Quebec Canadian students pay. All Canadians, regardless of province, pay the same fee for a Ph.D. program.
