1. Includes all courses numbered 0400-5999. Does not include Distance Education courses and credit hours taught on-load during the previous summer.
 2. An asterisk indicates that the number of credit hours is below 100 in either year. Changes in faculties/colleges/schools containing fewer than 100 credit hours can show abnormally large differences, therefore these have been identified with (*).
 3. Winter Term reports are based on data extracted as at March 1. Winter Term 2017 used an adjusted date of March 15, as that term began two weeks later than usual.
 4. The Colleges/Schools of Dentistry, Rehabilitation Sciences and Dental Hygiene determine their workload by numbers of students instead of by credit hours. They are included in the "Taught To" calculations because their students can take credit hours in other faculties/colleges/schools.
 5. The Faculty of Health Sciences changed its name to the Rady Faculty of Health Sciences in 2016.
 6. The College of Medicine changed its name to the Max Rady College of Medicine in 2016.
 7. Credit hours for the Max Rady College of Medicine do not reflect Undergraduate Medical Education teaching.
 8. University 1 (U1) is included in the "Taught To" category as students in this program take credit hours from other faculties/colleges/schools.
 9. Due to rounding, some totals may not match the sum of the individual faculty/college/school figures.
