1. Distance and Online Education credit hours include Independent Study, Campus Manitoba, group-based study, and on-line courses.
2. Due to rounding, some totals may not match the sum of the individual department, or faculty/college/school, figures.
3. Effective Fall Term 2014, the Department of Human Nutritional Sciences moved from the Faculty of Human Ecology to the Faculty of Agricultural and Food Sciences. Comparisons with previous years should be made with caution.
4. Effective November 2014, the Faculties of Dentistry, Medicine, Nursing, and Pharmacy became colleges in the Faculty of Health Sciences. The College of Rehabilitation Sciences (formerly, the School of Medical Rehabilitation) and the School of Dental Hygiene also became part of the new faculty. Comparisons with previous years should be made with caution for the College of Medicine and the College of Rehabilitation Sciences.
