Recreation Management and Community Development				67,376			
Kinesiology				67,374			
Law			82,737				
Music, Marcel A. Desautels Faculty of				136,422			
Science			32,379		43,171	43,171	
Social Work		52,577	67,911				

1. Program costs are calculated by multiplying the average cost per credit hour in a given faculty by the number of credit hours required to attain a degree.
The number of credit hours that are required for a degree are taken from the General Calendar. Financial data are taken from the Annual Financial Report March 31.
2. Effective Fall Term 2014, the Department of Human Nutritional Sciences moved from the Faculty of Human Ecology to the Faculty of Agricultural and Food Sciences.
Comparisons with previous years should be made with caution.
3. Effective July 1, 2015, the Faculty of Human Ecology's programs and departments joined other academic units within the university.
Students in Textile Sciences are now reported under the Faculty of Agricultural & Food Sciences. Students in Family Social Sciences are now reported under the Max Rady College of Medicine. Students in Health Sciences/Health Studies are now reported under the Rady Faculty of Health Sciences.
4. Due to the diversity of degrees available through the Clayton H. Riddell Faculty of Environment, Earth, and Resources, these program costs are an approximation based on 90 credit hours for a three-year degree and 120 credit hours for a four-year degree.
5. Effective November 2014, the Faculties of Dentistry, Medicine, Nursing, and Pharmacy became colleges in the Rady Faculty of Health Sciences.
The College of Rehabilitation Sciences (formerly, the School of Medical Rehabilitation) and the School of Dental Hygiene also became part of the new faculty.
6. In 2016, the Faculty of Health Sciences changed its name to the Rady Faculty of Health Sciences and the College of Medicine changed its name to the Max Rady College of Medicine.
7. The cost for programs in the College of Dentistry and the Max Rady College of Medicine are calculated by multiplying the cost per standard student by the number of years required to attain a degree.
8. The Diploma program in the School of Dental Hygiene is a two-year program; these costs reflect the two-year component.
