1. This report includes:

- (a) all distance education credit hours, including Independent Study, on-line courses, Campus Manitoba courses and group-based study;
- (b) all courses taught off-campus with stipend from other than faculty, college, or school resources;
- (c) all 'on-load' credit hours taught during the summer.

This report excludes:

- (d) courses at or above the 6000 level, as these are associated with graduate programs. These hours were included in previous reports, so comparisons should be made with caution;
  - (e) credit hours declared as "Challenge for Credit".
2. Due to rounding, some totals may not match the sum of the individual department, or faculty/college/school, figures.
3. An asterisk (\*) indicates that the number of credit hours were below 100 in either year. Changes in faculties/colleges/schools containing fewer than 100 credit hours can show abnormally large differences, therefore these are not reported.
4. Effective July 1, 2015, the Faculty of Human Ecology's courses and departments joined other academic units within the university. Textile Sciences is now reported under the Faculty of Agricultural & Food Sciences, within Biosystems Engineering. Family Social Sciences is now reported under the Max Rady College of Medicine, within Community Health Sciences. Core Human Ecology and Health Program, Interdisciplinary are now reported under the Rady Faculty of Health Sciences, as Interdisciplinary Health.
5. The Faculty of Health Sciences changed its name to the Rady Faculty of Health Sciences in 2016.
6. The College of Medicine changed its name to the Max Rady College of Medicine in 2016.
7. Effective Fall Term 2015, the College of Nursing has two intakes for the Bachelor of Nursing Program - one in Fall Term and another in Winter Term. In addition, Nursing revised its curriculum in 2015.
