1. The undergraduate FFTE is calculated by dividing the number of undergraduate credit hours that are taught per Faculty by a standard load of 30 credit hours.

Four exceptions to this rule include the student counts used in the School of Dental Hygiene, the Dr. Gerald Niznick College of Dentistry, the Max Rady College of Medicine, and the College of Rehabilitation Sciences. In these four cases the Undergraduate Standard Student count is used in lieu of credit hours.

2. Teaching Faculty includes all Professors, Lecturers, Instructors and Other Academics as at April 1.

Excludes Other Academics who are solely Research Academics.

3. The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.

4. The College of Dentistry changed its name to the Dr. Gerald Niznick College of Dentistry in 2018.

5. Dentistry includes the Dr. Gerald Niznick College of Dentistry and the School of Dental Hygiene.

6. First-year direct entry students in Dental Hygiene are not included in the FFTE estimate, as these courses are from other Faculties/Colleges.
