1. This report includes:

- (a) all distance education credit hours, including Independent Study, on-line courses, Campus Manitoba courses and group-based study;
- (b) all courses taught off-campus with stipend from other than faculty or school resources;
- (c) 6000-level courses associated with graduate programs.

This report excludes credit hours declared as "Challenge for Credit" and "on-load" credit hours taught during the summer.

- 2. Due to rounding, some totals may not match the sum of the individual department, or faculty, figures.
- 3. An asterisk (*) indicates that the number of credit hours were below 100 in either year. Changes in faculties containing fewer than 100 credit hours can show abnormally large differences, therefore these are not reported.
- 4. The decrease in credit hours is due to a restructuring of the credit hours assigned to courses.
- 5. The decrease in credit hours is due to changes in core courses.
- 6. Physical Therapy in Medical Rehabilitation is transitioning to a Master's program; there was no intake in Fall Term 2011.
