1. Summer Term refers to the reporting period of May through August. Summer Session refers to the courses, offered through Extended Education, in spring and summer.
2. This report excludes 6000-level courses associated with graduate programs. These hours were included in previous reports, so comparisons should be made with caution.
3. An asterisk (\*) indicates that the number of credit hours were below 100 in either year. Percent changes in faculties containing fewer than 100 credit hours can show abnormally large differences, therefore these changes are not reported.
4. The Bachelor of Medical Rehabilitation (Physical Therapy) has transitioned to a Master's program.
