1. Enrolment in the integrated programs is shown in Human Ecology or Music for years 3 and 4 and in Education for year 5.

2. Increase due partially to restructuring of co-op work terms.

3. The Bachelor of Medical Rehabilitation (Physical Therapy) has transitioned to a Master's program.

4. Includes William Norrie Centre, Distance and Northern programs.

5. The University 1 program was introduced in 1998-99. Most "new" students, with limited or no university experience, have registered under this program. Students must complete 24 credit hours under University 1 (and may complete up to 30) before transferring into a degree program.

6. Graduate Studies includes pre-master's, master's, doctoral, occasional and diploma students.
