Notes:

1. Graduate figures include students continuing in a course or thesis over more than one term. This table excludes graduate diploma students and students in St. Boniface graduate programs.
2. Year in program is based on the length of time from the program start date, with three terms being a year. Year in program has been adjusted for parenting or exceptional leaves.
3. Students in Individual Interdisciplinary Studies (IIS) are shown under the faculty of their advisor.
4. New includes any graduate students starting in the Winter, Summer or Fall Term in 2013.
5. Includes all students in the Joint Master's Program shared by the University of Manitoba and the University of Winnipeg.
6. In 2013, Social Foundations of Education changed its name to Cross-Cultural, Sociological, and Philosophical Foundations in Education. Students enrolled prior to 2013 will complete under the previous name.
7. Mechanical and Manufacturing Engineering changed its name to Mechanical Engineering in 2013.
8. Students on an Exceptional or Parenting Leave are not required to register while on leave and are therefore not included in the Fall Term headcounts. They have been added as part-time students in this report only.
