1. Summer Term refers to the reporting period of May through August. Summer Session refers to the courses, offered through Extended Education, in spring and summer.
2. This report excludes 6000-level courses associated with graduate programs.
3. An asterisk (\*) indicates that the number of credit hours were below 100 in either year. Percent changes in faculties/colleges/schools containing fewer than 100 credit hours can show abnormally large differences, therefore these changes are not reported.
