1. Figures for some programs reflect only qualified applicants.
2. Registered status reflects whether students were registered for the Fall Term, as at November 1.
3. Direct Entry programs admit students directly from high school. Direct Transit programs allow students to transit in automatically from University 1. (Direct Transit figures are separated into those students that formally applied to Arts and Science and those students that transited automatically from University 1). University Entry requires university study before application to the program (University Entry does not include special or visiting students).
4. Engineering maintains up to 40 places for International students.
5. In Fall 2011 and Fall 2012, these faculties/schools began offering Direct Entry options. Quotas for these entry options have not yet been finalized.
6. There was no intake in 2012-13.
7. Fall 2012 intake comprised of newly admitted and previously admitted students. Admitted/Registered reflects only newly admitted students.
8. Excludes the B.Music/B.Ed. Program.
9. Within Human Ecology, individual program streams have a maximum quota of 80.
10. Physical Education and Kinesiology have a combined quota of 100.
11. Law has five supernumerary places for half-time students and five supernumerary places for Aboriginal students.
12. Within the UCN program, The Pas and Thompson sites each have a quota of 20.
13. Students admitted to the joint program take their first-year courses at UCN. For that reason, the number registered is not shown.
