1. This report includes:

- (a) all distance education credit hours, including Independent Study, on-line courses, Campus Manitoba courses and group-based study;
- (b) all courses taught off-campus with stipend from other than faculty or school resources;

This report excludes:

- (c) courses at or above the 6000 level, as these are associated with graduate programs. These hours were included in previous reports, so comparisons should be made with caution;
 - (d) credit hours declared as "Challenge for Credit".
2. Due to rounding, some totals may not match the sum of the individual department, or faculty, figures.
3. An asterisk (*) indicates that the number of credit hours were below 100 in either year. Changes in faculties containing fewer than 100 credit hours can show abnormally large differences, therefore these are not reported.
4. The Department of Mechanical and Manufacturing Engineering changed its name to the Department of Mechanical Engineering in 2013.
5. Physical Therapy in Medical Rehabilitation has transitioned to a Master's program. The last intake was in Fall Term 2010.
