1. An asterisk (\*) indicates that enrolment was below 25 in either year. Percent changes in faculties containing fewer than 25 students can show abnormally large differences, therefore these changes are not reported.
2. Enrolment in the integrated program is shown in Music for years 3 and 4 and in Education for year 5.
3. Increase partially due to restructuring of co-op work terms.
4. The Bachelor of Medical Rehabilitation (Physical Therapy) has transitioned to a Master's program.
5. Includes William Norrie Centre, Distance and Northern programs.
6. The University 1 program was introduced in 1998-99. Most "new" students, with limited or no university experience, have registered under this program.
7. Graduate Studies includes pre-master's, master's, doctoral, occasional and diploma students.
